SENATE No. 1996

By Mr. Rodrigues, a petition (accompanied by bill, Senate, No.) of Michael J. Rodrigues, Michael Moore, Michael Knapik, William "Smitty" Pignatelli and other members of the General Court for legislation relative to the use of off-highway and recreation vehicles. Transportation.

The Commonwealth of Massachusetts

In the Year Two Thousand Eleven

An act relative to the use of off-highway and recreation vehicles.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 Section 1. Section 21 of said chapter 90B, as amended by section 7 of said
2 chapter 202, is hereby amended by striking out the first sentence and inserting in place thereof
3 the following sentence:-

4 No person under 18 years of age shall operate a recreation vehicle, unless they have
5 successfully completed a recreation vehicle education safety and responsibility course approved
6 by the director of law enforcement. The director shall have the authority to exempt participants
7 of a sanctioned race, rally or event from the requirements of this section.

8 Section 2. Section 22 of said chapter 90B, as amended by section 8 of said
9 chapter 202, is hereby amended by striking out the first paragraph and inserting in place thereof
10 the following paragraph:-

11 No person shall operate a snow vehicle or a recreation vehicle unless the vehicle has been
12 registered in accordance with this chapter, unless such vehicle is being operated on land owned
13 by the owner of the vehicle, and a registration number assigned by the director is displayed on
14 the vehicle. The registration number shall be painted or by means of a decal or sticker which is
15 firmly attached to both sides of the cowling of the vehicle and located so that both are clearly
16 visible and not obstructed. Off-highway motorcycles without suitable cowling may locate
17 registration numbers on the forward suspension components so as they are clearly visible on both
18 sides of the vehicle. The registration number displayed shall be not less than 3 inches in height
19 and not less than one-half inch in width and shall be in a color that is in marked and distinct
20 contrast to the background to which the number is applied. The registration number shall be
21 maintained in a legible condition at all times. A motor vehicle license or learner's permit shall
22 not be required for the operation of a snow vehicle or a recreation vehicle. The director shall
23 have the authority to exempt participants of a sanctioned race, rally or event from the
24 requirements of this section.

25 Section 3. Section 24 of said chapter 90B, as amended by section 10 of said
26 chapter 202, is hereby amended by striking out the second paragraph and inserting in place
27 thereof the following paragraph:-

28 No snow vehicle or recreation vehicle shall be operated which emits noxious fumes or
29 makes unusual or excessive noise. No snow vehicle or recreation vehicle manufactured on or
30 after January 1, 1998, shall be operated on publicly-owned property that produces a sound
31 pressure level of more than 96 decibels when measured from a distance of 20 inches using test
32 procedures established by the Society of Automotive Engineers under Standard J1287 JUL98.
33 No snow vehicle or recreation vehicle manufactured prior to January 1, 1998, shall be operated

34 on publicly-owned property that produces a sound pressure level of more than 101 decibels when
35 measured from a distance of 20 inches using test procedures established by the Society of
36 Automotive Engineers under Standard J1287 JUL98. This section shall not apply to snow
37 vehicles or recreation vehicles on a privately owned track or closed course as permitted by local
38 municipal authority.
