An Act authorizing the Division of Capital Asset Management and Maintenance to convey a certain parcel of land in the town of Danvers.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           SECTION 1. The commissioner of capital asset management and maintenance may,  
2 subject to the provision of Section 40E to 40J, inclusive, of Chapter 7 of the General Laws,  
3 convey by a deed a certain undeveloped parcel of state-owned land which is a part of a larger  
4 parcel owned by the Commonwealth and under the use and control of the Massachusetts State  
5 Police, commonly referred to as the Troop A Headquarters, in Danvers, Massachusetts. The  
6 property to be conveyed hereunder, is generally described as follows: a parcel of land along  
7 Maple Street, beginning at the point where the state-owned land intersects with property owned  
8 by the parcel owned by the Hathorne Office Park Condominium and continuing clockwise along  
9 a boundary of land owned by the Putnam Cemetery, to a driveway located on the state-owned

10 parcel and then continuing clockwise along the driveway to Maple Street, and then along Maple  
11 Street to the point of beginning. The exact boundaries of the parcel shall be determined by the  
12 commissioner, in consultation with the secretary of public safety and the Massachusetts State  
13 Police, after completion of a survey.

14 SECTION 2. The consideration to be paid for said property shall be the full and fair  
15 market value of the property, as determined by the commissioner of capital asset management  
16 and maintenance based upon an independent appraisal. The inspector general shall review and  
17 approve the appraisal and the review shall include a review of methodology used for the  
18 appraisal. The inspector general shall prepare a report of his review and file the report with said  
19 commissioner for submission to the house and senate committees on ways and means and  
20 chairmen of the joint committee on state administration.

21 SECTION 3. The grantee of said property shall be responsible for any costs for  
22 appraisals, surveys and other expenses relating to the transfer of property.

23 SECTION 4. The payment of the consideration for the property, as determined under  
24 section 2, shall be deposited in the General Fund, provided, however, that as an alternative to  
25 depositing the consideration in the General Fund, the commissioner, in consultation with the  
26 secretary of public safety and the Massachusetts State Police, may allow all or a portion of said  
27 consideration to be used for improvements to the facilities at the Troop A Headquarters or for the  
28 purchase of equipment used by Troop A.
