An Act to provide for the denial of driver's licenses for truants..

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           SECTION 1. Chapter 90 of the General Laws, as appearing in the 2000 Official Edition,  
2 is hereby amended by inserting after section 8L the following section:-

3           8M. The application for a license to operate a motor vehicle or for a junior operator’s  
4 license or a learner’s permit shall be signed by a parent or guardian, or by another responsible  
5 adult, if there is no parent or guardian and such signature shall be notarized. The registrar may  
6 issue said license or permit if the applicant provides certification from his school committee that  
7 said applicant:

8           (1) has received a high school diploma, a high school general educational development  
9 (GED) equivalency diploma, a special diploma, or a certificate of high school completion;

10           (2) is enrolled in a public or private school and satisfies relevant attendance and academic  
11 requirements;

12 (3) is enrolled in a study course in preparation for the test of general educational  
13 development and satisfies relevant attendance requirements;

14 (4) is enrolled in a home education program that satisfies the requirements of all state  
15 laws governing such courses;

16 (5) is enrolled in a postsecondary vocational program or a postsecondary adult vocational  
17 program and satisfies relevant attendance requirements;

18 (6) is enrolled in a job training program and satisfies relevant attendance requirements;

19 (7) is enrolled in other educational activities approved by the school committee and  
20 satisfies relevant attendance requirements;

21 (8) is disabled and medically unable to pursue any of the educational programs  
22 enumerated in paragraphs (1) through (7) of this subsection; or

23 (9) has a parent who is totally disabled and said parent needs the minor to perform  
24 services which prevent the minor from engaging in the educational activities enumerated in  
25 paragraphs (1) to (7), inclusive.

26 An applicant shall provide written certification of compliance with the above or a waiver  
27 of such requirements to the registrar. Such certification shall be obtained from the school  
28 committee of his district. If the applicant is enrolled in or graduated from a non-public school,  
29 the certification shall be obtained from the headmaster of such school. The school committee or  
30 headmaster shall not certify non-compliance until and unless the school administration has  
31 completed the following escalating activities to determine the cause and to attempt the  
32 remediation of the applicant's failure to satisfy relevant attendance requirements:—

33 (1) One or more meetings shall be held between a school attendance professional or a  
34 school social worker, the applicant's parents, guardian or responsible adult as determined by the  
35 school committee or headmaster and the applicant to report and to attempt to solve the  
36 attendance problem. However, if the school attendance professional or school social worker has  
37 documented the refusal of the parent or guardian to attend the meeting after a reasonable period  
38 of time has elapsed, then this requirement shall be deemed to have been met and the school  
39 administration shall proceed to the next escalating activity; and

40 (2) Educational counseling and evaluation shall be provided to the applicant to attempt to  
41 identify the specific condition, if any, that is contributing to the attendance problem and to  
42 determine whether curriculum changes would help solve the attendance problem. If any changes  
43 are indicated, such changes shall be instituted. If counseling is proven unsuccessful in remedying  
44 the attendance problem or if the minor fails to participate, this requirement shall be deemed to  
45 have been met. Such curriculum changes may include enrollment of the minor in a dropout  
46 prevention program meeting the specific educational and behavioral needs of the applicant. The  
47 burden of proof shall be on the applicant to prove he has complied with the requirements of this  
48 section. The school committee or headmaster may comply with the reporting requirements of this  
49 section by providing a certified copy of the applicant's academic and attendance records.  
50 Nothing in this section shall be construed to require the school committee or headmaster to  
51 compile or create any additional records not otherwise maintained by them. The school  
52 committee or headmaster may charge a fee not to exceed \$20 for providing certification to the  
53 registrar that the applicant has complied with the requirements of this section. The school  
54 committee or headmaster may comply with the certification requirements of this section by  
55 executing the following form to include the name of the applicant: — is enrolled in a public or

56 private school and satisfies relevant attendance and academic requirements. Said form shall be  
57 signed by a designated official of the school committee or by the headmaster. The school  
58 committee or headmaster shall have the sole discretion to determine compliance with the  
59 requirements of this section. A school committee or headmaster shall grant a waiver of the  
60 requirements of this section for any applicant under its jurisdiction for whom a personal or  
61 family hardship requires that such applicant have a driver's license to provide for his personal or  
62 family employment. The school committee or headmaster shall take into consideration the  
63 recommendation of school officials, guidance counselors and academic advisors prior to granting  
64 a waiver.
