1129 a surrounding community impact fee and all stipulations of responsibility between the
1130 community and the applicant, including stipulations of known impacts from the development and

1131 operation of the gaming establishment. When necessary the board may facilitate the negotiation
1132 of fair and reasonable agreements between the applicant and surrounding communities.

1133 (c) After a review of the entire application and any independent evaluations, the board
1134 shall conduct a public hearing on the application under section 11½ of chapter 30A. An applicant
1135 for a gaming license and a municipality designated as a host or surrounding community shall be

1144 quality of the gaming area and amenities, the integration of the establishment into the
1145 surrounding community, and the extent of required mitigation plans, as well as to receive input
1146 from members of the public from the impacted community or communities. During the hearing,
1147 along with allowing members of the public to give verbal testimony, the board may read into the
1148 record letters of support, opposition or concern from members of the public.

1149 (e) Not later than 90 days after the conclusion of the public hearing the board shall take

1151 recommendation to the commission that the commission deny the application; (ii) extend the
1152 period for issuing a recommendation in order to obtain additional information necessary for a

1153 complete evaluation of the application; or (iii) recommend to the commission that the
1154 commission grant the applicant a gaming license.

1157 shall further prepare and file a statement of the reasons for the recommendation of denial,
1158 including specific findings of fact.

1159 (g) The applicant shall be entitled to a hearing before the commission after the filing of
1160 the board's recommendation. The applicant shall have the right to contest the board's findings. A

1162 questions to that representative as it deems appropriate.

1165 commissioners, may: (i) deny the application; (ii) extend the period for issuing a decision in
1166 order to obtain any additional information necessary for a complete evaluation of the application;
1167 or (iii) grant the application for a gaming license.

1168 (i) Upon denial of an application, the commission shall prepare and publish its order and,
1169 if requested by the applicant, shall further prepare and file a statement of the reasons for the
1170 denial, including specific findings of fact.

1171 (j) The commission shall have full discretion as to whether to issue a license. Applicants
1172 shall have no legal right or privilege to a gaming license and shall not be entitled to any further
1173 review if denied.

1174 Section 16. (a) In determining whether an applicant should receive a gaming license, the
1175 commission shall evaluate:

1256 meet the objectives in subsection (a).

1257 Section 17. (a) (1) The commission may issue not more than three (3) category 1 gaming
1258 licenses based on the applications submitted to the commission. Not more than 1 license may be
1259 awarded per region, as follows:

1260 region 1: suffolk, middlesex, essex and worcester counties;

1261 region 2: norfolk, bristol, plymouth, nantucket, dukes and barnstable counties;

1262 region 3: hampshire, hamden, franklin and berkshire counties;

1263 provided that gaming licenses shall only be issued to applicants who are qualified under
1264 the criteria set forth in this chapter as determined by the commission. Within any of the regions,
1265 if the commission is not convinced that there is an applicant that has both met the eligibility
1266 criteria and provided convincing evidence that the applicant will provide value to the region in
1267 which the gaming establishment is proposed to be located and to the commonwealth, no category
1268 1 gaming license shall be awarded in that region.

1269 (2) The commission shall issue one (1) category 2 license, provided, however, that it
1270 must be issued to a qualified existing harness horse racing licensee, a qualified existing
1271 thoroughbred horse racing licensee, a qualified existing greyhound racing licensee, or a proposed
1272 horse racing facility. A category 2 license issued to a proposed horse racing facility shall be
1273 contingent upon the licensee receiving a license for live horse racing under chapter 128A and
1274 commencing such live racing prior to the commencement of gaming operations under the
1275 category 2 license. A category 2 license issued to a category 2 live racing licensee shall be
1276 contingent upon compliance with the annual live racing requirements of chapters 128A and
1277 128C. A category 2 license issued to an existing greyhound racing facility shall be contingent
1278 upon maintenance of the facility's simulcasting license under chapter 128C. An applicant who is

1279 eligible for a category 2 license pursuant to this section may apply for a category 1 license;
1280 provided, however, in the case of an existing harness horse racing facility, an existing
1281 thoroughbred racing facility, or a proposed horse racing facility, that upon receipt of a category 1
1282 license said applicant shall continue to conduct live racing.

1283 (b) No other gaming license shall be issued by the commission for a period of 15 years.

1284 (c) No gaming licensee shall transfer a license or any direct or indirect interest in the
1285 license or a gaming establishment without the majority approval of the commission. Any person
1286 seeking to acquire a license through a transfer shall qualify for licensure under this chapter. The
1287 commission shall reject any license transfer or transfer of interest in the gaming establishment to
1288 an unsuitable person and may reject a proposed transfer that, in the opinion of the commission,
1289 would be disadvantageous to the interests of the commonwealth.

1290 (d) (1) Notwithstanding any general or special law or rule or regulation to the contrary,
1291 the commission may grant, upon request of an applicant for a gaming license, a gaming beverage
1292 license for the sale and distribution of alcoholic beverages to be consumed on the premises of a
1293 gaming establishment. The alcoholic beverage control commission shall have the exclusive
1294 authority to enforce, regulate and control the distribution of alcoholic beverages in the gaming
1295 establishment.

1296 (2) Chapter 138 and the rules and regulations promulgated by the alcoholic beverages
1297 control commission shall apply to a gaming establishment and a gaming beverage license unless
1298 otherwise provided by this section.

1299 (3) The fee for the gaming beverage license and any renewals of the license shall be
1300 determined by the commission. The application fee shall be remitted with the gaming application
1301 fee.

1302 (4) A licensee under this section shall be permitted to distribute alcohol free of charge
1303 and for on-premise consumption to patrons in the gaming area or as a complimentary service or
1304 item in the gaming establishment; provided, however, that the commission shall promulgate
1305 regulations on such distribution as well as the forms of identification that may be presented to the
1306 licensee to demonstrate proof that a person has attained the age of 21.

1307 (5) The request submitted to the commission for a gaming beverage license by an
1308 applicant for a gaming license shall detail all areas where alcoholic beverages will be served
1309 within the gaming establishment. In issuing a gaming beverage license, the commission shall
1310 describe the scope of the particular license and any restrictions and limitations; provided,
1311 however, that the license shall not permit the sale or distribution of alcoholic beverages between
1312 the hours of 2 a.m. and 8 a.m.

1313 (6) A gaming licensee shall be responsible for violations of gaming beverage license
1314 in the gaming establishment. The commission may revoke, suspend, refuse to renew or refuse to
1315 transfer a gaming beverage license for violations of chapter 138, regulations promulgated by the
1316 alcoholic beverages control commission and the regulations adopted by the commission. If, at
1317 any time, a licensee elects temporary suspension of their gaming license due to violations of this
1318 section, said licensee shall owe the commonwealth the average tax on gross gaming revenue
1319 based on an appropriate period of time as determined by the commission for the number of days
1320 operation was suspended.

