SECTION 1. Section 51B (c) of Chapter 119 is hereby amended by striking the text and inserting in place thereof the following:

(c) If the department has reasonable cause to believe a child's health or safety is in immediate danger from abuse or neglect, the department shall take a child into immediate temporary custody if it has reasonable cause to believe that the removal is necessary to protect the child from abuse or neglect. The investigation and evaluation shall commence within 2 hours of initial contact and an interim report with an initial determination regarding the child's safety and custody shall be completed as soon as possible but not more than 24 hours after initial contact. The final report required under this section shall be complete within five business days of initial contact. If a child is taken into immediate temporary custody, the department shall make a written report stating the reasons for such removal and shall file a care and protection petition under section 24 on the next court day.

Each child who is age seven or older shall be given a meaningful opportunity to participate in the development of the case plan and to state his or her preference(s) for initial and any subsequent placement or custody. The department shall ask any child who is age seven or

17 older to provide the names of any kin or other adults with whom the child has a relationship.
18 Further, the department shall ask any child who is seven or older, in private, to state his or her
19 preference(s) for initial and any subsequent placement or custody.

20 Each parent shall also be asked to provide the name of kin or other adults with whom the
21 child or the family has a relationship who could serve as a potential placement for the child. Each
22 parent shall also be given a meaningful opportunity to participate in the development of the case
23 plan and to state his or her preference(s) for initial and any subsequent placement or custody of
24 his or her child.

25 If the department has or is seeking custody of a child, the department shall first
26 investigate the possibility of placing the child in accordance with the placement preferences of
27 the child and/or parent(s). The department shall complete that investigation before placing the
28 child except in the case of an emergency placement, in which case the department shall make
29 every effort to complete the investigation within 48 hours after the placement, and make
30 placement changes as appropriate based on the outcome of that investigation. Specific reasons
31 for placement decisions must be documented in writing in the case file, including the reasons for
32 rejecting placements identified by the child and/or parent(s).

33 SECTION 2. Section 51B (e) of Chapter 119 is hereby amended by striking the text and

39 and protection petition under section 24 on the next court day.

58 inserting in place thereof the following:

59 (g) The department shall offer appropriate services to the family of any child which it has
60 reasonable cause to believe is suffering from any of the conditions described in the report to
61 prevent further injury to the child, to safeguard his welfare, and to preserve and stabilize family

78 immediately commence a search to locate any relative of the child or other adult person who has

80 appropriately be placed with that relative or person if, in the judgment of the department, that
81 placement would be in the best interest of the child.
