1 In any city, town or district which accepts the provisions of this section, the board of
2 selectmen of a town or the prudential committee in a district, or in a municipality having a town

4 in a city may establish a program to allow persons to serve as an volunteer, call or auxiliary

10 responsibility of the city or town to maintain a record for each taxpayer including, but not limited
11 to, the criteria used for calculation of the tax reduction and the total amount by which the real
12 property tax has been reduced and to provide a copy of such record to the assessor in order that
13 the actual tax bill reflect the reduced rate. A copy of such record shall also be provided to the
14 taxpayer prior to the issuance of the actual tax bill. Such cities, towns and districts shall have the
15 power to create local rules and procedures for implementing this section in any way consistent

20 purposes of taxation as provided in chapter 62, for the purposes of withholding taxes as provided
21 in chapter 62B, for the purposes of workers' compensation as provided in chapter 152 or any
22 other applicable provisions of the General Laws, but such person while providing such services

23 shall be considered a public employee for the purposes of chapter 258, but such services shall not
24 be deemed employment for the purposes of unemployment insurance as provided in chapter