1321 (7) A gaming beverage license shall not be transferable without prior approval from
1322 the commission. If the license granted under this section is cancelled, revoked or no longer in
1323 use, it shall be returned physically, with all the legal rights, privileges and restrictions pertaining
1324 to the license, to the commission and the commission may then grant the license to a new gaming
1325 licensee under the same conditions as specified in this section.

1326 (8) A gaming beverage license granted under this section shall not decrease the
1327 number of such licenses authorized to be granted to the host community under chapter 138.

1328 (e) (1) A category 1 license issued under this chapter shall be valid for a period of 15
1329 years from the date of first issuance. Ten years after issuance, and every 10 years thereafter, the
1330 commission shall perform a thorough review of the business strategy of the gaming
1331 establishment which shall include plans for expansion and marketing submitted by the licensee.

1332 (2) A category 2 license issued under this chapter shall be valid for a period of 5 years
1333 from the date of first issuance. Five years after issuance, and every 5 years thereafter, the
1334 commission shall perform a thorough review of the business strategy of the gaming
1335 establishment which shall include plans for expansion and marketing submitted by the licensee.

1336 (3) The commission shall establish procedures for renewal and set the renewal fee
1337 based on the cost associated with the evaluation of a licensee requesting a renewed gaming
1338 license. A gaming licensee shall issue an annual report to the board explicitly stating its progress
1339 on meeting each of the stated goals and stipulations from the licensee's original application. If a
1340 licensee is unable to meet stated goals within a reasonable time frame, as determined by the
1341 board, the board may levy additional fees, so long as the fees are fair and reasonable, and the

1342 commission may revoke the license, so long as the licensee has been afforded a proper hearing
1343 on the matter.

1344 Nothing in this section shall preclude the board at any time from reviewing the business
1345 operations of a gaming licensee to ensure that the conditions of licensure are being met,
1346 including, but not limited to, the suitability of the licensee and any affiliates and the fiscal
1347 stability of the gaming establishment.

1348 (f) The commission may condition, suspend or revoke a gaming license upon a finding
1349 that a licensee: (i) has committed a criminal or civil offense under this chapter or any other laws
1350 of the commonwealth; (ii) is not in compliance with gaming regulations or is under criminal
1351 investigation in another jurisdiction; (iii) has breached a condition of the gaming license; (iv) is
1352 conducting business with or employing a person or entity subject to license or registration under
1353 this chapter that is not licensed or registered; (v) is no longer capable of maintaining operations
1354 at a gaming establishment; or (vi) whose business practice, upon a determination by the
1355 commission, is injurious to the policy objectives of this chapter.

1356 (g) Whenever any person contracts to transfer any property relating to an ongoing gaming
1357 establishment, including a security holding in a gaming licensee or a holding or intermediary
1358 company, under circumstances which require that the transferee obtain licensure under this
1359 chapter, the contract shall not specify a closing or settlement date which is sooner than 121 days
1360 after the submission of a completed application for licensure or qualification, which application
1361 shall include a fully executed and approved trust agreement.

1362 The commission shall hold a hearing and render a decision on the interim authorization of
1363 the applicant. If the commission grants interim authorization, then the closing or settlement may

1364 occur without interruption of gaming operations. If the commission denies interim authorization,
1365 there shall be no closing or settlement until the commission makes a determination on the
1366 qualification of the applicant. If the commission then denies qualification the contract shall be
1367 terminated for all purposes without liability on the part of the transferor.

1368 (h) No person or affiliate shall be awarded, purchase or otherwise hold or have a financial
1369 interest in more than 1 gaming license issued by the commission.

1370 (i) When granting the gaming licenses, the commission shall take into consideration the
1371 physical distance between the proposed gaming establishments and how to maximize the benefits
1372 to the commonwealth. No category 1 gaming establishment shall be located within 40 miles of
1373 any other category 1 gaming establishment in the commonwealth.

1374 (j) (1) The commission shall evaluate all category 1 gaming license applications to
1375 determine which application provides the highest and best value to the region and to the
1376 commonwealth based on the criteria set out in this chapter and on any other terms the
1377 commission determines by regulation.

1378 (2) The commission shall evaluate all category 2 gaming license applications to
1379 determine which application provides the highest and best value to the commonwealth based on
1380 the criteria set out in this chapter and on any other terms the commission determines by
1381 regulation.

1382 (k) A gaming licensee which has received a category 1 gaming license shall pay to the
1383 board a licensing fee of \$85,000,000. A gaming licensee which has received a category 2
1384 gaming license shall pay to the board a licensing fee of \$25,000,000. These fees shall be paid not

1385 later than 30 days after the final award of the license which sets forth the conditions to be
1386 satisfied by the licensee before the gaming establishment may be opened to the public.

1387 Section 18. (a) The board shall prescribe the form of the gaming license, which shall
1388 include, but shall not be limited to, the following license conditions:

1397 gaming establishment in a minimum aggregate amount equal to or greater than 3.5 per cent of
1398 the net gaming revenues derived from the establishment.

1399 (6) No person including, but not limited to, a substantial party in interest, affiliates and
1400 those entities established under the rules and regulations of the state secretary, shall transfer a
1401 license, a direct or indirect real interest, structure, real property, premises, facility, personal
1402 interest or pecuniary interest under a license issued under this chapter or enter into an option
1403 contract, management contract or other agreement or contract providing for such transfer in the
1404 present or future, without notification to, and approval by, the commission. The commission may

1405 promulgate rules and regulations, under section 5, that create exemptions from the approval
1406 requirement; provided, that:

1407 (i) in no event shall a bona fide commercial financial institution licensed by the
1408 division of banks or licensed by another state, or a nationally chartered bank or bank holding
1409 company, which becomes a substantial party of interest with a licensee be considered a
1410 transferee;

1411 (ii) the commission may require the transferor, transferee, or both, to pay to the
1412 board an amount representing the commonwealth's share of the increased value for the
1413 transferred licenses, property or interest; provided, further, that the commission shall consider as
1414 a factor in determining the amount of the payment the market value of said license, property or
1415 interest when it was acquired and at the time of the transfer; provided, further, that the
1416 commission may place additional conditions or restrictions on said transfer that the commission
1417 considers suitable; provided, further, that the commission may reject said transfer if the
1418 commission considers the transfer unsuitable; and

1419 (iii) any payments collected by the board on behalf of the commonwealth based on
1420 said transfer shall be deposited in the same manner as license fees are deposited.

1421 (7) No gaming licensee shall be permitted to change its business governing structure
1422 without notification to and approval of the commission.

1423 (8) No gaming licensee shall operate, invest or own, in whole or in part, another
1424 licensee's license or gaming establishment. The commission shall promulgate rules and
1425 regulations, under section 5, to address violations of this subsection.

