The Commonwealth of Massachusetts

In the Year Two Thousand Thirteen

An act relative to standardizing rabies vaccination certificates.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Section 145B of chapter 140 of the general laws, as appearing in the 2008
2 Official Edition, is hereby amended by striking out the first paragraph and inserting in place
3 thereof the following paragraph:-

4 Whoever is the owner or keeper of a dog or cat in the commonwealth six months of age
5 or older shall cause such dog or cat to be vaccinated against rabies by a licensed veterinarian
6 using a licensed vaccine according to the manufacturer's directions, and shall cause such dog or
7 cat to be revaccinated at intervals recommended by the manufacturer. Unvaccinated dogs and
8 cats acquired or moved into the commonwealth shall be vaccinated within 90 days after the
9 acquisition or arrival into the commonwealth or upon reaching the age of 6 months, whichever
10 last occurs. It shall be the duty of each veterinarian, at the time of vaccinating any dog or cat, to
11 complete a certificate of rabies vaccination which shall include, but not be limited to the
12 following information: the owner's name and address; a description of the animal, including
13 breed, sex, date of birth, name and distinctive markings; the date of vaccination; the rabies
14 vaccination tag number; the type of rabies vaccine used; the route of vaccination; the expiration
15 date of the vaccine; and the vaccine lot number. Distribution of copies of the certificate shall be:
16 the original to the owner, 1 copy retained by the issuing veterinarian and, within 14 days of the
17 vaccination, 1 copy to the town or city clerk where the dog or cat is kept. All rabies certificates

shall be in the following form and shall be printed in at least 12 point type on 8 ½ by 11 inches sheets of non-carbon issued paper:
