The Commonwealth of Massachusetts

In the Year Two Thousand Eleven

An Act to examine the cost reliability and economic impact of electricity..

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. The Executive Office of Housing and Economic Development shall conduct
2 a study to examine the cost reliability and economic impact of electricity. The study will include,
3 but not be limited to: an analysis of the economic and reliability implications of implementation
4 of administrative, regulatory and legislative rulemaking as it pertains to electricity; the
5 implications, economic and otherwise of reaching any goals developed and promulgated by the
6 executive branch relating to zero net energy growth, greenhouse gas reductions or scheduled
7 increases in renewable power, demand resources and energy efficiency. Said study shall be
8 completed with stakeholder input, including representatives from various sectors of the
9 Massachusetts economy. Said study shall be completed by December 31, 2011 and shall be
10 submitted to the Joint Committee on Telecommunications, Utilities & Energy.