1426 (9) Each gaming licensee shall cooperate with the commission, the board and the
1427 attorney general in all gaming-related investigations. Each licensee shall make readily available
1428 all documents, materials, equipment, personnel and any other items requested during all
1429 investigations. Material that the licensee considers a trade secret or detrimental to the licensee if
1430 it were made public may, with the board’s approval, be protected from public disclosure and the
1431 gaming licensee may require non-disclosure agreements with the board before disclosing such
1432 material.

1433 (10) Each gaming licensee shall cooperate with the commission, the board and the
1434 attorney general with respect to the investigation of any criminal matter that is discovered on the

1451 establishment. The board shall establish the minimum requirements for said office.

1452 (15) Each gaming licensee shall provide an office for the designated state police unit
1453 at the gaming establishment. The board shall establish the minimum requirements for square
1454 footage for the state police office, office furnishings and parking space.

1455 (16) Each gaming licensee shall collect and annually report to the board a detailed

1493 individuals' names and contact information from the gaming licensee's database or any other list
1494 held by the gaming licensee for use in marketing or promotional communications.

1495 (27) Each gaming licensee shall meet the requirements under clause (22) of subsection
1496 (a) of section 13 to the satisfaction of the board.

1497 (28) Each gaming licensee shall institute additional public health strategies as required
1498 by the board.

1499 (29) No gaming licensee or gaming establishment shall authorize or conduct direct
1500 marketing and promotional communications relative to gaming targeted towards persons under
1501 the age of 21.

1502 (30) All gaming licensees shall collect and annually report to the board a detailed
1503 statistical report on the number, job titles, salary, gender, race and disability of employees hired
1504 and retained in employment at the gaming establishment.

1505 (31) All gaming licensees shall formulate for board approval and abide by an
1506 affirmative-action program of equal opportunity whereby the licensee guarantees to provide

1507 equal employment opportunities to all employees qualified for licensure in all employment
1508 categories, including persons with a disability, under the laws of the commonwealth.

1509 (32) All gaming licensees shall formulate for board approval and abide by an
1510 affirmative marketing program by which the licensee identifies specific goals, expressed as an
1511 overall program goal applicable to the total dollar amount or value of contracts entered into, for
1512 the utilization of (i) minority business enterprises and women business enterprises to participate
1513 as contractors in the design of the gaming establishment, (ii) minority business enterprises and
1514 women business enterprises to participate as contractors in the construction of the gaming
1515 establishment, and (iii) minority business enterprises and women business enterprises to
1516 participate as vendors in the provision of goods and services procured by the gaming facility and
1517 any businesses operated as part of the gaming establishment. Said specific goals for the
1518 utilization of such minority business enterprises and women business enterprises shall be based
1519 on the availability of such minority business enterprises and women business enterprises engaged
1520 in the type of work to be contracted by the licensee.

1521 (33) All gaming licensees shall formulate for board approval and abide by an
1522 affirmative-action program of equal opportunity whereby the licensee establishes specific goals
1523 for the utilization of minorities and women on said construction jobs; provided that such goals be
1524 equal to or greater than the goals contained in Executive Office of Administration and Finance
1525 Administration Bulletin #14. In furtherance of said specific goals for the utilization of minorities
1526 and women on said construction jobs, the licensee will send to each labor union or representative
1527 of workers with which the licensee or its agent has a collective bargaining agreement or other
1528 contract or understanding a notice advising the labor union or workers' representative of the
1529 licensee's commitments.

1530 (34) All gaming licensees shall provide to the board, on a quarterly basis, a detailed
1531 statistical report on the number, gender and race of individuals hired to perform labor as part of
1532 the construction of the gaming establishment.

1533 (35) All gaming licensees shall collect and annually provide to the board a detailed
1534 statistical report on the total dollar amounts contracted with and actually paid to minority
1535 business enterprises and women business enterprises in (i) design contracts, (ii) construction
1536 contracts) and (iii) contracts for each and every good and service procured by the gaming
1537 establishment. Said statistical report shall also identify the amounts so contracted as a percentage
1538 of total dollar amounts contracted with and actually paid to all firms.

1539 (b) The board may include any reasonable additional requirements to the license
1540 conditions.

1541 Section 19. (a) No person or business shall conduct any business with a gaming licensee
1542 regarding the licensee's gaming establishment unless such person has been licensed by the
1543 commission or registered by the board.

1544 (1) No person or business shall manufacture, sell, distribute or repair gaming
1545 equipment or slot machines, other than antique slot machines as defined in section 5A of chapter
1546 271, without a valid gaming vendor license issued by the commission.

1547 (2) Non-gaming vendors shall be required to register with the board and shall produce
1548 such information as the board may require; provided, however, that the board may require any
1549 vendor otherwise considered a non-gaming vendor, which regularly conducts over \$250,000 of
1550 business with a gaming licensee within a 12 month period, or \$500,000 of business within a 3
1551 year period, to be licensed as a gaming vendor.

1552 (3) The gaming commission shall develop and promulgate regulations to ensure
1553 compliance with federal laws pertaining to immigration and citizenship including, but not limited
1554 to, 42 U.S.C. section 1436(a), by (a) a person receiving funds under a contract awarded by a
1555 gaming licensee regarding the licensee’s gaming establishment and (b) a business engaged in the
1556 construction of any gaming establishment licensed under this chapter. Such regulations shall
1557 include, but not be limited to, ascertaining and verifying immigration and citizenship status
1558 through a work authorization program.

1559 (4) For the purpose of this chapter, “work authorization program” shall mean an
1560 electronic verification of work authorization program or an equivalent work authorization
1561 program operated by the United States Department of Homeland Security, the United States
1562 Department of Labor, the Social Security Administration, other federal agency or by a private
1563 verification system authorized by the director of labor to verify information of newly hired
1564 employees, pursuant to the Immigration Reform and Control Act of 1986 and its successor acts.

1565 (5) No funds shall be expended under a contract awarded by or to a gaming licensee if
1566 such expenditure would result in the payment of any kind to a person not in compliance with any
1567 and all federal laws pertaining to immigration and citizenship, including but not limited to, 42
1568 U.S.C. 1436(a).

1569 (b) Any person seeking a gaming vendor license shall file an application with the board.
1570 Such application shall be on a form prescribed by the board and shall include, but shall not be
1571 limited to, the following:

1572 (1) the name of the applicant;

1573 (2) the mailing address and, if a corporation, the name of the state under the laws of
1574 which the corporation is incorporated, the location of the corporation's principal place of
1575 business and the names and addresses of the corporation's directors and stockholders;

1576 (3) any criminal or arrest record;

1577 (4) any civil judgments obtained against the person pertaining to antitrust or security
1578 regulation;

1579 (5) the identity of every person or entity having a direct or indirect interest in the
1580 business and the nature of such interest; provided that if the entity is a trust, the application shall
1581 disclose the names and addresses of all beneficiaries; provided, further, that if the entity is a
1582 partnership, the names and addresses of all partners, both general and limited; and provided,
1583 further, that if the entity is a limited liability company, the names and addresses of all members;

1584 (6) an independent audit report of all financial activities and interests including, but
1585 not limited to, the disclosure of all contributions, donations, loans or any other financial
1586 transactions to or from any gaming licensee or operator of a gaming establishment in the past 5
1587 years; and

1588 (7) clear and convincing evidence of financial stability including, but not limited to,
1589 bank accounts, records, references, business and personal income and disbursement schedules,
1590 tax returns and other reports filed by government agencies and business and personal accounting
1591 check records and ledgers.

