370 property used by a licensed establishment whether he leases the property directly to the licensee
371 or through an intermediary; repairs, rebuilds or modifies any gaming device; manufactures or
372 distributes chips or gaming tokens for use in this state.

373 (c) The commission may require a finding of suitability or the licensing of any person
374 who furnishes services or property to a state gaming licensee under any arrangement pursuant to
375 which the person receives payments based on earnings, profits or receipts from gaming.

376 (d) No person shall operate a gaming establishment without having obtained all necessary
377 operating licenses from the commission. There shall be a single licensed operator for each
378 gaming establishment. The licensing standards must be met at all times by each officer, director,
379 partner, and trustee of the operating entity, by each substantial party in interest of the operating
380 entity or of the premises on which such establishment is located, and by such other party in
381 interest of the operating entity, the premises, or any holding company or intermediary company
382 of the operating entity or the premises as the commission may require. In no event shall the

383 commission permit a person or entity previously convicted of a felony to be a party in interest of
384 the operating entity or of the premises or of any holding or intermediary company of the
385 operating entity or the premises. A separate license shall be required for any person described
386 above, unless the commission specifically determines otherwise. The commission may grant not
387 more than four licensed operator licenses to be issued to the following:

388 (1) Persons licensed to conduct running horse racing meetings in Suffolk and Norfolk
389 County, as of January 1, 2000, or their respective assigns and/or successors in interest, not
390 including running horse racing meetings held in connection with a state or county fair, who run a
391 full schedule of live races as defined in section two of chapter one hundred and twenty-eight C,
392 shall be authorized to operate up to one thousand five hundred electronic gaming devices or slot
393 machines to be operated only on the premises of said licensee, as approved by the commission.

394 (2) Persons licensed to conduct greyhound dog racing meetings in Suffolk and Bristol
395 County, as of January 1, 2000, or their respective assigns and/or successors in interest, not
396 including greyhound dog racing meetings held in connection with a state or county fair, who run
397 a full schedule of live races as defined in section two of chapter one hundred twenty-eight C,
398 shall be authorized to each operate one thousand five hundred electronic, gaming devices or slot
399 machines to be operated only, respectively, on the premises of a greyhound dog racing meeting
400 licensee in Suffolk and Bristol Counties, as approved by the commission; provided, however,
401 that where two or more greyhound dog racing meeting licensees in Bristol County use the same
402 track during a calendar year, said Bristol County licensees, for purposes of seeking a licensed
403 operator license, shall be considered one applicant.

404 (e) A person may apply to be a licensed operator by filing an application with the
405 commission, in the form and with such accompanying application fees as the commission may
406 establish. Information on the application will be used as the basis for a thorough background
407 investigation which the bureau shall conduct with respect to each applicant. Each application
408 shall disclose the identity of each party in interest, each holding company and intermediary
409 company, and each affiliate of the operating entity. The application shall disclose, in the case of
410 a privately held corporation, the names and addresses of all directors, officers, and stockholders;
411 in the case of a publicly traded corporation, the names and addresses of all directors, officers,
412 and persons holding at least one percent of the total capital stock issued and outstanding; in the
413 case of a partnership, the names and addresses of all partners, both general and limited; and in
414 the case of a trust, the names and addresses of all trustees and beneficiaries.

415 (f) Each operating entity shall identify, in its application, the premises containing the
416 establishment where it proposes to conduct its gaming operations. The application shall contain
417 such information regarding the physical location and condition of the premises and the potential
418 impact of the proposed gaming operations upon adjacent properties and the municipality and
419 region within which the premises are located, as the commission may require. The application
420 shall disclose the identity of all parties in interest regarding the premises; and provided, further,
421 except as otherwise permitted herein, no person other than a licensee hereunder shall have any
422 right to or interest in net gaming revenue or adjusted net gaming revenue in the form of a
423 percentage of any sums payable hereunder.

424 (g) No licensed operator shall obtain any gaming equipment from a person who does not
425 hold a license. No licensed operator shall enter into any agreement for the receipt of goods or
426 services, of any form and in any amount, from a person who does not hold a license, when a

427 license is required for such agreement under this act or under regulations promulgated by the
428 commission.

429 (h) No licensed operator shall employ any person in a gaming establishment who does
430 not hold a work permit, when a work permit is required for such position under regulations
431 promulgated by the commission.

