An Act relative to the treatment of prisoners..

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1 SECTION 1. Chapter 127 of the General Laws is hereby amended by adding after  
2 Section 32 the following new section:—

3 Section 32A. TREATMENT OF EMOTIONALLY DISTURBED PRISONERS

4 (A) Prohibitions Concerning Intervention for Suicide Attempts and Self-Mutilation

5 (1) A prisoner who either commits self-mutilation or attempts suicide shall not be  
6 disciplined

7 or punished for such behavior, nor shall the prisoner be segregated or isolated except to  
8 the

9 extent specifically authorized by medical staff for treatment. The use of “closed solid  
10 door isolation,” so-called, to punish or manage suicidal or self-mutilating prisoners is specifically  
11 prohibited.

12 (B) Requirements Concerning Intervention for Suicide Attempts and Self-Mutilation

13           (1) The commissioner shall require that the following steps be taken to insure appropriate  
14 responses to suicide attempts. Institutional staff will be trained in techniques for responding to  
15 suicide attempts and self-mutilation that ensure the safe and quick extrication of prisoners who  
16 hang themselves and the provision of necessary first aid. A prisoner who commits selfmutilation  
17 or attempts suicide shall immediately receive appropriate medical attention and shall be  
18 interviewed by a licensed mental health professional within twelve hours of the incident, which  
19 interview shall be logged in the inmate's medical record and in the block log where the prisoner  
20 is located at the time of the interview.