1592 The board may require such other information as it deems appropriate including, without
1593 limitation, information related to the financial integrity of the applicant and may require the
1594 applicant to submit other documentation the board considers appropriate.

1595 (c) Any person owning more than 5 per cent of the common stock of a company required
1596 to be licensed as a gaming vendor, or a holding company, an intermediary company or a
1597 subsidiary of such company, shall be required to file for licensure. The commission may waive
1598 the licensing requirements for institutional investors holding up to 15 per cent of the stock of the
1599 company, holding company, intermediary company or subsidiary, upon a showing by the person
1600 seeking the waiver that the applicant purchased the securities for investment purposes only and
1601 does not have any intention to influence or affect the affairs or operations of the company.
1602 holding company, intermediary company or subsidiary. Any institutional investor granted a
1603 waiver which subsequently determines to influence or affect the affairs or operations of the
1604 gaming vendor, or a holding company, an intermediary company or a subsidiary of the gaming
1605 vendor, shall provide not less than 30 days notice to the board of such intent and shall file an
1606 application and be subject to the licensing requirements of this chapter before taking an action
1607 that may influence or affect the affairs of the applicant company or a holding company, an
1608 intermediary company or a subsidiary of the applicant company.

1609 (d) The board, by a majority vote of all members, may (i) make a recommendation to the
1610 commission that it deny a gaming vendor license application; (ii) extend the period for issuing a
1611 recommendation in order to obtain additional information necessary for a complete evaluation of
1612 the gaming vendor license application; or (iii) recommend to the commission that it grant the
1613 applicant a gaming vendor license.

1614 (e) The board may deny an application for registration of a non-gaming vendor or
1615 supplier if the board finds that an applicant or registrant is disqualified under section 11 or may
1616 be unsuitable for registration under section 14.

1617 (f) The commission or board, in the case of a non-gaming vendor, may condition,
1618 suspend or revoke any license or registration under this section if the commission or board finds
1619 that a licensee or registrant has:

1620 (1) been arrested or convicted of a crime;

1621 (2) failed to comply with section 10; or

1622 (3) failed to comply with this chapter pertaining to licensees.

1623 (g) The board shall establish a master vendor list to monitor all gaming and non-gaming
1624 vendor contracts with a gaming establishment. A vendor doing business with a gaming
1625 establishment which has failed to submit an application for licensure or registration shall be
1626 prohibited from engaging in any future business with a gaming establishment; provided,
1627 however, that the board may terminate any contracts that have been entered into with an
1628 unlicensed or unregistered vendor.

1629 (h) Each gaming licensee shall have a continuing duty to inform the board of all gaming
1630 and non-gaming vendor contracts.

1631 (i) A license or registration issued under this section shall be issued for a term of 3 years.
1632 It shall be the responsibility of the vendor to ensure that the vendor's license or registration is
1633 current.

1634 (j) The board shall establish fees for gaming vendor licenses which shall include costs
1635 incurred for conducting a background investigation into an applicant for said license. The board
1636 shall establish fees for non-gaming vendor registration which shall include costs incurred for
1637 conducting a background investigation into an applicant for said registration.

1638 (k) The board shall monitor the conduct of all gaming vendors and other persons having a
1639 material involvement, directly or indirectly, with a gaming vendor to ensure that gaming vendor
1640 licenses are not issued to, or held by, and there is no direct or indirect material involvement with,
1641 a gaming vendor by unqualified, disqualified or unsuitable persons.

1642 Section 20. (a) Each labor organization, union or affiliate seeking to represent employees
1643 who are employed at a gaming establishment shall register with the board.

1644 (b) Neither a labor organization, nor its officers who are not otherwise licensed or
1645 registered under this chapter, may hold any financial interest in a gaming establishment whose
1646 employees are represented by the organization.

1647 Section 21. (a) A gaming licensee shall be permitted to issue credit to a patron of a
1648 gaming establishment under regulations promulgated under section 5. Such regulations shall
1649 include, but not be limited to: (i) procedures for confirming that a patron has an established
1650 credit history and is in good standing; (ii) whether the patron has a good credit history with the
1651 gaming establishment; (iii) authorization of a credit instrument; (iv) methods for acknowledging
1652 a credit instrument and payment of debt; and (v) information to be provided by the patron to the
1653 gaming establishment to be shared with the board for auditing purposes.

1654 (b) Except as otherwise authorized by the board through regulations under section 5, no
1655 gaming establishment, nor any person acting on behalf of a gaming establishment shall: (1) cash

1656 any check, make any loan or otherwise provide or allow to a person any credit or advance of
1657 anything of value, or which represents value, to enable a person to place a wager; or (2) release
1658 or discharge a debt, either in whole or in part, or make a loan which represents any losses
1659 incurred by a player in gaming activity, without maintaining a written record of the release or
1660 discharge under the rules of the commission. Nothing in this section shall prohibit a gaming
1661 establishment from accepting credit cards for non-gaming related purchases or services.

1662 (c) Checks cashed in conformity with the requirements of this chapter shall be valid
1663 instruments enforceable under the laws of the commonwealth. Any check cashed, transferred,
1664 conveyed or given in violation of this chapter or regulations promulgated under section 5 shall be
1665 invalid and unenforceable.

1666 (c 1/2) The commission shall, in consultation with the department of transitional
1667 assistance, the department of labor and workforce development, the department of housing and
1668 community development or the applicable administering agency, establish by regulation, under
1669 section 5, procedures and standards to prohibit a gaming establishment or any person acting on
1670 behalf of a gaming establishment from: (1) cashing a government-issued check; (2) operating on
1671 its premises any credit card or ATM machine that would allow a patron to obtain cash from a
1672 government-issued Electronic Benefits Transfer Card; and (3) extending or issuing credit to a
1673 patron of a gaming establishment who receives any form of income-based public assistance
1674 including, but not limited to, the Supplemental Nutrition Assistance Program, Temporary
1675 Assistance for Needy Families, Emergency Aid to Elders, Disabled and Children, public housing
1676 assistance, MassHealth and unemployment insurance. The procedures and standards established
1677 shall ensure the privacy of all patrons receiving public assistance.

