2 out section 1 and inserting in place thereof the following section:

3 Section 1. Justices of the peace and notaries public shall be appointed, and
4 their commissions shall be issued for the commonwealth. They shall have jurisdiction
5 throughout the commonwealth when acting under the sole authority of such a commission, and
6 shall perform their duties subject to sections 8 to 27, inclusive. Unless otherwise expressly
7 provided, they may administer oaths or affirmations in all cases in which an oath or affirmation
8 is required, and take acknowledgments of deeds and other instruments.

9 SECTION 2. Said chapter 222 is hereby further amended by striking out
10 sections 8 and 8A and inserting in place thereof the following section:

115 (vii) any other reason, including for official misconduct, that, in the
116 governor's discretion, would render the applicant unsuitable to hold a commission as a notary
117 public.

118 Section 15. A person commissioned as a notary public may perform notarial
119 acts in any part of the commonwealth for a term of 7 years, unless the commission is earlier

146 _____ (official signature and seal of notary)”

147 (d) A notary shall witness a signature in substantially the following form in
148 notarizing a signature or mark to confirm that it was affixed in the notary's presence without
149 administration of an oath or affirmation:

161 (f) A notary public may certify the affixation of a signature by mark on a
162 document presented for notarization if:

163 (i) the principal affixes the mark in the presence of the notary public
164 and of 2 witnesses unaffected by the document;

165 (ii) both witnesses sign their own names beside the mark;

166 (iii) the notary writes below the mark: “Mark affixed by (name of
167 signer by mark) in the presence of (names and addresses of witnesses) and undersigned notary;”
168 and

169 (iv) the notary public notarizes the signature by mark through an
170 acknowledgment, jurat or signature witnessing.

171 (g) A notary public may sign the name of a principal who is physically unable to sign or
172 make a mark on a document presented for notarization if:

173 (i) the principal directs the notary to do so in the presence of 2 witnesses who
174 are unaffected by the document;

176 public to have a compelling doubt about whether the principal knows the consequences of the

178 (iii) in the notary public's judgment, the principal is acting of his own
179 free will;

180 (iv) the notary public signs the principal's name in the presence of the

185 (vii) the notary public notarizes the signature through an
186 acknowledgment, jurat or signature witnessing.

187 (h) This section shall not require a notary public to use the forms set forth
188 above if another form of acknowledgment, jurat, signature witnessing or copy certification is
189 required or allowed by any court rule or court form; any general or special law, including, but
190 not limited to, section 42 of chapter 183, or the forms set forth in the appendix to chapter 183, or
191 section 2 of chapter 192, any Federal statute, or any regulation adopted pursuant to any such
192 provision or law.

193 (i) This section shall not require a notary public to use the forms set forth above
194 if

195 the form of acknowledgment, jurat, signature witnessing or copy certification of a
196 document contains an alternative form from another state if the document is to be filed or
197 recorded in, or governed by the laws of, that other state.

198 (j) This section does not require a notary public to use the forms set forth above
199 if the

200 form of acknowledgment, jurat, signature witnessing, or copy certification appears on a
201 printed form that contains an express prohibition against altering such form.

202 Section 17. (a) A notary public shall not perform a notarial act if:

204 (ii) the principal is not identified by the notary through satisfactory

208 or document requiring the notarial act;

209 (iv) in the notary public's judgment, the principal is not acting of his
210 own free will;

211 (v) the notary public is a party to or is named in the document that is to be
212 notarized, unless: (A) a notary public is named in a document for the sole purpose of receiving
213 notices relating to the document; or (B) a notary public is licensed as an attorney in the
214 commonwealth, or is employed by an attorney so licensed, and is named as an executor, trustee
215 or in any fiduciary capacity in a document;

216 (vi) the notary public will receive as a direct result of the notarial act any
217 commission, fee, advantage, right, title, interest, cash, property or other consideration exceeding
218 the maximum fees provided in section 24, or has any financial interest in the subject matter of
219 the document; provided, however, that this section shall not preclude a notary public who is
220 licensed as an attorney in the commonwealth, or is employed by an attorney so licensed, from
221 notarial acts relative to any document in connection with which the attorney receives a legal fee
222 for professional legal services.

223 (vii) the notary public is a spouse, domestic partner, parent, guardian, child or
224 sibling of the principal, including in-law, step or half relatives, except if a principal witnesses a
225 will or other legal document prepared by the notary public who is an attorney licensed in the
226 commonwealth.

227 (b) A notary public shall not refuse to perform a notarial act solely based on the
228 principal's race, advanced age, gender, sexual orientation, religion, national origin, health,
229 disability or status as a non-client or non-customer of the notary public or the notary public's
230 employer.

