5 for the license or for the renewal of an existing license presents to the licensing authority a
6 complete list of every handgun owned by the applicant along with a certificate of insurance
7 verifying that the applicant has a valid insurance policy insuring against any harm or damage that
8 might arise out of the use of each weapon on said list. The applicant shall swear under the

Such a policy of insurance shall be available to satisfy any judgment for personal injuries or property damages arising out of the unintentional, accidental or unlawful use of an insured weapon, provided that, in the event of multiple judgments, judgments for medical bills shall have a priority in the order that said judgments are satisfied and, provided further, that medical bills paid for by or owed to the Commonwealth and any municipal or regional governmental entity shall have a super priority and shall be satisfied first out of all such judgments for medical bills. In the event that a judgment issues against the license holder for personal injuries or property damage that cannot be satisfied by the required insurance policy due to the holder's failure to maintain said policy, the license holder may be punished by imprisonment by not more than five years.