1678 (d) The commission shall establish by regulation, under section 5, procedures and
1679 standards for approving promotional gaming credits; provided that no such credit shall be
1680 reported as a promotional gaming credit by an operator of a gaming establishment unless the
1681 operator can establish that the credit was issued by the gaming establishment and received from a
1682 patron as a wager at a game in the gaming establishment; provided, further, that such
1683 promotional gaming credit shall not be taxable for the purposes of determining gross revenue.

1684 (e) No person or entity, other than a gaming licensee licensed under this chapter, shall
1685 issue credit to a person while the person is a patron of a gaming establishment.

1686 (f) Debt collections under this section and debt collection regulations promulgated under
1687 section 5 shall be limited to key gaming employees or attorneys acting directly on behalf of
1688 gaming licensees; provided further that a key gaming employee shall be prohibited from making
1689 any such collections if the key gaming employee serves as a junket representative for the gaming
1690 establishment.

1691 (g) On an annual basis, each gaming licensee shall report to the commission the number
1692 of debt collection processes on patrons that the licensee initiates and the total amount recovered
1693 by the licensee. Notwithstanding any general or special laws to the contrary, this report shall be
1694 considered public record.

1695 Section 22. (a) No junkets may be organized or permitted and no person may act as a
1696 junket representative or junket enterprise except as authorized by the board under this chapter.

1697 (b) A junket representative employed by a gaming licensee or affiliate shall be licensed as
1698 a gaming employee; provided, however, that a junket representative need not be a resident of the
1699 commonwealth. A person who holds a valid gaming employee license may act as a junket

1700 representative while employed by a gaming licensee or an affiliate. No gaming licensee shall
1701 employ or otherwise engage a junket representative who is not licensed under this chapter.

1702 (c) The board shall deny an application for a license under this section if the board finds
1703 that an applicant is disqualified under section 11 or may be unsuitable for licensure under section
1704 14.

1705 (d) Each gaming licensee, junket representative or junket enterprise shall file a report
1706 with the board with respect to each list of junket patrons or potential junket patrons purchased
1707 directly or indirectly by the gaming licensee, junket representative or enterprise.

1708 (e) No junket enterprise or junket representative or person acting as a junket
1709 representative shall: (i) engage in efforts to collect upon checks that have been returned by banks
1710 without full and final payment; (ii) exercise approval authority with regard to the authorization or
1711 issuance of credit under this chapter; (iii) act on behalf of or under any arrangement with a
1712 gaming licensee or a gaming patron with regard to the redemption, consolidation or substitution
1713 of the gaming patron's checks awaiting deposit; (iv) individually receive or retain any
1714 fee from a patron for the privilege of participating in a junket; or (v) pay for any services,
1715 including transportation, or other items of value provided to, or for the benefit of, any patron
1716 participating in a junket.

1717 Section 23. (a) No gaming licensee shall offer complimentary services, gifts, cash or
1718 other items of value to any person unless those complimentary services or items are provided
1719 through a complimentary distribution program which shall be filed and approved by the board
1720 upon the implementation of the program or maintained under regulations adopted under section
1721 5.

1722 (b) Gaming licensees shall submit quarterly reports to the board covering all
1723 complimentary services offered or engaged in by the licensee during the immediately preceding
1724 quarter. The reports shall identify regulated complimentary services and the costs of those
1725 services, the number of people who received each service or item and such other information as
1726 the board may require. The report shall also document any services or items valued in excess of
1727 \$2,000 that were provided to patrons, including detailed reasons as to why they were provided.

1728 (c) Complimentary services or items shall be valued in an amount based upon the retail
1729 price normally charged by the gaming licensee for the service or item. The value of a
1730 complimentary service or item not normally offered for sale by a gaming licensee or provided by
1731 a third party on behalf of a gaming licensee shall be the cost to the gaming licensee of providing
1732 the service or item, as determined under rules adopted by the commission.

1733 Section 24. (a) Upon revocation or suspension of a gaming license under section 26 or
1734 upon the failure or refusal to renew a gaming license the commission may appoint a conservator
1735 to temporarily manage and operate the business of the licensee relating to the gaming
1736 establishment. Such conservator shall be a person of similar experience in the field of gaming
1737 management and, in the case of replacing a gaming licensee, shall have experience operating a
1738 gaming establishment of similar caliber in another jurisdiction, and shall be in good standing in
1739 all jurisdictions in which the conservator operates a gaming establishment. Upon appointment, a
1740 conservator shall agree to all licensing provisions of the former licensee.

1741 (b) A conservator shall, before assuming managerial or operational duties, execute and
1742 file a bond for the faithful performance of such duties payable to the board with such surety and
1743 in such form and amount as the board shall approve.

1744 (c) The board shall require that the former or suspended licensee purchase liability
1745 insurance, in an amount determined by the board, to protect a conservator from liability for acts
1746 or omissions of the conservator during the conservator's appointment reasonably related to, and
1747 within the scope of, the conservator's duties.

1748 (d) During the period of temporary management of the gaming establishment in the case
1749 of a revocation of or a failure or refusal to renew the gaming license, the commission shall
1750 initiate proceedings under this chapter to award a new gaming license to a qualified applicant
1751 whose gaming establishment shall be located at the site of the preexisting gaming establishment.

1752 (e) Applicants for a new gaming license shall be qualified for licensure under this
1753 chapter; provided, however, that the commission shall determine an appropriate level of
1754 investment by an applicant into the preexisting gaming establishment.

1755 (f) Upon award of a new gaming license, the new gaming licensee shall pay the licensing
1756 fee.

1757 Section 25. (a) There shall be within the board an investigations and enforcement bureau,
1758 which shall be the primary enforcement agent for regulatory matters under this chapter. The
1759 bureau shall perform such functions as the chair of the board determines in relation to
1760 enforcement, including the investigations of all licensees under this chapter. The bureau shall be
1761 under the supervision and control of the deputy director for investigations and enforcement. The
1762 deputy director shall be the executive and administrative head of the bureau and shall be
1763 responsible for administering and enforcing the law relative to the bureau and to each
1764 administrative unit of the bureau. The duties given to the deputy director in this chapter and in

1765 any other general or special law shall be exercised and discharged subject to the direction,
1766 control and supervision of the chair of the board.

1767 (b) The bureau shall be a law enforcement agency and its employees shall have such law
1768 enforcement powers as to effectuate the purposes of this chapter, including the power to receive
1769 intelligence on an applicant or licensee under this chapter and to investigate a suspected violation
1770 of this chapter.

1771 (c) Officers and employees of the gaming enforcement unit of the state police assigned to
1772 the commission under section 70 of chapter 22C shall work with employees of the bureau, under
1773 the direction of the deputy director, to investigate violations of this chapter by a licensee under
1774 this chapter or any activity taking place on the premises of a gaming establishment. Officers
1775 assigned to work with the bureau shall record their time and submit total hours to the bureau. The
1776 board shall reimburse the state police.

