An Act to require national background checks.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1 SECTION 1. Section 172 of chapter 6 of the General Laws, as appearing in the 2008  
2 Official Edition, is amended by inserting the following new section 172J as follows:-

3 Notwithstanding any other provision of law, any person seeking employment or a  
4 position as a regular volunteer or trainee to provide services for, or, on behalf of the Department  
5 of Developmental Services or its vendor agency programs where such employment or position  
6 involves potential unsupervised contact with individuals with an intellectual disability (or other  
7 individuals determined to be eligible clients of the Department of Developmental Services) shall  
8 be required to have a national criminal background check prior to assuming said employment or  
9 position. Said criminal background check will be determined by using the Integrated Automated  
10 Fingerprint Identification System maintained by the Federal Bureau of Investigation’s Criminal  
11 Justice Information Services Division.

12 It shall be the responsibility of the Commonwealth to ensure that said criminal  
13 background checks are processed for review prior to such time that an individual seeking  
14 employment or a position as a volunteer or trainee assumes said employment or position.

15 Any person who willfully requests, obtains or seeks to obtain criminal offender record  
16 information or the equivalent from other jurisdictions under false pretenses, or who willfully  
17 communicates or seeks to communicate criminal offender record information or the equivalent  
18 from other jurisdictions to any agency or person except in accordance with the provisions of  
19 sections one hundred and sixty-eight to one hundred and seventy-five, inclusive, or any member,  
20 officer, employee or agency of the board or any participating agency, or any person connected  
21 with any authorized research program, who willfully falsifies criminal offender record  
22 information, or the equivalent from other jurisdictions, or any records relating thereto, shall be in  
23 violation of this provision.

24 The Criminal History Systems Board, the Disabled Persons Protection Commission, and  
25 the State Police shall collaborate and jointly oversee the participation by all Department of  
26 Developmental Services providers in any interstate system for the exchange of criminal offender  
27 record information or the equivalent from other jurisdictions and shall be responsible to assure  
28 the consistency of such participation including redacting information so that criminal offender  
29 record information or the equivalent from other jurisdictions is limited to convictions and open  
30 cases, and, that juvenile records are not made available. Any provider of services to individuals  
31 pursuant to a contract with the Department that hires, retains or supervises an employee,  
32 volunteer or trainee whom the provider knows or should know, will potentially come into  
33 unsupervised contact with such individuals, and, because of a criminal conviction or pending  
34 criminal charge of a nature that would pose a unacceptable risk of physical harm to or financial  
35 exploitation of such individuals shall be in violation of this provision. The hiring authority shall  
36 use, when making a determination of unacceptable risk, the guidelines as provided by existing  
37 Department of Developmental Services regulations.

38 The Board shall afford an individual who may be wrongly associated with a record or  
39 whose record may contain errors, the opportunity to contest the accuracy of an out-of-state  
40 record. Each individual shall have the right to inspect, and if practicable, copy, criminal offender  
41 record information or the equivalent from other jurisdictions which refers to him. If an individual  
42 believes such information to be inaccurate or incomplete, the Criminal Systems History Board  
43 shall notify the state whose record is contested and assist the individual in following the process  
44 for correcting inaccuracies in that state, as well as notify the agency to whom the record was  
45 disseminated that the record is being contested and that no adverse action can be taken by that  
46 agency pending a resolution of the dispute. This matter should be resolved as soon as practicable  
47 but no later than 30 days after notification. Agencies at which criminal offender records or the  
48 equivalent from other jurisdictions are sought to be inspected shall prescribe reasonable hours  
49 and places of inspection, and shall impose such additional restrictions as may be approved by the  
50 board, as are reasonably necessary both to assure the record's security and to verify the identities  
51 of those who seek to inspect them.
