11 (c) Any claim for damage or loss caused by the installation, presence, or removal of
12 asbestos.

SECTION 2. Section 11.01 of chapter 156D of the General Laws, as so appearing, is hereby amended by inserting after the definition of “Share exchange” the following 2 definitions:-

“Successor”, a corporation that assumes or incurs or has assumed or incurred successor asbestos-related liabilities that is a successor and became a successor before January 1, 1972, or is any of that successor corporation's successors.

“Successor asbestos-related liability”, any liability, whether known or unknown, asserted or unasserted, absolute or contingent, accrued or unaccrued, liquidated or unliquidated, or due or to become due, that is related to an asbestos claim and was assumed or incurred by a corporation as a result of or in connection with (a) a merger or consolidation with or into another corporation; or (b) the plan of merger or consolidation related to the merger or consolidation with or into another corporation; or (c) exercise of control or ownership of the stock of the corporation before the merger or consolidation with the corporation. Includes liability that, after the time of the merger or consolidation for which the fair market value of total gross assets is to be determined under section 4, was paid, discharged, or committed to be paid or discharged, by or on behalf of the corporation, successor of the corporation, or transferor, in connection with a settlement, judgment, or other discharge in this state or another jurisdiction.

SECTION 3. Section 11.01 of chapter 156D of the General Laws, as so appearing, is hereby amended by inserting after the definition of “Survivor” the following definition:-

“Transferor”, a corporation from which successor asbestos-related liability is or was assumed or incurred.

SECTION 4. Chapter 156D of the General Laws is hereby amended by adding after section 11.08 the following section:

Section 11.09.

(a) (1) The cumulative successor asbestos-related liabilities of a successor corporation are limited to the fair market value of the total gross assets of the transferor determined as of the time of the merger or consolidation. The successor corporation does not have responsibility for any successor asbestos-related liabilities in excess of this limitation.

(2) If the transferor had assumed or incurred successor asbestos-related liabilities in connection with a prior merger or consolidation with a prior transferor, then the fair market value of the total assets of the prior transferor determined as of the time of the earlier merger or consolidation shall be substituted for the limitation in paragraph (1) for purposes of determining the limitation of liability of a successor corporation.

(3) This subsection does not apply to the following:

(i) Workers' compensation benefits paid under chapter 152 or a comparable workers' compensation law of another jurisdiction;

(ii) Any claim against a corporation that does not constitute a successor asbestos-related liability;

(iii) Any obligation under 29 U.S.C. 151, et seq., or under any collective bargaining agreement; or

(iv) A successor corporation that, after a merger or consolidation, continued in the business of mining asbestos, in the business of selling or distributing asbestos fibers, or in the

business of manufacturing, distributing, removing, or installing asbestos-containing products which were the same or substantially the same as those products previously manufactured, distributed, removed, or installed by the transferor.

(b) (1) A successor corporation may establish the fair market value of total gross assets for the purpose of the limitations under subsection (a) by any reasonable method, including any of the following:

(i) By reference to the going concern value of the assets;

(ii) By reference to the purchase price attributable to or paid for the assets in an arms-length transaction;

(iii) In the absence of other readily available information from which the fair market value can be determined, by reference to the value of the assets recorded on a balance sheet.

(2) Total gross assets include intangible assets.

(3) To the extent that total gross assets include any liability insurance that was issued to the transferor whose assets are being valued for purposes of this section, the applicability, terms, conditions and limits of such insurance shall not be affected by this section. This section also does not affect the rights and obligations of an insurer, transferor or successor under any insurance contract and/or any related agreements, including all of the following:

(i) A pre-enactment settlement resolving a coverage-related dispute;

(ii) The right of an insurer to seek payment for applicable deductibles, retrospective premiums or self-insured retentions;

(iii) The right of an insurer to seek contribution from a successor for uninsured or self-insured periods or periods where insurance is uncollectible or otherwise unavailable.

(4) Without limiting paragraph (3), to the extent that total gross assets include any liability insurance, a settlement of a dispute concerning any such liability insurance coverage entered into by a transferor or successor with the insurers of the transferor [before the effective date of this act] shall be determinative of the total coverage of the liability insurance for inclusion in the calculation of the transferor's total gross assets.

(c) (1) Except as provided in paragraphs (2), (3), and (4), the fair market value of total gross assets at the time of the merger or consolidation shall increase annually at a rate equal to the sum of the following:

(i) The weekly prime rate for the first week of each calendar year since the merger or consolidation, as reported by the federal reserve board in federal reserve statistical release H. 15; and

(ii) 1 per cent.

(2) The rate found in paragraph (1) may not be compounded.

(3) The adjustment of the fair market value of total gross assets shall continue as provided in paragraph (1) until the date the adjusted value is first exceeded by the cumulative amounts of successor asbestos-related liabilities paid or committed to be paid by or on behalf of the successor corporation or a predecessor or by or on behalf of a transferor after the time of the merger or consolidation for which the fair market value of total gross assets is determined.

95 (4) No adjustment of the fair market value of total gross assets shall be applied to any
96 liability insurance that may be included in the definition of total gross assets under subsection
97 (c).

98 SECTION 5. This act shall apply to all asbestos claims filed against a successor on or
99 after the effective date of the act. This section also applies to any pending asbestos claims
100 against a successor in which trial has not commenced as the effective date of the act, except that
101 any provisions of these sections which would be unconstitutional if applied retroactively shall be
102 applied prospectively.