1777 (d) The bureau shall notify the division of gaming enforcement in the office of the
1778 attorney general of any criminal violations by a gaming licensee. The bureau and the division
1779 shall cooperate on the regulatory and criminal enforcement of this chapter and may determine
1780 whether to proceed with civil or criminal sanctions, or both against said licensee.

1781 (e) To further effectuate the purposes of this chapter with respect to the investigation and
1782 enforcement of licensed gaming establishments and licensees, the bureau may obtain or provide
1783 pertinent information regarding applicants or licensees from or to law enforcement entities or
1784 gaming authorities and other domestic, federal or foreign jurisdictions, including the Federal
1785 Bureau of Investigation, and may send or receive such information electronically.

1786 (f) The gaming enforcement unit of the state police shall have exclusive police
1787 jurisdiction of any criminal activity relating to the operation of a gaming establishment or
1788 relating to games or gaming that occurs inside a gaming establishment; provided, however, that
1789 the state police shall have concurrent jurisdiction with the law enforcement agency of the host
1790 community on all other policing matters and, in consultation with the board, shall execute a
1791 memorandum of understanding with the law enforcement agency of the host community that
1792 shall include, but not be limited to, procedures involving: (i) assignment of police officers of the
1793 host community to the gaming enforcement unit of the state police; (ii) first responder calls from
1794 the gaming establishment; (iii) emergencies occurring within the gaming establishment,
1795 including the gaming area; and (iv) criminal investigations involving employees or patrons of the
1796 gaming establishment.

1797 Section 26. (a) The board shall have the authority to issue orders requiring persons to
1798 cease activity which violates this chapter, a regulation adopted under this chapter or a law related
1799 to gaming in the commonwealth. The board may, in its order, require compliance with such
1800 terms and conditions as are reasonably necessary to effectuate the purposes of this chapter.

1801 (b) If the board finds, under the procedures established in this section and the regulations
1802 adopted under section 5, that a person is not in compliance with an order issued under this
1803 section, it shall assess a civil administrative penalty on such person under the regulations adopted
1804 under section 5. The penalty may be assessed whether or not the violation was willful. In
1805 determining the amount of the civil penalty, the board shall consider: (i) the nature of the
1806 violation; (ii) the length of time the violation occurred; (iii) the risk to the public and to the
1807 integrity of gaming operations created by the conduct of the person; (iv) the seriousness of the
1808 conduct of the person; (v) any justification or excuse for such conduct by the person; (vi) the

1809 prior history of the particular person involved with respect to gaming activity; (vii) any
1810 corrective action taken by person to prevent future misconduct; and (viii) other relevant factors.

1811 (c) In addition to collecting any civil penalties recoverable under this chapter or any other
1812 general or special law, the board may bring an action in the superior court to restrain, prevent or
1813 enjoin any conduct prohibited by this chapter or to compel action to comply immediately and
1814 fully with an order issued by the bureau. Except in the case of an emergency during which, in the
1815 opinion of the court, immediate abatement of the unlawful conduct is required to protect the
1816 public interest, the court may in its decree fix a reasonable time during which the person
1817 responsible for the unlawful conduct may abate and correct the violation. The expense of the
1818 proceeding shall be recoverable from the subject of the proceeding.

1819 (d) Upon a recommendation from the board, the commission may issue orders to
1820 condition, suspend or revoke a license or permit issued under this chapter.

1821 (e) The board may issue an order requiring a licensee to cease and desist any activity if
1822 the board finds that a licensee has engaged in or is about to engage in an act or practice which
1823 constitutes a violation of this chapter or the laws of the commonwealth and may take such
1824 affirmative action as is necessary to effectuate the order. If the board finds that the licensee is
1825 engaged in an act or practice that would cause irreparable harm to the security and integrity of
1826 the gaming establishment or the interests of the commonwealth in ensuring the security and
1827 integrity of gaming under this chapter, the board may issue a temporary suspension of the
1828 license.

1829 (f) Any licensee who has been issued a temporary order of suspension by the board shall
1830 be entitled to a hearing before the commission on such suspension within 7 days of the day on

1831 which the order was issued. At the conclusion of the hearing, the commission may issue a final
1832 order to condition, suspend or revoke the license in question.

1833 (g) Any licensee shall have the right to an adjudicatory hearing under chapter 30A on an
1834 order issued by the board.

1835 Section 27. (a) The board may assess a civil administrative penalty on a licensee or
1836 registrant who fails to comply with any provision of this chapter or any regulation or order
1837 adopted by the commission; provided, however, that such noncompliance occurred after the
1838 board had given the licensee or registrant written notice of such noncompliance and the time
1839 stated in the notice for coming into compliance had elapsed. The board may assess a civil
1840 administrative penalty on a licensee or registrant without providing written notice of such
1841 noncompliance if the failure to comply: (i) was part of a pattern of noncompliance and not an
1842 isolated instance; (ii) was willful or neglectful and not the result of error; (iii) resulted in a
1843 significant breach to the integrity of the gaming establishment or gaming laws of the
1844 commonwealth; and (iv) consisted of failure to promptly report to the board any knowledge of
1845 evidence or circumstances that would cause a reasonable person to believe that a violation of this
1846 chapter had been committed. The civil administrative penalty shall be in addition to any other
1847 civil penalty that may be prescribed by law.

1848 (b) For the purpose of determining whether such noncompliance was part of a pattern of
1849 noncompliance and not an isolated instance, the board shall consider without limitation the
1850 following: (i) whether the board had previously notified the person of such noncompliance on
1851 more than 1 occasion during the previous month or of any noncompliance similar to the current
1852 noncompliance during the previous 6 months; or (ii) whether the current and previous instances

1853 of noncompliance, considered together, indicate a potential threat to the integrity of the gaming
1854 establishment and gaming in the commonwealth or an interference with the commission's ability
1855 to efficiently and effectively regulate gaming in the commonwealth and enforce any regulation,
1856 license or order. If a licensee or registrant who has received a notice of noncompliance fails to
1857 come into compliance within the time period stated in such notice, the civil administrative
1858 penalty may be assessed by the board upon such licensee or registrant from the date of receipt of
1859 such notice.

1860 (c) Whenever the board seeks to assess a civil administrative penalty on a licensee or
1861 registrant, the board shall cause to be served upon such licensee or registrant, either by service in
1862 hand or by certified mail, return receipt requested, a written notice of the board's intent to assess
1863 a civil administrative penalty which shall include:

1864 (1) a concise statement of the alleged act or omission for which the board seeks to
1865 assess the civil administrative penalty;

1866 (2) each law, regulation, order, license or approval which has not been complied with
1867 as a result of the alleged act or omission;

1868 (3) the amount which the board seeks to assess as a civil administrative penalty for
1869 each such alleged act or omission;

1870 (4) a statement of the licensee's or registrant's right to an adjudicatory hearing on the
1871 proposed assessment;

1872 (5) the requirements such licensee or registrant shall comply with to avoid waiving the
1873 licensee's or registrant's right to an adjudicatory hearing; and

1874 (6) the manner of payment of the penalty if the licensee or registrant elects to pay the
1875 penalty and waive an adjudicatory hearing.