231 (c) A non-attorney notary public shall not influence a person either to enter into or avoid
232 a transaction involving a notarial act by the notary public, except that the notary public may
233 provide assistance relating to that transaction, if he or she is duly qualified, trained, or acting
234 pursuant to a standard or practice recognized in a particular industry or professional field in
235 selecting, drafting or completing a certificate or other document related to a matter within such
236 industry or field.

237 (d) A notary public shall not execute a certificate containing information known or
238 believed by the notary public to be false.

239 (e) A notary public shall not affix an official signature or seal on a notarial certificate that
240 is incomplete. (f) A notary public shall not provide or send a signed or sealed notarial certificate
241 to another person with the understanding that it will be completed or attached to a document
242 outside of the notary public's presence, provided that in connection with a commercial, non-
243 consumer transaction, a notary public may deliver a signed, sealed, or signed and sealed notarial
244 certificate to an attorney with the understanding that: (i) the attorney will attach the certificate to
245 a document outside of the notary's presence; (ii) the attorney will hold such notarial certificate in
246 escrow; and (iii) the attorney informs the notary public that the attorney will obtain the approval
247 of the principal or principals involved before attaching the certificate to the document.

248 (g) A notary public shall not notarize a signature on a blank or incomplete document,
249 except as provided in subsection (f).

250 (h) A notary public shall not perform any official act with the intent to deceive or
251 defraud.

252 (i) A notary public shall not use the term "notario" or "notario
253 publico" or any equivalent non-English term in any business card, advertisement, notice or sign.

254 Section 18. (a) No notary public shall advise clients, offer legal advice or
255 represent or advertise himself or herself as a legal specialist or consultant unless the individual is
256 an attorney licensed to practice law in the commonwealth. No notary public shall state or imply
257 in any communication that he can or will obtain special favors from or has special influence with
258 any government agency. No notary public who is not licensed to practice law in the

259 commonwealth shall make a literal translation of his or her status as “licensed” or as a “notary
260 public” into a language other than English without regard to the true meaning of the word or
261 phrase in that language, or use any other term that implies that the notary public is an attorney so
262 licensed, in any document, including an advertisement, stationery, letterhead, business card, or
263 other written or broadcast material describing the notary public or his services.

264 (b) A notary public who is not an attorney licensed to practice law in the
265 commonwealth:

266 (i) shall not offer legal advice or advise clients as to the immigration
267 status thereof, secure or attempt to secure supporting documents, including, but not limited to,
268 birth certificates, necessary to complete a client’s immigration forms or submit completed
269 immigration forms on a client’s behalf to any governmental agency;

270 (ii) may translate questions presented on an immigration form for
271 another person and may complete those forms at the explicit direction of such other person only
272 if translation of such other person’s answers is necessary; and

273 (iii) prior to providing services of any kind related to an immigration
274 matter, or any matter that that could influence or affect a person’s legal status under immigration
275 law, shall provide a client with a written statement that states “I am not an attorney licensed to
276 practice law. I may not give you legal advice or advise you about immigration policies or
277 procedures. You should seek the advice of a qualified attorney to assist you with any legal
278 questions or with questions about legal status under immigration law.”

279 (c) The provisions of subsection (b) shall not apply to the following persons:

280 (i) an attorney licensed to practice law in any state or territory of the
281 United States or in any foreign country when authorized by the supreme judicial court, to the
282 extent the attorney renders immigration assistance service in the course of his practice as an
283 attorney.

284 (ii) a paralegal, legal intern or law student employed by an attorney
285 so licensed and rendering immigration assistance in the course of the intern's or student's
286 employment; and

287 (iii) any organization employing or desiring to employ any person not
288 a citizen of the United States, if the organization, its employees or agents provide advice or
289 assistance in immigration-related matters to non-citizen employees or potential employees
290 without compensation from the individuals to whom such advice or assistance is provided.

291 (d) A non-attorney notary public shall not engage in the practice of law. This
292 subsection shall not preclude a notary public who is duly qualified, trained or experienced in a
293 particular industry or professional field from selecting, drafting or completing a certificate or
294 other document related to a matter within that industry or field.

295 (e) A notary public who is not an attorney licensed to practice law in the
296 commonwealth or who is not employed by an attorney so licensed, shall not conduct a real estate
297 closing and shall not act as a real estate closing agent. A notary public who is employed by an
298 attorney so licensed may notarize a document in conjunction with a real estate closing conducted
299 by the attorney. A notary public who is employed by a lender may notarize a document in
300 conjunction with the closing of his employer's real estate loans.

301 (f) This section shall apply to any person who employs, contracts with or
302 otherwise uses the services of a notary public with knowledge or reason to know of conduct that
303 is in violation of this section.