432 (i) Any person who the commission determines is qualified to receive a license or be
433 found suitable under the provisions of this act, may be issued a state gaming license or found
434 suitable, as appropriate. The burden of proving his qualification to receive any license or be
435 found suitable is on the applicant. A license to operate a gaming establishment must not be
436 granted unless the applicant has satisfied the commission that he or she has adequate business
437 probity, competence and experience, in gaming; and the proposed financing of the entire
438 operation is adequate for the nature of the proposed operation; and, from a suitable source.

439 An application to receive a license or be found suitable constitutes a request for a
440 determination of the applicant's general character, integrity, and ability to participate or engage
441 in, or be associated with gaming, as appropriate. The commission may limit the license or place
442 such conditions thereon as it may deem necessary in the public interest. The commission may, if
443 it considers necessary, issue a probationary license. No state gaming license may be assigned
444 either in whole or in part. The commission may limit or place such conditions as it may deem
445 necessary in the public interest upon any registration, finding of suitability or approval for which
446 application has been made

447 (j) Any state license in force may be renewed by the commission for the next succeeding
448 license period upon proper application for renewal and payment of state license fees and taxes as

449 required by law and the regulations of the commission. If any licensee or other person fails to
450 renew his license the commission may order the immediate closure of all his gaming activity
451 until the license is renewed by the payment of the necessary fees, taxes, interest and any
452 penalties.

453 (k) If satisfied that an applicant is eligible to receive a state gaming, manufacturing,
454 selling, or distributing license, and upon tender of all license fees and taxes as required by law
455 and regulation of the commission; and a bond executed by the applicant as principal, and by a
456 corporation qualified under the laws of the commonwealth as surety, payable to the
457 commonwealth, and conditioned upon the payment of license fees and taxes and the faithful
458 performance of all requirements imposed by law or regulation or the conditions of the license,
459 the commission shall issue and deliver to the applicant a license entitling him to engage in the
460 gaming, manufacturing, selling, or distributing operation for which he is licensed, together with
461 an enumeration of the specific terms and conditions of the license.

462 (l) A license issued pursuant to the provisions of this act must be posted by the licensee
463 and kept posted at all times in a conspicuous place in the area where gaming is conducted in the
464 establishment for which the license is issued until it is replaced by a succeeding license.

465 (m) If the commission is not satisfied that an applicant is qualified to be licensed under
466 this act, the commission may cause to be made such investigation into and conduct such hearings
467 concerning the qualifications of the applicant in accordance with its regulations as it may deem
468 necessary.

469 (n) The commission has full and absolute power and authority to deny any application for
470 any cause it deems reasonable. If an application is denied, the commission shall prepare and file
471 its written decision upon which its order denying the application is based.

472 (o) A person who has had his application for a license denied or who has been found
473 unsuitable by the commission shall not retain his interest in a corporation, partnership, limited
474 partnership, limited-liability company or joint venture beyond that period prescribed by the
475 commission; and shall not accept more for his interest in a corporation, partnership, limited
476 partnership, limited-liability company or joint venture than he paid for it or the market value on
477 the date of the denial of the license or the finding of unsuitability.

478 (p) The voluntary surrender of a license by a licensee does not become effective until
479 accepted in the manner provided in the regulations of the commission. The surrender of a license
480 does not relieve the former licensee of any penalties, fines, fees, taxes or interest due.

481 (q) Each licensee or registrant, or applicant for a license or registration under this act
482 shall cooperate with the commission in the performance of their duties.

483 (r) Every licensed gaming facility must, upon receipt of criminal or civil process
484 compelling testimony or production of documents in connection any criminal investigation,
485 immediately disclose such information to the bureau.

486 Section 6. Right to Hearing.

487 Any person aggrieved by a determination by the commission to issue, deny, modify,
488 revoke or suspend any license or approval, or to issue an order, under the provisions of this act,
489 may request an adjudicatory hearing before the commission under the provisions of chapter

490 thirty A of the General Laws. Any such determination shall contain a notice of this right to
491 request a hearing and may specify a time limit, not to exceed twenty-one days, within which said
492 person shall request said hearing. If no such request is timely made, the determination shall be
493 deemed assented to. If a timely request is received, the commission shall within a reasonable
494 time act upon a request in accordance with the provisions of said chapter thirty A. A person
495 aggrieved by a final decision in an adjudicatory hearing held under the provisions of this section
496 may obtain judicial review thereof pursuant to the provisions of chapter thirty A.