1876 After written notice of noncompliance or intent to assess a civil administrative penalty
1877 has been given, each subsequent day during which such noncompliance occurs or continues shall
1878 constitute a separate offense and may be subject to a separate civil administrative penalty if
1879 reasonable efforts have not been made by the licensee or registrant to promptly come into
1880 compliance.

1881 (d) Whenever the board seeks to assess a civil administrative penalty on a licensee or
1882 registrant, such licensee or registrant shall have the right to an adjudicatory hearing. Chapter 30A
1883 shall apply to adjudicatory hearings under this chapter; provided, however, that if there is a
1884 conflict between this chapter and said chapter 30A, this chapter shall govern.

1885 (e) A licensee or registrant shall be deemed to have waived the licensee's or registrant's
1886 right to an adjudicatory hearing unless, within 21 days of the date of the board's notice that it
1887 seeks to assess a civil administrative penalty, the licensee or registrant files with the board a
1888 written statement denying the occurrence of the acts or omissions alleged by the board in such
1889 notice or asserting that the amount of the proposed civil administrative penalty is excessive. In an
1890 adjudicatory hearing the board shall be required to prove the occurrence of each act or omission
1891 alleged by the board by a preponderance of the evidence.

1892 (f) If a licensee or registrant waives the licensee's or registrant's right to an adjudicatory
1893 hearing, the proposed civil administrative penalty shall be final immediately upon such waiver. If
1894 a civil administrative penalty is assessed at the conclusion of an adjudicatory hearing, the civil

1895 administrative penalty shall be final upon the expiration of 30 days if no action for judicial
1896 review of the decision is commenced under chapter 30A.

1897 (g) A licensee or registrant who institutes proceedings for judicial review of the final
1898 assessment of a civil administrative penalty shall place the full amount of the final assessment in
1899 an interest-bearing escrow account in the custody of the clerk or magistrate of the reviewing
1900 court. The establishment of such an interest-bearing escrow account shall be a condition
1901 precedent to the jurisdiction of the reviewing court unless the party seeking judicial review
1902 demonstrates in a preliminary hearing held within 30 days of the filing of the complaint an
1903 inability to pay. Upon such a demonstration, the court may grant an extension or waiver of the
1904 interest-bearing escrow account or may require, in lieu of such interest-bearing escrow account,
1905 the posting of a bond payable directly to the commonwealth in the amount of 125 per cent of the
1906 assessed penalty.

1907 (1) If, after judicial review, in a case where the requirement for an escrow account has
1908 been waived, and in cases where a bond has been posted in lieu of such requirement, the court
1909 affirms, in whole or in part, the assessment of a civil administrative penalty the board shall be
1910 paid the amount of the penalty together with interest at the rate set forth in section 6C of chapter
1911 231.

1912 (2) If, after such review in a case where an interest-bearing escrow account has been
1913 established, the court affirms the assessment of such penalty, in whole or in part, the board shall
1914 be paid the amount of the penalty together with the accumulated interest on the amount of the
1915 penalty in such interest-bearing escrow account.

1916 (3) If the court sets aside the assessment of a civil administrative penalty in a case
1917 where the amount of such penalty has been deposited in an interest-bearing escrow account, the
1918 licensee or registrant on whom the civil administrative penalty was assessed shall be repaid the
1919 amount so set aside, together with the accumulated interest on the amount deposited.

1920 (h) Each licensee or registrant who fails to pay a civil administrative penalty in a timely
1921 fashion, and each person who issues a bond under this section and who fails to pay to the board
1922 in a timely fashion the required amount, shall be liable to the commonwealth for up to 3 times
1923 the amount of the civil administrative penalty, or the amount of economic benefit realized by the
1924 licensee or registrant as a result of noncompliance, whichever is greater, together with costs, plus
1925 interest from the time the civil administrative penalty became final and attorneys' fees, including
1926 all costs and attorneys' fees incurred directly in the collection of the penalty. The rate of interest
1927 shall be the rate set forth in section 6C of chapter 231.

2002 may be treated as a single offense and the amounts involved in acts of swindling and cheating
2003 committed according to a scheme or course of conduct, whether by the same person or several

2049 Section 35. (a) The board shall, by regulation promulgated under section 5, provide for
2050 the establishment of a list of excluded persons who are to be excluded or ejected from a gaming
2051 establishment. In determining the list of excluded persons, the board may consider, but shall not
2052 be limited to:

2053 (1) whether a person has been convicted of a criminal offense under the laws of any
2054 state or the United States that is punishable by more than 6 months in prison, a crime of moral
2055 turpitude or a violation of the gaming laws of any state;

2056 (2) whether a person has violated or conspired to violate this chapter relating to:

2057 (i) failure to disclose an interest in a gaming establishment for which the person
2058 must obtain a license; or

2059 (ii) willful evasion of fees or taxes;

2060 (3) whether a person has a notorious or unsavory reputation which would adversely
2061 affect public confidence and trust that the gaming industry is free from criminal or corruptive
2062 elements; and

2063 (4) the potential of injurious threat to the interests of the commonwealth in the gaming
2064 establishment.

2065 (b) No person shall be placed on the list of excluded persons due to race, color, religion,
2066 national origin, ancestry, sexual orientation, disability or sex.

2068 such establishment knowingly fails to exclude or eject from its premises any person placed by
2069 the commission on the list of excluded persons.

2070 (d) Whenever the board places a name on the list of excluded persons, the board shall
2071 serve written notice upon that person by personal service, registered or certified mail return
2072 receipt requested to the last ascertainable address, or by publication in a daily newspaper of
2073 general circulation for 1 week.

2074 (e)(1) Within 30 days of receipt of service by mail or 60 days after the last publication
2075 under subsection (d), a person placed on the list of excluded persons may request an adjudicatory
2076 hearing before the commission under chapter 30A and show cause as to why the person should
2077 be removed from the list of excluded persons. Failure to demand a hearing within the time
2078 allotted in this section shall preclude the person from having an administrative hearing, but in no
2079 way affect the person's right to petition for judicial review.

2080 (2) Upon receipt of a demand for hearing, the commission shall set a time and place
2081 for the hearing. This hearing shall be held not later than 30 days after receipt of the demand for
2082 the hearing, unless the time of the hearing is changed by agreement of the commission and the
2083 person demanding the hearing.

2084 (3) If, upon completion of the hearing, the commission determines that the person was
2085 wrongfully placed on the list of excluded persons, the commission shall remove the person's
2086 name from the list of excluded persons and notify all gaming licensees. A person aggrieved by a
2087 final decision of the commission in an adjudicatory proceeding under this section may petition
2088 for judicial review under section 14 of chapter 30A.

