An Act relative to radiological air monitoring.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           SECTION 1. Subsection E of Section 5K of Chapter 111 of the General Laws is hereby  
2 amended by striking the text of the section and inserting in place thereof the following:

3  
4           The department is hereby authorized to make assessments against (i) the operator of each  
5 existing and proposed nuclear power plant in the commonwealth and (ii) electric companies in  
6 the commonwealth which own, in whole or in part, or purchase power from the Seabrook nuclear  
7 power plant and/or Vermont Yankee nuclear power plant to defray costs incurred by the  
8 department's radiation control program in the performance of its duties under this section. Costs  
9 that shall include, but not be limited to, the purchase, installation, maintenance of real-time  
10 radiological air monitoring station to be located in Massachusetts communities impacted by:  
11 Pilgrim, including Cape Cod; Vermont Yankee, including Berkshire county and Seabrook  
12 Nuclear Power Stations, including Essex county. With respect to the fiscal year in which this  
13 section becomes effective, the department is authorized to make assessments in the amount of  
14 not less than \$400,000 with respect to each of such nuclear power plants. With respect to  
15 subsequent fiscal years, the department is authorized to make assessments in amounts that, in the  
16 aggregate, are equal to the costs incurred in the prior fiscal year by the department's radiation  
17 control program in the performance of its duties under this section. The department is hereby  
18 further authorized to make a collection, based on such assessments, of monies from said  
19 operators of nuclear power plants to defray the cost of such activities. The department shall send  
20 notice of its assessment to the individual company against which an assessment is made, and said

21 company shall pay such assessment within 30 days of the notice of the assessment; provided,  
22 however, that such company shall have a reasonable opportunity to submit objections concerning  
23 said assessment to the department for review. If, after completion of such review, the department  
24 determines the assessment is valid, the department shall issue a demand for such assessment, and  
25 the company against which such assessment is made shall pay such assessment immediately. If a  
26 company subject to assessment under this section fails to pay the assessment within 30 days of  
27 the notice of the assessment, or fails to pay the demand for assessment upon completion of the  
28 final review, whichever occurs later, the department may refer such matter to the department of  
29 revenue for the collection of the assessment in accordance with applicable enforcement  
30 provisions pursuant to chapter 62C. The amount so collected shall be deposited into the General  
31 Fund and credited to the department.
