HOUSE No. 161

By Mr. Winslow of Norfolk, a petition (accompanied by bill, House, No. 161) of Daniel B. Winslow and others for legislation to reduce fraud in the delivery of benefits based on income eligibility. Children, Families and Persons with Disabilities.

The Commonwealth of Massachusetts

In the Year Two Thousand Thirteen

An Act to reduce fraud in the delivery of state benefits based on income eligibility.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Chapter 7 of the General Laws, as appearing in the 2010 Official Edition, is
2 amended by adding the following new section at the end thereof:-

3 Section 62. State Benefits Fraud Prevention Pilot Program

4 (a) All persons applying or reapplying for any state-funded benefits, including grants,
5 goods or services, based on income eligibility shall be required to complete and submit to the
6 department or agency to which such application is made an Expenditure Verification
7 Questionnaire substantially in the form included at Chapter 7 Appendix 2-1, in addition to any
8 other eligibility application or submission required by said department or agency.

9 (b) Any person who responds in the affirmative on the Expenditure Verification
10 Questionnaire shall be subject to review and audit by the agency or the state auditor, or both, to
11 determine actual eligibility for such benefits based on all assets, savings and income from any
12 source. Upon receipt of any Expenditure Verification Questionnaire with affirmative response,
13 the department or agency shall forward one copy of the questionnaire to the division within such
14 department or agency that is responsible for verifying eligibility criteria for further review, one
15 copy of the questionnaire to the state auditor, and one copy of the questionnaire to the Executive
16 Office of Administration and Finance. For ease of analysis, the data within such questionnaires
17 may be forwarded rather than the questionnaires.

18 (c) Upon completion of such review and audit, any person found to have sufficient
19 income, savings and assets as no longer to meet the income eligibility standards for benefits shall
20 be terminated from such benefit program and no further state funds shall be expended for that

21 purpose. Any such person may reapply for benefits upon a showing that they subsequently have
22 become income eligible after consideration of income from any source. Any person who
23 materially falsely represented their income, savings and assets on the questionnaire, as
24 determined by the Executive Office of Administration and Finance or the state auditor, and is
25 found to have sufficient income, savings and assets as no longer to meet the income eligibility
26 standards for benefits shall be terminated from such benefit program, shall be liable to the
27 Commonwealth for reimbursement of all benefits wrongly received as well as the cost of
28 collecting such reimbursement, and shall be foreclosed from reapplying for any benefits for a
29 period of one year, except nothing in this section shall preclude payment of benefits otherwise
30 eligible for the care and support of children age 17 or under.

31 (d) Notwithstanding any special or general law to the contrary, the Executive Office of
32 Administration and Finance may contract with collection counsel on a contingent fee basis up to
33 30 percent of monies collected for review of questionnaire compliance and claims for
34 reimbursement for the receipt of benefits for which the applicant was in fact ineligible.

35 Section 2. Appendix to Chapter 7, as appearing in the 2010 Official Edition, shall be
36 amended by inserting at the end thereof the following new section:-