497 Section 7. Criminal Acts and Penalties; Age Restrictions.

498 (a) Except as otherwise provided in this act or in chapter ten or in section seven A of
499 chapter two hundred seventy-one of the General Laws, it is unlawful for any person to deal,
500 operate, carry on, conduct, maintain or expose for play in the commonwealth of Massachusetts
501 any gambling game, gaming device, or slot machine as defined by this act; to receive, directly or
502 indirectly, any compensation or reward or any percentage or share of the money or property
503 played, for keeping, running or carrying on any gambling game, gaming device, or slot machine;
504 to permit any gambling game, gaming device, or slot machine to be conducted, operated, dealt or
505 carried on in any house or building or other premises owned by him, in whole or in part; to lend,
506 let, lease or otherwise deliver or furnish any equipment of any gambling game, including any slot
507 machine, for any interest, percentage or share of the money or property played, under guise of
508 any agreement whatever; to lend, let, lease or otherwise deliver or furnish, except by a bona fide
509 sale or capital lease, any slot machine under guise of any agreement whereby any consideration
510 is paid or is payable for the right to possess or use that slot machine, whether the consideration is
511 measured by a percentage of the revenue derived from the machine or by a fixed fee or
512 otherwise; to furnish services or property, real or personal, on the basis of a contract, lease or

513 license, pursuant to which that person receives payments based on earnings or profits from any
514 gambling game, including any slot machine, without having first procured a state gaming license
515 from the commission.

516 (b) Any person included on the list of persons to be excluded or ejected from a gambling
517 establishment pursuant to regulations promulgated pursuant to this act who knowingly enters or
518 remains on the premises of a licensed gambling establishment shall be punished by a fine to be
519 determined by the commission, in addition to any other penalties prescribed by law.

520 (c) Any person under the age of twenty-one years who plays, places wagers at, or collects
521 winnings from, whether personally or through an agent, any controlled game, or who is
522 employed as an employee in a licensed gaming establishment shall be punished by imprisonment
523 in the house of correction for not more than one year, or by a fine of not more than one thousand
524 dollars, or by both such imprisonment and fine. Any licensee, or other person, who knowingly
525 allows a person under the age of twenty-one to play, place wagers at or collect winnings, whether
526 personally or through an agent, shall be punished by imprisonment in the house of correction for
527 a term of not more than one year or pay a fine of not more than ten thousand dollars, or by both
528 such imprisonment and fine. A subsequent violation of this section shall subject the licensee to
529 imprisonment in the house of correction for not more than two years or pay a fine of not more
530 than twenty-five thousand dollars or by both such imprisonment and fine. In any prosecution or
531 other proceeding for the violation of this subsection, it shall not be a defense for the licensee or
532 his agent to plead that he believed the person to be twenty-one years of age or older.

533 (d) Any person who willfully fails to report, pay, or truthfully account for and pay over
534 any license registration fee, penalty, fine, or interest thereon imposed by this act, or willfully

535 attempts in any manner to evade or defeat the license fee, penalty, fine, or interest thereon or
536 payment thereof shall be punished by a fine to be determined by the commission.

537 (e) Any person who willfully resists, prevents, impedes, or interferes with the
538 commission or the bureau or any of their agents or employees in the performance of duties
539 pursuant to this act shall be punished by a fine to be determined by the commission, in addition
540 to any other penalties prescribed by law.

541 (f) Any person who willfully violates, attempts to violate, or conspires to violate any
542 provision of a regulation adopted pursuant to, this chapter shall be punished by a fine to be
543 determined by the commission, in addition to any other penalties prescribed by law.

544 (g) Any person, as owner, lessee, or employee, whether for hire or not, either solely or in
545 conjunction with others, who shall do any of the following without having first procured and
546 thereafter maintained in effect all licenses required by law:

547 (1) to deal, operate, carry on, conduct, maintain, or expose for play in this state
548 any controlled game or gaming equipment used in connection with any controlled game;

549 (2) to receive, directly or indirectly, any compensation or reward or any
550 percentage or share of the revenue, for keeping, running, or carrying on any controlled game, or
551 owning the real property or location in which any controlled game occurs;

552 (3) to manufacture or distribute within the territorial boundaries of the
553 commonwealth any gaming equipment to be used in connection with controlled gaming shall be
554 punished by imprisonment in the state prison for not more than five years, or by imprisonment in

555 a house of correction for not more than two and one-half years, or by a fine of not more than ten
556 thousand dollars, or by both such imprisonment and fine.

