

HOUSE No. 2021

The Commonwealth of Massachusetts

PRESENTED BY:

Jason M. Lewis

To the Honorable Senate and House of Representatives of the Commonwealth of Massachusetts in General Court assembled:

The undersigned legislators and/or citizens respectfully petition for the adoption of the accompanying bill:

An Act providing for a viral hepatitis prevention, screening, treatment and education program.

PETITION OF:

NAME:	DISTRICT/ADDRESS:	DATE ADDED:
<i>Jason M. Lewis</i>	<i>Fifth Middlesex</i>	<i>1/17/2013</i>
<i>Kay Khan</i>	<i>11th Middlesex</i>	
<i>Denise Provost</i>	<i>27th Middlesex</i>	

HOUSE No. 2021

By Mr. Lewis of Winchester, a petition (accompanied by bill, House, No. 2021) of Jason M. Lewis, Kay Khan and Denise Provost relative to establishing a program for viral hepatitis prevention, screening, treatment and education within the Department of Public Health. Public Health.

The Commonwealth of Massachusetts

In the Year Two Thousand Thirteen

An Act providing for a viral hepatitis prevention, screening, treatment and education program.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Chapter 111 of the General Laws, as appearing in the 2010 Official
2 Edition, is hereby amended by striking out Section 4M and inserting in place thereof, the
3 following section:

4 Section 4M. The department shall:

5 (a) Conduct a needs assessment to determine the incidence and prevalence of
6 hepatitis B virus (HBV) and hepatitis C virus (HCV) in Massachusetts ;

7 (b) Develop and implement a program to prevent further transmission of viral
8 hepatitis and to prevent onset of chronic liver disease caused by viral hepatitis;

9 (c) Develop and implement a statewide public education and community outreach
10 program, subject to appropriation, to raise awareness about and promote prevention of viral
11 hepatitis;

12 (d) Develop or approve evidence based educational materials on the risks, diagnosis ,
13 treatment and prevention of viral hepatitis. These materials shall be made available in written
14 and electronic form. These materials shall be targeted to physicians and other health care
15 providers, current and former members of the armed services, incarcerated persons, persons born
16 between the years 1945 and 1965, youth, racial and ethnic minorities, and other persons subject
17 to increased risk of contracting viral hepatitis as determined by the department.

- 18 (e) Support the establishment and maintenance of a chronic and acute hepatitis B and
19 hepatitis C surveillance program, in order to identify:
- 20 i. trends in the incidence of acute and chronic hepatitis B and acute and chronic
21 hepatitis C
- 22 ii. trends in the prevalence of acute and chronic hepatitis B and acute and chronic
23 hepatitis C infection among groups that may be disproportionately affected; and
- 24 iii. trends in liver cancer and end-stage liver disease incidence and deaths, caused by
25 chronic hepatitis B and chronic hepatitis C in the high-risk ethnic populations
- 26 (f) Report on its viral hepatitis education, awareness, and prevention education and
27 community outreach efforts to the joint committee on public health, and the House and Senate
28 committees on ways and means annually, beginning on January 1, 2014.
