An Act authorizing municipalities to protect low and moderate income tenants and units of governmentally involved housing.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           SECTION 1. The General Laws are hereby amended by inserting after chapter 40W the  
2 following chapter:

3           CHAPTER 40X.

4           PROTECTION OF LOW AND MODERATE INCOME TENANTS AND UNITS OF  
5 GOVERNMENTALLY INVOLVED HOUSING.

6           Section 1. The general court finds and declares that: (a) a serious public  
7 emergency continues to exist with respect to the housing of a substantial number of persons in  
8 certain areas of the commonwealth residing in governmentally involved housing, inasmuch that  
9 many low-income individuals and families residing in such housing, particularly those elderly  
10 and disabled, may be threatened with displacement as a result of prepayment of mortgage  
11 financing, loss of use or rent restrictions, expiring subsidy contracts, and expected increases in  
12 rent, and there is a threat that affordable housing stock will be lost due to expiration of use or  
13 rent restrictions and such pre-payment, further exacerbating an extreme housing shortage for  
14 low-income families and individuals; (b) it is the commonwealth's policy to encourage owners of  
15 this governmentally involved housing to accept incentives to keep such housing affordable and  
16 avert displacement; (c) such emergency should be met by the commonwealth immediately and  
17 with due regard for the rights and responsibilities of its local communities; therefore, this chapter  
18 is declared to be in the public interest.

19                   Section 2. The following words or phrases as used in this chapter shall have the  
20 following meanings:

21                   (A) “governmentally-involved housing” means any residential housing project  
22 constructed, rehabilitated, or assisted pursuant to any one or more of the following governmental  
23 programs:

24                   (1) section 202 of the Housing Act of 1959, 12 U.S.C. section 1701q;

25                   (2) section 221(d) of the National Housing Act, 12 U.S.C. section 1715l(d);

26                   (3) section 236 of the National Housing Act, 12 U.S.C. section 1715z-1;

27                   (4) any project-based programs for low-income persons under section 8 of the  
28 United States Housing Act of 1937, 42 U.S.C. section 1437f;

29                   (5) the Rent Supplement Program under section 101 of the Housing and Urban  
30 Development Act of 1965, 12 U.S.C. section 1701s;

32 section 515 of the Housing Act of 1949, 42 U.S.C. section 1490a;

33                   (7) the Urban Development Action Grant, hereinafter referred to as UDAG, 42  
34 U.S.C. section 5318, or the Housing Development Action Grant, hereinafter referred to as  
35 HoDAG, 42 U.S.C. section 1437o, in either case to the extent the project’s rents are restricted or  
36 regulated pursuant to a grant agreement with the U.S. Department of Housing and Urban  
37 Development or otherwise;

38                   (8) the federal low-income housing tax credit program under section 42 of the  
39 U.S. Internal Revenue Code, 26 U.S.C. section 42;

40                   (9) chapter 121A of the General Laws to the extent the chapter 121A approvals  
41 restrict the affordability of the project’s dwelling units;

42                   (10) section 13A of chapter 708 of the Acts of 1966, as amended;

43                   (11) section 811 of the Cranston-Gonzalez National Affordable Housing Act,  
44 as amended (42 U.S.C. section 8013);

45                   (12) section 207 of the National Housing Act, 12 U.S.C. section 1713, and  
46 subject to a rent regulatory agreement pursuant to chapter 121A of the General Laws;

47                   (13) section 220 of the National Housing Act, 12 U.S.C. section 1715k(a) and