557 (h) Any person who knowingly permits any controlled game to be conducted, operated,
558 dealt, or carried on in any house or building or other premises that he or she owns or leases, in
559 whole or in part, if that activity is undertaken by a person who is not licensed as required by state
560 law shall be punished by imprisonment in a state prison for not more than five years, or by
561 imprisonment in a house of correction for not more than one year, or by a fine of not less than
562 ten thousand dollars, or by both such imprisonment and fine.

563 (i) Any former commission member who, within three years after his employment on said
564 commission has ceased, solicits or accepts employment with or provides consultant services to
565 any licensee or at any licensed gaming facility shall be deemed to have violated chapter two
566 hundred sixty-eight B of the General Laws. Any licensed gaming facility which employs a
567 former commission member in violation of this subsection shall be punishable by a fine to be
568 determined by the commission.

569 (j) It is unlawful for any person:

570 (1) to alter or misrepresent the outcome of a game or other event on which wagers
571 have been made after the outcome is determined but before it is revealed to the players;

572 (2) knowingly to entice or induce another to go to any place where gaming is
573 being conducted or operated in violation of the provisions of this chapter, with the intent that the
574 other person play or participate in that gaming;

575 (3) to manipulate, with the intent to cheat, any component of a gaming device in a
576 manner contrary to the designed and normal operational purpose for the component, including
577 but not limited to, varying the pull of the handle of a slot machine, with knowledge that the
578 manipulation affects or reasonably may tend to affect the outcome of the game or with
579 knowledge of any event that affects the outcome of the game;

580 As used in this section, “cheat” means to alter the selection of criteria which
581 determine: (a) the results of a game; or (b) the amount or frequency of payment in a game.

582 (4) to have on his person or in his possession on or off the premises of any
583 licensed gaming establishment any key or device known to have been designed for the purpose
584 of and suitable for opening, entering or affecting the operation of any gaming or equipment, or
585 for removing money or other contents therefrom, except where such person is a duly authorized
586 employee of a licensee acting in furtherance of his employment within a licensed gaming
587 establishment. A violation of this section shall be punishable by imprisonment in a house of
588 correction for not more than two years or by a fine of not more than one thousand dollars, or by
589 both such imprisonment and fine.

590 (k) Any individual who commits, attempts, or conspires to commit skimming, as defined
591 by this act, for a total value of less than one thousand dollars against a gaming licensee or upon
592 the premises of a licensed gaming facility shall be punished by imprisonment in a house of
593 correction for not more than five years and by a fine of not more than five thousand dollars, or by
594 imprisonment in a house of correction for not more than ten years and by a fine of not more than
595 ten thousand dollars if the total value is more than one thousand dollars.

596 (1) In addition to any other penalty imposed under this section, a violation of this
597 section by a licensed gaming establishment shall subject to forfeiture to the commonwealth any
598 or all of the gaming equipment related to the violation. A district attorney may petition the
599 superior court in the name of the commonwealth in the nature of a proceeding in to order
600 forfeiture of any such gaming equipment subject to forfeiture under the provisions of this
601 paragraph. Such petition shall be filed in the court having jurisdiction over said gaming
602 equipment or having final jurisdiction over any related criminal proceedings brought under any
603 provision of this chapter. In all such suits where the property is claimed by any person, other
604 than the commonwealth, the commonwealth shall have the burden of proving to the court the
605 existence of probable cause to institute the action, and any such claimant shall then have the
606 burden of proving that the gaming equipment is not forfeitable. The court shall order the
607 commonwealth to give notice by certified or registered mail to the owner of said gaming
608 equipment and to such other persons as appear to have an interest therein, and the court shall
609 promptly, but not less than two weeks after notice, hold a hearing on the petition. Upon the
610 motion of the owner of said gaming equipment the court may continue the hearing on the petition
611 pending the outcome of any criminal trial related to the violation of this chapter. At such hearing
612 the court shall hear evidence and make conclusions of law, and shall thereupon issue a final
613 order, from which the parties shall have a right of appeal. In all such suits where a final order
614 results in a forfeiture, said final order shall provide for disposition of said gaming equipment, by
615 the commonwealth in any manner not prohibited by law, including official use by an authorized
616 law enforcement or in other public agency, or sale at public auction or by competitive bidding.
617 The proceeds of any such sale shall be used to pay the reasonable expenses of the forfeiture

618 proceedings, seizure, storage, maintenance of custody, advertising, and notice, and the balance
619 thereof shall be deposited in the gaming regulatory account established by this chapter.

