1 SECTION 1. Chapter 272 of the General Laws is hereby amended by adding the
2 following new section:--

3 Section 106. (a) The purpose of this section, subject to exceptions, is to prohibit the
4 confinement of farm animals in a manner that does not allow them to turn around freely, lie
5 down, stand up, and fully extend their limbs. (b) Notwithstanding any other provision of law, a
6 person is guilty of unlawful confinement of a covered farm animal if the person tethers or
7 confines any covered animal, on a farm, for all or the majority of any day, in a manner that
8 prevents such animal from: (1) Lying down, standing up, and fully extending his or her limbs;
9 and (2) Turning around freely. (c) This section shall not apply: (1) During scientific or
10 agricultural research. (2) During examination, testing, individual treatment or operation for
11 veterinary purposes. (3) During transportation. (4) During rodeo exhibitions, state or county fair
12 exhibitions, 4-H programs, and similar exhibitions. (5) During the slaughter of a covered animal

14 and other applicable laws and regulations. (6) To a pig during the seven-day period prior to the
15 pig's expected date of giving birth. (d) For the purposes of this section:(1) "Calf raised for veal"
16 means any calf of the bovine species kept for the purpose of producing the food product
17 described as veal. (2) "Covered animal" means any pig during pregnancy, calf raised for veal, or
18 egg-laying hen who is kept on a farm. (3) "Egg-laying hen" means any female domesticated
19 chicken, turkey, duck, goose, or guinea fowl kept for the purpose of egg production. (4)
20 "Enclosure" means any cage, crate, or other structure (including what is commonly described as
21 a "gestation crate" for pigs; a "veal crate" for calves; or a "battery cage" for egg-laying hens)
22 used to confine a covered animal. (5) "Farm" means the land, building, support facilities, and
23 other equipment that are wholly or partially used for the commercial production of animals or
24 animal products used for food or fiber; and does not include live animal markets. (6) "Fully
25 extending his or her limbs" means fully extending all limbs without touching the side of an
26 enclosure, including, in the case of egg-laying hens, fully spreading both wings without touching
27 the side of an enclosure or other egg-laying hens. (7) "Person" means any individual, firm,
28 partnership, joint venture, association, limited liability company, corporation, estate, trust,

30 kept for the primary purpose of breeding. (9) "Turning around freely" means turning in a
31 complete circle without any impediment, including a tether, and without touching the side of an
32 enclosure. (e) Any person who violates any of the provisions of this chapter is guilty of a
33 misdemeanor, and upon conviction thereof shall be punished by a fine not to exceed one
34 thousand dollars (\$1,000) or by imprisonment in the county jail for a period not to exceed 180