2089 (f) The board shall establish a list of self-excluded persons from gaming establishments.
2090 A person may request such person's name to be placed on the list of self-excluded persons by
2091 filing a statement with the board acknowledging that the person is a problem gambler and by
2092 agreeing that, during any period of voluntary exclusion, the person may not collect any winnings
2093 or recover any losses resulting from any gaming activity at a gaming establishment. The
2094 commission shall adopt further regulations, under section 5, for the self-excluded persons list
2095 including procedures for placement, removal and transmittal of such list to gaming
2096 establishments.

2097 (g) Gaming establishments shall not market to persons on the excluded persons list and
2098 shall deny access to complimentaries, check cashing privileges, club programs and other similar
2099 benefits to persons on the self-excluded persons list.

2100 (h) Notwithstanding any other law to the contrary, the self-excluded persons list shall not
2101 be open to public inspection. Nothing in this section, however, shall prohibit a gaming

2102 establishment from disclosing the identity of persons on the self-excluded persons list under this
2103 section to affiliated gaming establishments in this commonwealth or other jurisdictions for the
2104 limited purpose of assisting in the proper administration of responsible gaming programs
2105 operated by affiliated gaming establishments.

2106 (i) As used in this subsection the following words shall, unless the context clearly
2107 requires otherwise, have the following meanings:-

2108 (1) “Problem gambler”, a person who chronically or habitually gambles to the extent
2109 that: (1) such gambling substantially interferes with the person’s social or economic functioning;
2110 or (2) the person has lost the power of self-control over such person’s gambling.

2111 (2) “Relative”, the father or mother of an individual; a stepfather, stepmother,
2112 stepbrother, stepsister or any blood relative of an individual, including those of the half blood,
2113 except cousins who are more distantly related than first cousins; an adoptive relative of equal
2114 propinquity to the foregoing; or a spouse of any such persons.

2115 A police officer, physician, spouse, relative, guardian or court official may petition, in
2116 writing, a district court for an order of exclusion from gaming establishments applicable to a
2117 person whom the petitioner has reason to believe is a problem gambler. Upon receipt of a
2118 petition for an order of exclusion of a person and any sworn statements the court may request
2119 from the petitioner, the court shall immediately schedule a hearing on the petition and shall cause
2120 a summons and a copy of the petition to be served upon the person as provided by section 25 of
2121 chapter 276. The person may be represented by legal counsel and may present independent
2122 expert or other testimony. The court shall order examination by a qualified psychologist.

2123 If, after a hearing, the court based upon competent testimony finds that said person is a
2124 problem gambler and there is a likelihood of serious harm as a result of the person's gambling,
2125 the court may order that such person be prohibited from gaming in gaming establishments. The
2126 court shall communicate this order to the board, which shall place the person's name on the list
2127 of excluded persons.

2128 (j) A person who is prohibited from gaming in a gaming establishment under this section
2129 shall not collect any winnings or recover losses arising as a result of prohibited gaming.
2130 Winnings obtained by a person who is prohibited from gaming in a gaming establishment shall
2131 be forfeited to the board.

2132 (k) A person who enters the premises of a gaming establishment after having been placed
2133 on the list of excluded persons, without first having obtained a determination by the commission
2134 that such person should not have been placed on the list of excluded persons, shall be punished
2135 by imprisonment in a jail or house of correction for not more than 2½ years or by a fine of not
2136 more than \$10,000, or both.

2137 (l) The board shall pursue an interstate compact for the purposes of sharing information
2138 regarding the excluded persons list.

2139 Section 36. A gaming establishment offering a cashless wagering system shall allow
2140 individuals to monitor and impose betting limits on their cashless wagering. The gaming
2141 establishment shall allow individuals to set betting limits on their cashless wagering including,
2142 but not limited to, per bet limits, hourly limits, daily limits, weekly limits and monthly limits. An
2143 individual may lower limits and increase limits; provided that the player shall not increase
2144 betting limits more than once in a 24 hour period. Upon request by an individual, the gaming

2145 establishment shall provide to that individual a statement of that individual's cashless wagering
2146 activity for any given time period including total bets, wins and losses. Activity under this
2147 section shall be monitored by the board. Individuals on the list of excluded persons or list of self-
2148 excluded persons shall not be permitted to participate in a cashless wagering system.

2149 Section 37. A liability to the commonwealth under this chapter shall constitute a debt to
2150 the commonwealth. Once a statement naming a licensee is recorded, registered or filed, any such
2151 debt shall constitute a lien on all commercial property owned by a gaming licensee in the
2152 commonwealth and shall have priority over an encumbrance recorded, registered or filed with
2153 respect to any site.

2154 Section 38. (a) Prior to disbursement of cash or prizes in excess of \$600, a licensee shall
2155 review information made available by the IV-D agency, as set forth in chapter 119A, and by the
2156 department of revenue to ascertain whether the winner of the cash or prize owes past due child
2157 support to the commonwealth or to an individual to whom the IV-D agency is providing services,
2158 and to ascertain whether the winner of the cash or prize owes any past due tax liability to the
2159 commonwealth.

2160 (b) If the winner of the cash or prize owes past due child support or a past due tax
2161 liability, the licensee shall notify the IV-D agency or the commonwealth, respectively, of the
2162 winner's name, address and social security number. Subsequent to statutory and federal tax
2163 withholding, the licensee shall first disburse to the IV-D agency the full amount of the cash or
2164 prize or such portion of the cash or prize that satisfies the winner's past due child support
2165 obligation.

2166 (c) If funds remain available after the disbursement to the IV-D agency, or if no such
2167 obligation to the IV-D agency is owed, the licensee shall disburse to the department of revenue
2168 the full amount of the cash or prize or such portion of the cash or prize that satisfies the winner's
2169 past due tax liability.

2170 (d) The licensee shall disburse to the winner only that portion of the cash or prize, if any,
2171 remaining after the winner's past due child support obligation and the winner's past due tax
2172 liability have been satisfied.

2173 Section 39. Gaming licensees shall, on a monthly basis, transmit to the department of
2174 transitional assistance and to the IV-D agency, as set forth in chapter 119A, a list of all persons
2175 who were awarded cash winnings, or a prize, valued in excess of \$600.00 in the prior month. The
2176 information shall be provided in a format which is compatible with the automated data
2177 processing systems of said department and said agency, to ensure the immediate identification of
2178 persons who may be receiving public assistance benefits. The information provided shall include
2179 the name, address and social security number of the person who was awarded the cash or prize
2180 valued in excess of \$600.00.

2181 Section 40. Unclaimed cash and prizes shall be retained by the gaming licensee for the
2182 person entitled to the cash or prize for 1 year after a game in which the cash or prize was won. If
2183 no claim is made for the cash or prize within 1 year, the cash or equivalent cash value of the
2184 prize shall be deposited with the board.