620 Section 8. Revenues; License Fees; Penalties.

621 (a) There is hereby established a gaming investigative account. Any and all expenses
622 associated with the licensing of any applicant and monitoring of any licensee shall be borne by
623 the applicant or licensee. Pursuant to its regulations, the commission shall require each applicant
624 to deposit with the commission, together with the application therefor, an application fee which
625 shall be deposited in the gaming investigative account. Such fee shall constitute the anticipated
626 costs and charges incurred in the investigation and processing of the application, and any
627 additional sums as are required by the commission and the bureau to pay final costs and charges.
628 Any money received from an applicant in excess of the costs and charges incurred in the
629 investigation or the processing of the application shall be refunded pursuant to regulations
630 adopted by the commission.

631 (b) All fees, revenue, and penalties collected pursuant to this act, with the exception of
632 those revenues collected as stated in section nine (a) or section twelve (g) or section 12(f) of this
633 act, shall be deposited in the general fund. Funds deposited in the general fund, pursuant to this
634 act, shall, subject to appropriation, be expended for the support of the commission and the bureau
635 in carrying out their duties and responsibilities under this act.

636 (c) All revenue received from any game or gaming device which is leased for operation
637 on the premises of the licensee-owner to a person other than the owner thereof, or located in an
638 area or space on the premises which is leased by the licensee-owner to any such person, must be
639 attributed to the owner for the purposes of this section and be counted as part of the gross

640 revenue of the owner. The lessee is liable to the owner for his proportionate share of the license
641 fees.

642 (d) In addition to any other tax or fee imposed by this act, there is also hereby imposed an
643 annual license fee of one hundred thousand dollars for gaming license holders, and an annual
644 license fee of five hundred dollars upon every slot machine maintained for use or in use in any
645 licensed gaming facility in the commonwealth.

646 (e) All gaming license fees and penalties imposed by the provisions of this act must be
647 paid to the state treasurer to be deposited into the general fund. Fees shall be paid annually on or
648 before June twentieth. Penalties imposed under this act shall be paid within thirty days of the
649 final determination of the commission of the violation.

650 (f) There is hereby imposed upon each slot machine operated in this state an annual
651 excise tax of two hundred and fifty dollars. If a slot machine is replaced by another, the
652 replacement is not considered a different slot machine for the purpose of imposing this tax. The
653 commission shall collect the tax annually on or before June twentieth, as a condition precedent to
654 the issuance of a state gaming license to operate any slot machine for the ensuing fiscal year
655 beginning July first, from a licensee whose operation is continuing; collect the tax in advance
656 from a licensee who begins operation or puts additional slot machines into play during the fiscal
657 year, prorated monthly after July thirty-first; include the proceeds of the tax in its reports of state
658 gaming taxes collected. The commission shall pay over the tax as collected to the treasurer of the
659 municipality within which the gaming facility is located to be deposited to the general fund of
660 said municipality.

661 Section 9. Reporting Violations of Act.

662 All licensees, all registrants, all persons required to be qualified under this act, and all
663 persons employed by a gaming service industry licensed pursuant to this act, shall have a duty to
664 inform the commission or bureau of any action which they believe would constitute a violation
665 of this act. No person who so informs the commission or the bureau shall be discriminated
666 against by an applicant, licensee or registrant because of the supplying of such information.

667 Section 10. Licensing of Gaming Service Industries.

668 (a) All gaming service industries as defined in this act offering goods or services which
669 directly relate to gaming activities or indirectly relate to gaming operations shall be licensed in
670 accordance with rules of the commission and prior to conducting any business whatsoever with a
671 gaming applicant or licensee, its employees or agents, and in the case of a school, prior to
672 enrollment of any students or offering of any courses to the public whether for compensation or
673 not. Gaming service industries that directly relate to gaming activities shall include gaming and
674 wagering equipment manufacturers, suppliers and repairers, schools teaching gaming and either
675 playing or dealing techniques, and gaming security services. Gaming service industries that
676 indirectly relate to gaming operations shall include junket enterprises; suppliers of alcoholic
677 beverages, food and nonalcoholic beverages; garbage handlers; vending machine providers; linen
678 suppliers; maintenance companies; shopkeepers located within the approved hotels; limousine
679 services and construction companies contracting with gaming applicants or licensees or their
680 employees or agents.