For purposes of this section, “governmentally involved housing” shall not include the following: (1) housing units owned or acquired by the municipality through tax foreclosure; (2) housing units in a one to ten family building or structure that is not part of a larger housing development, whether on one or more sites; (3) structures containing housing units subsidized with mobile tenant-based rental assistance that would not otherwise come within the definition of governmentally involved housing; (4) structures containing housing units which were subject to chapter 36 of the acts of 1976, chapter 797 of the acts of 1969, chapter 863 of the acts of 1970, chapter 843 of the acts of 1970, chapter 843 of the acts of 1971, chapter 45 of the acts of 1987, chapter 504 of the acts of 1987, or chapter 601 of the acts of 1981, but which would otherwise not come within the definition of governmentally involved housing; (5) public housing owned or operated by a local housing authority under chapter 121B, the United States Housing Act of 1937, or any successor act or public housing programs formerly assisted under the United States Housing Act of 1937; (6) housing units which first became governmentally involved after October 1, 2010, unless the municipality enacts a different date; and (7) housing units where the sole government involvement is the owner's participation in federal, state, or municipal funded programs for home repairs, energy conservation, or lead paint abatement.

(B) "Formerly governmentally involved housing", housing which was governmentally involved as of July 1, 1994, or which became governmentally involved housing after July 1, 1994, but which is no longer governmentally-involved as defined in this section.

(C) "Low-income", an annual income which is 80 per cent or less of the median income for the area as determined by the United States Department of Housing and Urban Development, with adjustments for smaller and larger families.

Section 3. (A) In a municipality accepting the provisions of this chapter, no person shall bring an action to recover possession of a governmentally involved or formerly governmentally involved housing unit to the extent that such regulation is not otherwise preempted by federal law or section 6 of chapter 708 of the acts of 1966, unless: (1) the tenant has failed to pay the rent to which the owner is entitled; (2) the tenant has violated an obligation or covenant of tenancy not inconsistent with chapter 93A or this chapter other than the obligation to surrender possession upon proper notice, and has failed to cure the violation after having received written notice thereof; (3) the tenant is causing, committing or permitting, a nuisance in, or substantial damage to, the housing unit, or is creating substantial interference with the comfort, safety, or enjoyment of the owner or other occupants of the same or any adjacent unit; (4) the tenant has used or permitted use of a housing unit for illegal purposes; (5) the tenant, who had a written lease or rental agreement which has terminated, has refused, after written requests or demand by the owner, to execute a written extension or renewal thereof for a further term of

87 like duration on terms not inconsistent with or violative of any provision of this act; (6) the  
88 tenant has refused the owner reasonable access to the housing unit for the purpose of making  
89 necessary repairs or improvements required by law, or for the purpose of inspection as permitted  
90 or required by the lease or by law, or for the purpose of showing the housing unit to any  
91 prospective purchaser or mortgagee; (7) the tenant holding at the end of a lease term is a  
92 subtenant not approved by the owner; (8) for tenant-based rental assistance programs only, the  
93 owner seeks to recover possession in good faith of a unit for the owner's own use and occupancy  
94 or for use and occupancy by the owner's spouse, children, grandchildren, great grandchildren,  
95 parents, grandparents, brother, sister, father-in-law, mother in-law, son-in-law, or daughter-in-  
96 law; or (9) the owner seeks to recover possession for any other just cause not in conflict with the  
97 provisions and purposes of this chapter or chapter 93A.

98 (B) The provisions of this section shall be construed as additional restrictions on  
99 the right to recover possession of such housing units.

100 Section 4. In a municipality accepting the provisions of this chapter, no person  
101 shall remove any governmentally involved or formerly governmentally involved housing unit  
102 from low-income rental housing use, without first obtaining permission for that purpose from the  
103 municipality or its designee, to the extent that such provision is not preempted by federal law or  
104 section 6 of chapter 708 of the acts of 1966. Such permission may be subject to terms and  
105 conditions not inconsistent with the purposes and provisions of this chapter, including, without  
106 limitation, incentives to continue in effect the low-income use restrictions previously in place for  
107 the property.

