

SENATE No. 2101

90 hold the office of treasurer of the collaborative.

91 The board of directors of an education collaborative may borrow money, enter into long-
92 term or short-term loan agreements or mortgages and apply for state, federal or corporate grants
93 or contracts to obtain funds necessary to carry out the purpose for which such collaborative is
94 established; provided, however, that the board of directors has determined that any borrowing,
95 loan or mortgage is cost-effective and in the best interest of the collaborative and its member

97 the written agreement and articles of incorporation of the education collaborative and shall be
98 consistent with standard lending practices. The board of directors of an education collaborative
99 shall notify each member school committee and charter school board within 30 calendar days of

The department, the state auditor and the department of revenue may review or audit any part of an education collaborative's records to ascertain whether the student, personnel and financial data reported by a collaborative are accurate, to ensure that the collaborative is complying with the applicable laws and regulations and to determine whether the collaborative is maintaining effective controls over revenues, expenditures, assets and liabilities. The department may enter into an interdepartmental service agreement with the operational services division to assist in reviewing collaborative finances.

Each board of directors of an education collaborative shall annually prepare financial statements, including: (1) a statement of net assets; (2) a statement of revenues, expenditures and changes in net assets; and (3) such supplemental statements and schedules as may be required by regulation. Each board of directors of an education collaborative shall annually cause an independent audit to be made of its financial statements consistent with generally accepted governmental auditing standards and shall discuss and vote to accept the audit report at an open meeting of the board. Each board of directors shall file such audit report and any related

management letters annually on or before October 1 for the previous fiscal year with the department and the state auditor, and shall transmit a copy of such audit report and any related management letters to each member school committee and charter school board. The purchase by a government unit of social service programs, as defined in section 22N of chapter 7, from a collaborative, shall also require the collaborative to adhere to the uniform system of financial accounting, allocation, reporting and auditing requirements of the bureau of purchased services of the operational services division, in accordance with the requirements of said section 22N of said chapter 7.

The audited financial statements, accompanying notes and supplemental schedules shall disclose: (1) transactions between the education collaborative and any related for-profit or non-profit organization; (2) transactions or contracts related to the purchase, sale, rental or lease of real property; (3) the names, duties and total compensation of the 5 most highly compensated employees; (4) the amounts expended on administration and overhead; (5) any accounts held by the collaborative that may be spent at the discretion of another person or entity; (6) the amounts expended on services for individuals age 22 and older; and (7) any other items as may be required by regulation.

The department shall also be responsible for making information from the audits publicly available online, in a searchable format; provided, however, that the department may designate the state agency with whom the department enters into an interdepartmental service agreement as the party responsible for making such information publicly available online.

(e) Each education collaborative shall submit an annual report, not later than October 1 for the previous fiscal year, to the commissioner, to each member school committee and to each

member charter school board. The annual report shall be in such form as may be prescribed by the board of elementary and secondary education and shall include, but not be limited to: (1) information on the programs and services provided by the education collaborative, including discussion of the cost-effectiveness of such programs and services and progress made towards achieving the objectives and purposes set forth in the collaborative agreement; and (2) audited financial statements and the independent auditor's report, as described in subsection (d). Each education collaborative shall publish such annual report on its internet website and shall provide a printed hard copy of the most recent annual report to members of the public upon request.

(f) The board of directors of the education collaborative may employ an executive officer who shall serve under the general direction of the board and who shall be responsible for the care and supervision of the education collaborative. Said executive officer shall not serve as a board member, officer or employee of any related for-profit or non-profit organization.

The board of directors of the education collaborative shall be considered to be a public employer and may employ personnel, including teachers, to carry out the purposes and functions of the education collaborative. No person shall be eligible for employment by the education collaborative in a position that is covered by section 38G of chapter 71 unless the person has been granted a certificate by the commissioner under section 38G of chapter 71 or an approval under the regulations promulgated by the board of elementary and secondary education under chapter 74 with respect to the type of position for which the person seeks employment; provided, however, that nothing in this subsection shall be construed to prevent a board of directors of an education collaborative from prescribing additional qualifications. A board of directors of an education collaborative may, upon its request, be exempted by the commissioner for any 1 school year from the requirements of this section to employ certified or approved personnel

when compliance with this subsection would in the opinion of the commissioner constitute a great hardship. No employee of an education collaborative shall be employed at any related for-profit or non-profit organization.

(g) The trustee, trustees or governing board of any related for-profit or non-profit organization shall file a copy of the annual written report for the preceding fiscal year as required under section 8F of chapter 12, including all attachments and schedules, with the commissioner within 10 days of filing said report with the attorney general; provided that any related for-profit or non-profit organization not required to submit a complete audited financial statement under section 8F of chapter 12 shall file a copy of said statement with the commissioner by October 1 for the preceding fiscal year. The audited financial statement shall be prepared and examined by an independent certified public accountant in accordance with generally accepted auditing standards for the purpose of expressing an opinion on the audited financial statement.

(h) The education collaborative shall be considered to be a public entity and shall have standing to sue and be sued to the same extent as a city, town or regional school district. An education collaborative, acting through its board of directors, may, subject to chapter 30B, enter into contracts for the purchase of supplies, materials and services and for the purchase or leasing of land, buildings and equipment as considered necessary by the board of directors.

A school committee of a city, town or regional school district or charter school board may authorize the prepayment of monies for an educational program or service of the education collaborative to the treasurer of an education collaborative, and the city, town or regional school district or charter school treasurer shall be required to approve and pay the monies in accordance with the authorization of such school committee or charter school board.

