In the Year Two Thousand Twelve

1 SECTION 1. Notwithstanding sections 40E to 40J, inclusive, of chapter 7 of the General
2 Laws, the commissioner of capital asset management and maintenance, in consultation with the
3 secretary of health and human services and the commissioner of mental health, may lease or
4 enter into other agreements for a term not to exceed 25 years 2 portions of a parcel of land
5 located on Lake street and adjacent to the Irving A. Glavin Regional Center of Shrewsbury, to
6 the town of Shrewsbury for consideration of \$1 per year. The parcel was conveyed to the
7 commonwealth by deed dated April 30, 1890 and recorded in the Worcester district registry of
8 deeds in book 1324, page 244. The portions to be conveyed are shown as “Rural AA” on a draft

12 of Shrewsbury for soccer playing fields, to be designated for recreational use. The division shall
13 lease the second portion, currently designated as agricultural land, located on the easterly side of
14 Lake street and containing approximately 54 acres to the town of Shrewsbury to be designated
15 for agricultural and recreational use. The portions of the parcel are more particularly shown on a
16 plan entitled “Lake St.-Glavin Center Proposed Zoning Districts” dated February 28, 2011
17 prepared by the town engineering department. The exact size and boundaries of the land to be

18 leased shall be determined by the commissioner of capital asset management and maintenance, in
19 consultation with the secretary of health and human services, the commissioner of mental health
20 and the town of Shrewsbury, after completion of a survey.

21 SECTION 2. The leases authorized in section 1 shall be on such terms and conditions as
22 the commissioner of capital asset management and maintenance deems appropriate.

23 SECTION 3. The town of Shrewsbury shall compensate the commonwealth in the sum
24 of \$1 per year for the term of each lease; provided, however, that the town and its successors and
25 assigns shall be responsible for all costs and expenses including, but not limited to, costs
26 associated with any engineering, surveys and leases or other agreements.

27 SECTION 4. The commissioner of capital asset management and maintenance, in
28 consultation with the secretary of health and human services and the commissioner of mental
29 health shall, 30 days before the execution of the leases, other agreements authorized by this act
30 or any subsequent amendment thereto, submit the proposed leases, other agreements or
31 amendments and a report thereon to the inspector general for the inspector general's review and
32 comment. The inspector general shall issue a review and comment within 30 days of receipt of
33 the proposed leases, other agreements or amendments. The commissioner of capital asset
34 management and maintenance, in consultation with the secretary of health and human services
35 and the commissioner of mental health, shall submit the proposed leases, other agreements or
36 amendments and the reports and comments of the inspector general, if any, to the house and
37 senate committees on ways and means and the joint committee on state administration and
38 regulatory oversight at least 30 days before execution of said leases.

39 SECTION 5. Notwithstanding any other general or special law to the contrary, if the
40 portions of the parcel described in section 1 shall cease to be used at any time for the public
41 purposes described in this act, or used for any purpose other than the public purposes stated in
42 this act, the commissioner of capital asset management and maintenance shall give written notice
43 to the lessee of the unauthorized use. The lessee shall, upon receipt of the notice, have 30 days to
44 respond and a reasonable time to establish an authorized use of the parcel. If an authorized use of
45 either of the 2 portions of the parcel is not thereafter established, the lease shall terminate.
