The Commonwealth of Massachusetts

In the Year Two Thousand Thirteen

An Act relative to affordable health insurance.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Chapter 175 of the General Laws, as appearing in the 2010 Official Edition,
2 is hereby amended by inserting after section 111H, the following section:—

3 Section 111I. (a) Except as otherwise provided in this section, the commissioner shall not
4 disapprove a policy of accident and sickness insurance which provides hospital expense and
5 surgical expense insurance solely on the basis that it does not include coverage for at least 1
6 mandated benefit.

7 (b) The commissioner shall not approve a policy of accident and sickness insurance
8 which provides hospital expense and surgical expense insurance unless it provides, at a
9 minimum, coverage for:

10 (1) pregnant women, infants and children as set forth in section 47C;

11 (2) prenatal care, childbirth and postpartum care as set forth in section 47F;

12 (3) cytologic screening and mammographic examination as set forth in section 47G;

13 (3A) diabetes-related services, medications, and supplies as defined in section 47N;

14 (4) early intervention services as set forth in said section 47C; and

15 (5) mental health services as set forth in section 47B; provided however, that if the policy
16 limits coverage for outpatient physician office visits, the commissioner shall not disapprove the
17 policy on the basis that coverage for outpatient mental health services is not as extensive as
18 required by said section 47B, if the coverage is at least as extensive as coverage under the policy
19 for outpatient physician services.

20 (c) The commissioner shall not approve a policy of accident and sickness insurance
21 which provides hospital expense and surgical expense insurance that does not include coverage
22 for at least one mandated benefit unless the carrier continues to offer at least one policy that
23 provides coverage that includes all mandated benefits.

24 (d) For purposes of this section, “mandated benefit” shall mean a requirement in this
25 chapter that requires coverage for specific health services, specific diseases or certain providers
26 of health care.

27 (e) The commissioner may promulgate rules and regulations as are necessary to carry out
28 this section.

29 (f) Notwithstanding any special or general law to the contrary, no plan approved by the

36 hospital services plan solely on the basis that it does not include coverage for at least one

38 (b) The commissioner shall not approve a contract unless it provides, at a minimum,
39 coverage for:

40 (1) pregnant women, infants and children as set forth in section 8B;

45 (5) mental health services as set forth in section 8A; provided however, that if the
46 contract limits coverage for outpatient physician office visits, the commissioner shall not

disapprove the contract on the basis that coverage for outpatient mental health services is not as extensive as required by said section 8A, as long as such coverage is at least as extensive as coverage under the contract for outpatient physician services.

(c) The commissioner shall not approve a contract that does not include coverage for at least one mandated benefit unless the corporation continues to offer at least one contract that provides coverage that includes all mandated benefits.

(d) For purposes of this section, “mandated benefit” shall mean a requirement in this chapter that requires coverage for specific health services, specific diseases or certain providers of health care.

(2) prenatal care, childbirth and postpartum care as set forth in section 4H;

(c) The commissioner shall not approve a subscription certificate that does not include coverage for at least 1 mandated benefit unless the corporation continues to offer at least one subscription certificate that provides coverage that includes all mandated benefits.