681 (b) Each gaming service industry, as well as its owners, management and supervisory
682 personnel and other principal employees must qualify under standards promulgated by the
683 commission.

684 (c) The commission may exempt any person or field of commerce from the licensing
685 requirements of this subsection if the person or field of commerce demonstrates that it is
686 regulated by a public agency or that it will provide goods or services in insubstantial or
687 insignificant amounts or quantities, or provides professional services such as accountants,
688 auditors, attorneys, or broker dealers, and that licensing is not deemed necessary in order to
689 protect the public interest or to accomplish the policies established by this act. Upon granting an
690 exemption or at any time thereafter, the commission may limit or place such restrictions
691 thereupon as it may deem necessary in the public interest, and shall require the exempted person
692 to cooperate with the commission and the bureau and, upon request, to provide information in
693 the same manner as required of a gaming service industry licensed pursuant to this section.

694 (d) Licensure pursuant to this section of any gaming service industry may be denied to
695 any applicant disqualified in accordance with the criteria contained in section six of this act.

696 Section 11. Gaming Revenue Payable to Commission.

697 (a) Each licensed operator within the commonwealth also licensed as a live running horse
698 racing meeting licensee within the commonwealth shall pay to the commission, as the
699 commission shall direct, from the adjusted net gaming revenues: a percentage on behalf of the
700 commonwealth; a percentage on behalf of the horse owners at the running horse racing meeting
701 licensee for purses in accordance with the rules and established customs of conducting running
702 horse racing meetings at that licensee's racing facility; and a percentage on behalf of the breeders
703 association at the licensee's facility for the purposes of promoting the breeding of running horses
704 in the commonwealth pursuant to law; provided that if the adjusted net gaming revenues exceed,
705 in any calendar year, thirty-five million dollars each such licensed operator shall pay from the

706 amount above that thirty-five million dollars, on behalf of the commonwealth a sum on behalf of
707 the horse owners at the racing meeting licensee for said purses.

708 (b) Each licensed operator within the commonwealth also licensed as a greyhound dog
709 racing meeting licensee within the commonwealth shall pay to the commission, as the
710 commission shall direct, from the adjusted net gaming revenues: a sum on behalf of the
711 commonwealth; a percentage on behalf of the dog owners at the greyhound dog racing meeting
712 licensee for purses in accordance with the rules and established customs of conducting
713 greyhound dog racing meetings at that licensee's racing facility; provided that if the adjusted net
714 gaming revenues exceed, in any calendar year, thirty-five million dollars each such licensed
715 operator shall pay from that amount above that thirty-five million dollars, on behalf of the
716 commonwealth a sum and on behalf of the dog owners at the racing meeting licensee for said
717 purses.

718 (c) Notwithstanding the foregoing, if adjusted net gaming revenues of any licensed
719 operator under section twelve (a) and (b) exceed, in any calendar year, fifty million dollars, such
720 licensed operator(s) shall pay to the commission, on behalf of the commonwealth, as the
721 commission shall direct, from the adjusted net gaming revenue above said amount, a percentage
722 on behalf of the commonwealth.

723 (d) Provided, however, that each licensed operator shall receive as and offset from any
724 amount due under sections twelve (a), (b), (c), or (d) any amount assessed by the commission to
725 cover the licensed operator's pro rata share of the regulatory costs of the commission. Such
726 regulatory costs shall not include any license or application fee assessed by the commission.

727 (f) Revenue generated by each licensed operator including, a licensed running horse
728 racing facility, a licensed harness horse racing facility, a licensed greyhound dog racing facility,
729 shall be placed into a separate account, to be known as the “revenue gaming account”. Twenty-
730 five percent (25%) of said revenue shall, subject to appropriation, be dedicated to the Department
731 of Education for the purpose of supporting the public school system in the Commonwealth. The
732 remaining revenue shall be returned to the General Fund.

733 (g) There is hereby established a debt service account. Each licensed operator within the
734 commonwealth operating a licensed running horse racing facility, a licensed harness horse racing
735 facility, a licensed greyhound dog racing facility, or a licensed gaming facility as designated in
