The Commonwealth of Massachusetts

In the Year Two Thousand Eleven

An Act relative to the forest products trust fund..

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Chapter 58 of the General Laws as appearing in the 2004 Official Edition
2 is hereby amended by striking out section 17C and inserting in place thereof the following
3 section:-

4 Section 17C. (a) A Forest Products Trust Fund shall be established on the books of the
5 commonwealth. This fund shall be used to disburse payments to cities and towns within whose
6 boundaries exist state-owned forest land under the care and control of the bureau of forestry
7 within the division of state parks and recreation. The commissioner of conservation and
8 recreation shall develop forest management plans for such forest lands.

9 Such plans shall be approved by the stewardship council as provided in section 2F of
10 chapter 21.

11 (b) Notwithstanding any general or special law to the contrary, all revenues derived from
12 the removal and sale of forest products on land owned by the commonwealth and under the care
13 and control of the bureau of forestry within the division of state parks and recreation shall be
14 deposited in the Forest Products Trust Fund. All removals and sales of forest products shall be
15 consistent with the forest management plans required in this section.

16 (c) Notwithstanding any general or special law to the contrary, 1/3 of the revenue
17 deposited in the Forest Products Trust Fund shall be disbursed annually to those municipalities
18 within whose boundaries the removal of forest products occurs. The

19 remaining revenue deposited in the fund may be expended by the bureau of forestry
20 within the division of state parks and recreation in the following fiscal year, without further
21 appropriation, for the purpose of forest management on lands under its care and control. The
22 term "forest management" shall include, but not be limited to, planning, wildlife habitat
23 management and rehabilitation; fuel management; implementing silvicultural practices;
24 conducting inventories; mapping; improving the quantity, quality and marketability of forest
25 products on lands under the care and control of the bureau, access thereto and necessary
26 infrastructure, including the construction, repair and maintenance of roads, culverts and bridges
27 and the purchase of equipment and vehicles.