(i) Each education collaborative shall establish and maintain an internet website that allows the public at no cost to search for and obtain: (1) a list of the members of the board of directors of the education collaborative; (2) copies of the minutes of open meetings held by the board of directors, which shall be posted within 30 days after the board has approved such minutes; (3) a copy of the written agreement and any subsequent amendments to the agreement; and (4) a copy of the annual report required under subsection (e).

(j) The department shall annually furnish a supplemental report on the Massachusetts Comprehensive Assessment System performance results of students served by each education collaborative.

(k) The department shall, at least once every 6 years, review and evaluate the programs and services provided by each education collaborative. Such review shall, at a minimum, assess compliance with the written agreement and any conditions imposed by the board of elementary and secondary education, and with the requirements of this section and any other applicable state and federal laws and regulations.

(l) Upon receipt of information regarding an education collaborative which, in the opinion of the commissioner, indicates the presence of circumstances at the collaborative that impede its viability or demonstrate deficiencies in programmatic quality or significant malfeasance, financial or otherwise, by any board member or employee of the collaborative, the commissioner may place such collaborative on probationary status to allow the implementation of a remedial plan. If such plan is unsuccessful, the commissioner may direct school districts and charter schools to withhold payments of public funds to the collaborative, and may, in consultation with the secretary of administration and finance, withhold state funds being directed

to the collaborative; provided further that the board of elementary and secondary education may suspend or revoke for cause the written agreement of an education collaborative upon the recommendation of the commissioner. Any withholding of funds that occurs under this paragraph shall conclude when the commissioner finds and communicates in writing to the member school committees and member charter school boards that sufficient corrective actions are being taken by the collaborative to address the concerns that resulted in the withholding of funds.

(m) The board of elementary and secondary education shall promulgate, amend and rescind rules and regulations as may be necessary to carry out this section. At a minimum, the board shall promulgate regulations which prescribe (1) requirements and standards for the amount of cumulative surplus revenue that may be held by an education collaborative at the end of a fiscal year and (2) requirements and guidelines for administrative proceedings conducted under subsection (l).

SECTION 2. The department of elementary and secondary education shall develop a model collaborative agreement that addresses the requirements and standards for approval within 6 months of the effective date of this act. The model agreement, which may be used by existing or future education collaboratives formed under section 4E of chapter 40 of the General Laws, shall be made available on the department's website.

SECTION 3. Any education collaborative formed under section 4E of chapter 40 of the General Laws prior to the effective date of this act shall revise its agreement to conform to said section 4E, as amended by this act, and shall resubmit such revised agreement to member school

committees, member charter school boards of trustees and the board of elementary and secondary education for approval within 12 months of the effective date of this act.

SECTION 4. An education collaborative formed under section 4E of chapter 40 of the General Laws shall not provide services to individuals over the age of 22 unless the commission established under section 5 of this act has issued a determination otherwise; provided, however, that an education collaborative providing services to individuals over the age of 22 prior to the effective date of this act may continue the provision of such services.

SECTION 5. There shall be a special commission to study the role of education collaboratives. The commission shall consist of 10 members: the house and senate chairs of the joint committee on education, or designees, who shall serve as co-chairs of the commission; the secretary of education, or designee; the commissioner, or designee; the secretary of health and human services, or designee; a representative of the Federation for Children with Special Needs; a representative of Massachusetts Administrators of Special Education; and 3 persons to be appointed by the secretary of education, 1 of whom shall be selected from a list of 3 persons nominated by the Massachusetts Association of School Superintendents, 1 of whom shall be selected from a list of 3 persons nominated by the Massachusetts Association of School Committees, and 1 of whom shall be selected from a list of 3 persons nominated by the Massachusetts Organization of Education Collaboratives.

The commission shall examine, report and make recommendations on topics including, but not limited to: (1) whether a statewide network of education collaboratives should be established to implement new programs and provide technical assistance in partnership with the department of elementary and secondary education, and if so, how such network should be

256 organized and funded; (2) whether education collaboratives are appropriate settings for providing
257 programs and services to developmentally disabled adults over the age of 22, and if so, what
258 measures should be taken to ensure proper accounting of and funding for all services provided by
259 education collaboratives and related for-profit and non-profit organizations, as that term is
260 defined in section 4E of chapter 40 of the General Laws, for individuals not enrolled in or
261 employed by elementary or secondary schools in the commonwealth; (3) how to maximize the
262 efficiency and capacity of existing education collaboratives; (4) the appropriate role and
263 relationship, if any, between education collaboratives and related for-profit and non-profit
264 organizations; (5) appropriate compensation levels and authority of collaborative management
265 employees; (6) the merits of merging or consolidating existing collaboratives, including the
266 effect on collective bargaining agreements, staff, operational systems, and debt obligations, and
267 whether or not districts and students would benefit from the merger of existing collaboratives;
268 and (7) the provision of non-education related services by education collaboratives to other
269 government entities and the appropriateness and effect of those provisions on the core mission
270 and purpose of the collaborative.

271 The commission shall consult with and solicit input from various persons and groups,
272 including, but not limited to: the attorney general's office; the state auditor's office; the inspector
273 general's office; the department of developmental services; the division of local services; the

281 schools.

282 The first meeting of the commission shall take place within 45 days after the effective
283 date of this act. The commission shall file a report containing its recommendations, including
284 legislation and regulations necessary to carry out its recommendations, with the clerks of the
285 house and senate not later than 12 months following the first meeting of the commission.

286 SECTION 6. Section 1 of this act shall take effect 90 days after the effective date of this
287 act.