108 Section 5. To the extent not preempted by federal law or section 6 of chapter 708  
109 of the acts of 1966, a municipality accepting the provisions of this chapter shall require an owner  
110 of governmentally involved housing or formerly governmentally involved housing to  
111 affirmatively seek out and accept any prospective government housing resources, whether  
112 tenant-based or project-based, and to convert tenant-based to project-based assistance, in order to  
113 maximize the long term affordability of housing units for low income households consistent  
114 with the income character of the property and the owner's right to obtain a fair net operating  
115 income for the housing units. The appropriate state and municipal agencies shall assist owners by  
116 identifying government housing resources.

117 Section 6. To the extent not preempted by federal law or section 6 of chapter 708  
118 of the acts of 1966, and, so long as such regulation is consistent with the owner's right to obtain a  
119 fair net operating income and the municipality's housing policy, a municipality accepting the  
120 provisions of this chapter shall establish local preferences, priorities, and income limits for  
121 admission to governmentally-involved housing or formerly governmentally involved housing  
122 upon unit turnover, consistent, to the extent practicable, with the income profile of the property  
123 twelve months prior to the date of the loss of rent preemption or the decision to not renew an  
124 expiring subsidy contract. No ordinance, by-law, or regulation shall require an owner to create a

tenancy involving any person with a history of conduct which would, if repeated, be grounds for eviction from such housing.

Section 7. A municipality accepting the provisions of this chapter may adopt such ordinances or by-laws and promulgate such rules, regulations, and orders as it may deem necessary or appropriate to effectuate the purposes hereof and may grant exemptions and exceptions thereto when such action would tend to maintain or increase the supply of affordable housing in the municipality, including, without limitation, to promote the sale of the property to a bona-fide tenant organization or non-profit community development corporation under terms and conditions which would tend to maintain the income character of the property and its long term affordability for low income people.

Section 8. Any hearings regarding matters related to regulation of rents or removal permits for governmentally involved housing or formerly governmentally involved housing or regarding compliance with other provisions of this chapter, or any ordinance, by-law, rule, or regulation adopted hereunder, shall be conducted by the municipality or its designee in accordance with the provisions of section 11 of chapter 30A.

Section 9. All decisions of the municipality or its designee may be appealed to the housing court if available, the district court or the superior court in the jurisdiction or county where the municipality is located by any person aggrieved thereby, whether or not previously a party in the matter, within 30 calendar days after receipt of notice of such decision. Judicial review of adjudicatory decisions shall be conducted in accordance with section 14 of chapter 30A. Judicial review of regulations shall be conducted in accordance with section 7 of chapter 30A. The housing, district and superior courts shall have jurisdiction to enforce the provisions of this chapter and any ordinance, by-law, rule, or regulation adopted under this chapter and on application of the municipality or its designee or any aggrieved person may restrain or enjoin violations of any such ordinance, by-law, rule or regulation. In the interests of justice, the court may allow any necessary parties to be joined in or to intervene in any action brought hereunder and may in its discretion allow or require an action to proceed as a class action.

Section 10. It shall be unlawful for any person to do or omit to do any action in violation of this chapter or any order, ordinance, by-law, rule or regulation adopted or promulgated under this chapter. Whoever willfully violates any provision of this chapter or any order, ordinance, by-law, rule or regulation adopted or promulgated under this chapter or whoever makes a false statement in any testimony before the municipality or its designee, or whoever knowingly supplies the municipality or its designee with false information, in connection with a proceeding under this chapter, shall be punished by a fine of not more than \$400 or by imprisonment for not more than 90 days, or both. In the case of a second or subsequent offense, or where the violation continues after notice thereof, such person shall be punished by a fine of not more than \$2,000, or imprisonment for not more than one year, or both.

162                   Section 11. The commonwealth shall not be liable for any claims or other legal  
163 action arising from the acceptance of or implementation of this act by any municipality.

164                   Section 12. The provisions of M.G.L. Ch 40P shall not apply to any ordinance  
165 adopted under this enabling authority.

166                   Section 13. The provisions of this act are severable, and if any of its provisions  
167 shall be held unconstitutional or otherwise invalid by any court of competent jurisdiction, the  
168 decision of such court shall not affect or impair any of the remaining provisions.
