1028 posed to the public by each sex offender listed in the sex offender registry and shall give
1029 immediate priority to those offenders who have been convicted of a sex offense involving a child
1030 or convicted or adjudicated as a delinquent juvenile or as a youthful offender by reason of a
1031 sexually violent offense and who have not been sentenced to incarceration for at least 90 days,
1032 followed, in order of priority, by those sex offenders who (1) have been released from
1033 incarceration within the past 12 months, (2) are currently on parole or probation supervision, and
1034 (3) are scheduled to be released from incarceration within 6 months. All agencies shall cooperate
1035 in providing files to the sex offender registry board and any information the sex offender registry
1036 board deems useful in providing notice under sections 178C to 178Q, inclusive, and in assessing
1037 the risk of reoffense and the degree of dangerousness posed to the public by the sex offender. All
1038 agencies from which information, including information within the control of providers under
1039 contract to these agencies, is requested by the sex offender registry board shall make such
1040 information available to the board immediately upon request. Failure to comply in good faith
1041 with such a request within 30 days shall be punishable by a fine of not more than \$1,000 per day.

1042 Section 178L. Classification; notification; evidentiary hearings; right to counsel

1043 (a) Recommended Classification. Upon review of any information useful in assessing the
1044 risk of reoffense and the degree of dangerousness posed to the public by the sex offender,
1045 including materials described in the board guidelines and any materials submitted by the sex
1046 offender, the board shall prepare a recommended classification level for each offender. The
1047 recommendation may be made by board staff members upon written approval by 1 board
1048 member; provided, however, that if the sex offender was a minor at the time of the offense,
1049 written approval must be given by a board member who is a licensed psychologist or psychiatrist
1050 with special expertise in the assessment and evaluation of juvenile sex offenders.

1051 (1) Sex offender in custody. Not less than 6 months prior to their release or parole from
1052 custody or incarceration, the board shall notify the sex offenders of their right to submit to the
1053 board documentary evidence relative to their risk of reoffense and the degree of dangerousness
1054 posed to the public. If the sex offender is a minor or has been deemed by a court to be
1055 incompetent at the time of the notification, notification shall also be mailed to the sex offender's
1056 legal guardian or agency having custody of the person in the absence of a legal guardian and his

1057 most recent attorney of record. The sex offender may submit evidence to the board within 30
1058 days of receiving the notice from the board. Upon reviewing the evidence, the board shall
1059 promptly notify the sex offenders of the board's recommended classification level, their duty to
1060 register and their right to petition the board to request an evidentiary hearing to challenge the
1061 recommended classification level, their right to retain counsel to represent them at a hearing and
1062 their right to retain an expert witness in a case where the board, in its classification proceeding,
1063 intends to rely on the testimony or report of an expert witness prepared specifically for the
1064 purposes of the classification proceeding. The sex offender shall petition the board for an
1065 evidentiary hearing within 20 days of receiving notice. The board shall conduct a de novo
1066 evidentiary hearing in a reasonable time according to the provisions of subsection (b) and shall
1067 determine the sex offender's final classification level not less than 10 days prior to the offender's
1068 release from incarceration. The failure to timely petition the board for a hearing shall result in a
1069 waiver of the right to a hearing, and the board's recommended classification level shall become
1070 the sex offender's final classification level and shall not be subject to judicial review. All
1071 agencies having custody of a confined sex offender shall cooperate with the board in providing
1072 notices to the offender and proper space to conduct hearings.

1073 (2) Requests for expedited classification. The district attorney for the county where the
1074 sex offender was prosecuted may, within 10 days of a conviction or adjudication of a sexually
1075 violent offense, file a motion with the board to make an expedited recommended classification
1076 upon a showing that the sex offender poses a grave risk of imminent reoffense. If the petition is
1077 granted, the board shall make the recommendation classification within 10 days of the expiration
1078 of the time to submit documentary evidence. If the petition is not granted, the board shall make
1079 the recommended classification as otherwise provided in this section.

1080 (3) Sex offender not in custody. In the case of any sex offender (i) who, as of the
1081 effective date of this section, is not in custody and whom the board never issued a final
1082 classification level under the version of sections 178K and 178L in effect prior July 27, 2011, (ii)
1083 who receives a sentence of confinement or order of custody of less than 6 months; (iii) who does
1084 not receive a sentence of incarceration or order of custody; or (iv) is ordered by the court to be
1085 immediately discharged from any form of custody, the board shall, upon receiving registration
1086 information from the agency that has custody of the sex offender; the police department at which
1087 the sex offender registered; or any other source, promptly notify the sex offenders of their right
1088 to submit to the board documentary evidence relative to their risk of reoffense and the degree of
1089 dangerousness posed to the public. If the sex offender is a minor or has been deemed by a court
1090 to be incompetent at the time of the notification, notification shall also be mailed to the sex
1091 offender's legal guardian or agency having custody of the person in the absence of a legal
1092 guardian and his most recent attorney of record. The sex offender may submit evidence to the
1093 board within 30 days of receiving such notice from the board. Upon reviewing the evidence, the
1094 board shall promptly notify the sex offenders of the board's recommended classification level,
1095 their duty to register and their right to petition the board to request an evidentiary hearing to

1096 challenge the recommended classification level, their right to retain counsel to represent him at
1097 the hearing and their right to retain an expert witness in any case where the board, in its
1098 classification proceeding, intends to rely on the testimony or report of an expert witness prepared
1099 specifically for the purposes of the classification proceeding. The sex offender shall petition the
1100 board for an evidentiary hearing within 20 days of receiving notice. The board shall conduct a de
1101 novo evidentiary hearing in a reasonable time according to the provisions of subsection (b). The
1102 failure to timely petition the board for a hearing shall result in a waiver of the right to a hearing,
1103 and the board's recommended classification level shall become the sex offender's final
1104 classification level and shall not be subject to judicial review.