304 Section 18A (a) The attorney general or district attorney may prosecute any
305 person committing a violation under this chapter. Any person convicted of committing such
306 violation shall be punished for a first offense by a fine of not more than \$1,000 or by
307 imprisonment in a jail or house of correction for not more than 6 months, or by both such fine
308 and imprisonment, and for subsequent offenses by a fine of not more than \$5,000 or by
309 imprisonment in a jail or house of correction for not more than one year, or by both such fine and
310 imprisonment. The attorney general or district attorney may file a petition for injunctive relief
311 against any person who violates this chapter. If the attorney general, district attorney or the state
312 secretary has cause to believe that, as a result of official misconduct, a person holding the office
313 of notary public is unsuitable to hold that office, the attorney general, district attorney or the state
314 secretary shall provide notice to the governor of such official misconduct. Any conviction based
315 on a violation of this chapter shall be grounds for the revocation of a notary's appointment. If
316 the court finds that a person so convicted either knew or should have known his conduct to be in
317 violation of this chapter, the court may require such person to pay to the commonwealth a civil
318 penalty of not more than \$5,000 for each such violation and also may require the person to pay
319 the reasonable costs of investigation and litigation of such violation, including reasonable
320 attorneys' fees.

321 (b) A person having an interest or right that is or may be adversely affected by
322 a violation of section 18 may initiate an action for private remedies and, if the attorney general or
323 district attorney has not done so, for injunctive relief. Such person may be awarded actual

324 damages and, if the court finds that person against whom the action is brought either knew or
325 should have known his conduct to be in violation of section 18, punitive damages of not more
326 than \$5,000 per violation, and attorney's fees and court costs.

327 (c) A violation of section 18 shall constitute an unfair or deceptive act or
328 practice pursuant to chapter 93A.

329 (d) It shall not be a defense in an action pursuant to this section that the conduct
330 that is the subject of the action, in whole or in part, occurred primarily or substantially outside
331 the commonwealth.

332 Section 19. (a) Any notary public who is not an attorney shall post signs at his or her
333 place of business, setting forth information in English and in every other language the person
334 provides or offers to provide services. Each language shall be on a separate sign. Signs shall be
335 posted in a conspicuous location where the signs will be visible to customers. Each sign shall be
336 at least 12 inches by 20 inches with boldface type or print that prominently states the following
337 information:

338 (i) The individual's full name and address;

339 (ii) The statement "I am not an attorney licensed to practice law and
340 may not give legal advice or accept fees for legal advice"; and

341 (iii) The statement "I am not accredited to represent you before the
342 United States Bureau of Citizenship and Immigration Services and the Immigration Board of
343 Appeals."

344 (b) Prior to providing services related to an immigration matter, a notary public
345 shall provide the client with written disclosure in English and the client's primary language. The
346 disclosure shall include the notary public's full name, address and telephone number.

347 Section 20. A notary shall perform any notarial act for any person requesting
348 such an act who tenders the fee set forth in section 41 of chapter 262, unless:

349 (i) the notary public knows or has good reason to believe that the notarial act or
350 the associated transaction is unlawful;

351 (ii) the principal has a demeanor that causes the notary public to have a compelling doubt
352 about whether the principal knows the consequences of the transaction or document requiring the
353 notarial act;

354 (iii) the act is prohibited by any provision of this chapter or other applicable
355 law; or

356 (iv) the number of notarial acts requested practicably precludes completion of
357 all acts

358 at once, in which case the notary public shall arrange for later completion of the
359 remaining acts.

360 Section 21. (a) A notary public has neither the duty nor the authority to
361 investigate, ascertain, or attest to the lawfulness, propriety, accuracy, or truthfulness of a
362 document or transaction involving a notarial act. (b) Except as may be required by the office
363 of the state secretary for the issuance of an apostille,

364 (1) Failure of a document to contain the forms of acknowledgment, jurat,
365 signature witnessing, or copy certification set forth in section 16, or otherwise to comply with the
366 requirements set forth in sections 8 through 24 shall not have any effect on the validity of the
367 underlying document, or the recording thereof, and

368 (2) Failure of a document to contain the forms of acknowledgment, jurat,
369 signature witnessing, or copy certification set forth in section 16 shall not be the basis of a
370 refusal to accept the document for filing, recordation, registration, or acceptance by a third party.

371 Section 22. A non-attorney notary public who advertises notarial services in a
372 language other than English shall include in the advertisement, notice, letterhead, or sign the
373 following, prominently displayed in the same language the statement: "I am not an attorney and
374 have no authority to give advice on immigration or other legal matters."

375 Section 23. (a) A notary who is not employed by a governmental entity shall
376 keep, maintain, protect, and provide for lawful inspection a chronological official journal of
377 notarial acts that is a permanently bound book with numbered pages, except as otherwise
378 provided in this section.

379 (b) A notary public shall keep no more than one active journal at the same time.

380 (c) For every notarial act except for the issuance of summons or subpoenas, or
381 the

382 administration of an oral oath, the notary public shall record in the journal at the time of
383 the notarization the following:
