HOUSE No. 901

By Representative Benson of Lunenburg and Senator Eldridge, a joint petition (accompanied by bill, House, No. 901) of Jennifer E. Benson and others relative to expanding parking facilities to promote the use of commuter shuttles and public transportation. Transportation.

The Commonwealth of Massachusetts

—————
In the Year Two Thousand Eleven
—————

An Act relative to commuter shuttles and public transportation improvements.

Whereas, The deferred operation of this act would tend to defeat its purpose, which is to encourage the use of commuter shuttles and public transportation in the commonwealth, thereby saving energy, reducing greenhouse gas emissions, and reducing dependence on foreign oil, therefore it is hereby declared to be an emergency law, necessary for the immediate preservation of the public convenience.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Chapter 40 of the General Laws is hereby amended by striking out section
2 22C, as appearing in the 2006 Official Edition, and inserting in place thereof the following
3 section:-

4 Section 22C. Any city or town, having installed parking meters or coin-operated locking
5 devices for bicycle parking under the provisions of section twenty-two A, may install parking
6 meters in municipally owned or leased off-street parking lots and other devices for controlling
7 such off-street parking lots, and may use any receipts from parking meters and other devices so
8 installed for the purpose of purchase or lease of additional parking lots, the care and maintenance
9 of the same, purchase or lease of any commuter shuttle or commuter shuttle services between

10 such parking lots and available public transportation, the care and maintenance of public
11 transportation station accessibility improvements, and in general for any traffic control or traffic
12 safety purposes, including payment for public liability coverage in connection with the purchase,
13 lease and use of said municipally owned or leased parking lots and commuter shuttles or
14 commuter shuttle services.
