56 hand-counted audit of each race in which more than one candidate's name appears on the ballot  
57 in that precinct.

58 (4) If a valid petition for a recount is made pursuant to section 135 for a race subject

73 audited in this drawing shall be equal to 3 per cent of all precincts in the commonwealth,

76 audited in this drawing shall be equal to 3 per cent of all precincts subject to that special election,  
77 rounded up to the next highest whole number.

80 or election commission may employ tally clerks for the purpose of counting the ballots. Audits  
81 shall commence not later than 2 business days following the random drawing of precincts  
82 supervised by the state secretary and shall continue on each successive business day or other day  
83 at the discretion of the board or commission in each municipality. The time and place of the  
84 audits in each municipality where one or more precincts selected to be audited are located shall

86 conducted pursuant to the procedures for hand counts of ballots in sections 135 and 135A.

87 (2) The state secretary shall issue uniform written training materials for audit personnel to  
88 each municipality in the commonwealth at least 10 days prior to any election that will be audited  
89 pursuant to this section.

90 (3) Notwithstanding any general or special law or rule or regulation to the contrary, for  
91 the purpose of conducting the audit the board or commission shall unseal the envelopes or  
92 containers containing the ballots. The board or commission shall, when the audit is complete,  
93 enclose all the ballots in their proper envelopes or containers, seal each envelope or container  
94 with a seal provided therefor, and certify upon each envelope or container that it has been opened  
95 and again sealed in conformity to law.

96 (4) Voter intent shall be the standard for counting votes. Individuals charged with  
97 tabulating votes during the audit shall disregard the omission or inaccuracy of initials, the  
98 omission, inaccuracy or misspelling of given names, and the misspelling of surnames, if the  
99 intent of the voter to express a preference for any particular individual can be ascertained. Such  
100 statements of voters shall be counted, tabulated and entered, together with any other votes cast,  
101 on official audit report forms provided by the state secretary.

102 (e) Upon completion of the audit in each municipality the board of registrars or election  
103 commission shall record each race audited in each precinct on a separate audit report form  
104 provided by the state secretary. The registrars shall submit the completed audit report forms to  
105 the state secretary no later than the fourteenth day following the election. An audit report form  
106 shall provide for the entry of:

107 (1) the number of votes for each candidate, or each yes and no vote and the blank votes  
108 and over votes as recorded in the audit hand count;

110 blank votes and over-votes for the same ballots that were counted in the audit;

112 each candidate, yes and no question and blank votes;

114 not marked by the voter according to the instructions provided to the voters under section 48 and  
115 any explanatory notes related thereto; and

116 (5) Any additional notes on perceived causes of discrepancies.

117 (f) Upon receipt of the results of the audit, the state secretary shall calculate the total  
118 number of votes for each candidate and ballot question as recorded in the audit hand count and  
119 shall compare this total to the sum of the originally reported votes for each candidate and ballot  
120 question in the audited precincts. When such comparison reveals a discrepancy between the  
121 hand-counted audit and the originally reported tally of the audited precincts the discrepancy shall  
122 be analyzed to ascertain its cause. The state secretary shall oversee the analysis and shall publish  
123 the findings and make the findings available online, along with the factual information on which  
124 such findings were based, within 180 days.

125 (g) If there is a discrepancy between the results reached pursuant to an audit and  
126 originally reported tallies, the hand count of the official paper ballots conducted pursuant to the  
127 audit shall be the official vote of record and the board of registrars or election commission shall  
128 amend each precinct tally sheet, official return book and check list delivered to the office of the  
129 registrars.

130 (h) If there is a discrepancy between the results reached in a precinct pursuant to an audit  
131 and the originally reported tallies in that precinct in any audited race or any audited ballot  
132 question that reasonably leads to doubt about the accuracy of election results, the state secretary  
133 may order audits of such additional precincts, offices, or ballot questions as shall be necessary to  
134 ensure that the election results are accurate.

135 (i) (1) Upon receipt of the results of the audit, the state secretary shall make information  
136 in the audit reports publicly available on a precinct-by-precinct basis as soon as practicable, but  
137 no later than 10 days after receipt of the audit report form, in both human and machine readable

138 formats, such as a spreadsheet or comma-separated-value file. This information shall also be  
139 posted on the electronic website of the state secretary.

140 (2) The state secretary shall publish the results of the audit in the report required by  
141 section 133 or in some other document in which the results of the audit can easily be compared  
142 with the number of votes received by each candidate for nomination and for election for a state  
143 and federal office.

144 (3) The audit and publication of the results thereof shall be completed prior to the time  
145 the commonwealth shall make a final determination concerning the appointment of its  
146 presidential electors.

147 (j) The state secretary shall promulgate rules and regulations to implement the  
148 requirements of this section.

156 secretary shall promulgate rules and regulations under section 109A of chapter 54 of the General  
157 Laws on or before July 1, 2013.

158 SECTION 8. Sections 1, 3, and 4 of this act shall take effect on April 1, 2013.

160 act.