1105 (b) Hearings to Determine Final Classification Level. If any sex offender requests a
1106 hearing in accordance with subsection (a) to challenge his recommended classification, the chair
1107 may appoint a member, a panel of 3 board members or a hearing officer to conduct the hearing,
1108 according to the standard rules of adjudicatory procedure or other rules which the board may
1109 promulgate, and to determine by a preponderance of evidence the sex offender's duty to register
1110 and final classification level. The board shall inform sex offenders requesting a hearing under the
1111 provisions of subsection (a) of their right to have counsel appointed if a sex offender is deemed
1112 to be indigent as determined by the board using the standards under chapter 211D. If the sex
1113 offender does not request a hearing, the board's recommended classification level shall become
1114 the final classification level and shall not be subject to judicial review. If the sex offender fails to
1115 appear at his scheduled hearing, the board's recommended classification level shall become the
1116 sex offender's final classification level and shall not be subject to judicial review. All offenders
1117 who are juveniles at the time of notification shall be represented by counsel at the hearing.

1118 (c) Previously finally classified sex offenders. The provisions of this section apply to all
1119 sex offenders, as defined in section 178C. The final classification level any sex offender received
1120 under the prior version of this section and section 178K remains in effect. Nothing in this section
1121 shall exempt a sex offender from complying with the registration requirements set forth in
1122 section 178E.

1123 Section 178M. Judicial review of board's final classification

1124 An offender may seek judicial review, in accordance with section 14 of chapter 30A, of
1125 the board's final classification decision and registration requirements. An attorney employed or
1126 retained by the board may make an appearance, subject to section 3 of chapter 12, to defend the
1127 board's final classification decision. The court shall reach its final decision within 60 days of the
1128 sex offender's petition for review. The court shall keep proceedings conducted under this
1129 paragraph and records from these proceedings confidential, and these proceedings and records
1130 shall be impounded, but the filing of an action under this section shall not stay the effect of the
1131 board's final classification.

1132 Section 178N. Misuse of information; penalties

1133 Information contained in the sex offender registry shall not be used to commit a crime
1134 against a sex offender or to engage in illegal discrimination or harassment of an offender. A
1135 person who uses information disclosed under the provisions of sections 178C to 178Q, inclusive,
1136 for such purpose shall be punished by not more than 2½ years in a house of correction or by a
1137 fine of not more than \$1,000 or by both such fine and imprisonment.

1138 Section 178O. Liability of public officials and employees for sex offender registry
1139 information

1140 Police officials and other public employees acting in good faith shall not be liable in a
1141 civil or criminal proceeding for the dissemination of sex offender registry information or other
1142 act or omission under the provisions of sections 178C to 178Q, inclusive.

1143 Section 178P. Failure to comply with registration requirements; warrantless arrests

1144 When a police officer has probable cause to believe that a sex offender has failed to
1145 comply with the registration requirements of sections 178C to 178Q, inclusive, the officer shall
1146 have the right to arrest the sex offender without a warrant and to keep the sex offender in
1147 custody.

1148 Section 178Q. Sex offender registry fee

1149 The board shall assess upon every sex offender a fee of \$75, hereinafter referred to as
1150 “sex offender registry fee.” Sex offenders shall pay the sex offender registry fee upon their initial
1151 registration as a sex offender and annually thereafter in the month of their birth provided,
1152 however, no fee shall be assessed or collected until offenders have either (1) waived their right to
1153 petition for an evidentiary hearing to challenge their duty to register as a sex offender as set forth
1154 in section 178L or (2) have completely exhausted the legal remedies made available to them to
1155 challenge their duty to register under sections 178L and 178M and have not prevailed in their
1156 attempt to eliminate their duty, nor shall a fee be assessed upon a sex offender until the offender
1157 reaches 18 years of age. A sex offender’s duty to pay the fee established by this section shall
1158 only terminate upon the termination of the sex offender’s duty to register as a sex offender as set
1159 forth in section 178G.

1160 The sex offender registry board may waive payment of the sex offender registry fee if it
1161 determines that the payment would constitute an undue hardship on the sex offender or the sex
1162 offender’s family due to limited income, employment status, or any other relevant factor. Any
1163 waiver so granted shall be in effect only during the period of time that the sex offender is
1164 determined to be unable to pay the sex offender registry fee. The board shall establish procedures
1165 relative to the collection and waiver of the fee by regulation. The sex offender registry fee shall
1166 be collected and retained by the sex offender registry board. The board shall account for all fees
1167 received and report fees annually to the secretary of administration and finance and the house
1168 and senate committees on ways and means.
