An Act relative to municipal relief.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           Whereas , the deferred operation of this act would tend to defeat its purpose, which is  
2 forthwith to provide for additional tax revenue for cities and towns , therefore it is hereby  
3 declared to be an emergency law, necessary for the immediate preservation of the public  
4 convenience.

5           SECTION 1. Chapter 15A of the general laws is hereby amended by adding the  
6 following section:-

7           Section 42. Notwithstanding the provisions of any general or special law to the contrary,  
8 the board of higher education shall provide annually for grants to the community college  
9 segment of the system. Grants shall be provided in equal amounts to such community colleges  
10 from the proceeds received by the board pursuant to section 61 of chapter 40. Such grants shall  
11 not be subject to appropriation and shall not result in direct or indirect reductions in the  
12 commonwealth’s appropriation or capital outlay for such segment.

13           SECTION 2. Chapter 40 of the general laws, as appearing in the 2008 Official Edition, is  
14 hereby amended by adding the following section:-

16 that has not granted a petition to a charitable organization for the exemption of real property

17 taxes pursuant to the third clause of section 5 of chapter 59 shall deposit the receipt of such funds  
18 in a municipal relief fund pursuant to this section.

19 (b) A city or town shall establish a fund to be known as the Municipal Relief Fund. The  
20 purpose of the fund is to provide for the funding of public higher education, public schools, and  
21 libraries. The fund shall consist of: (1) revenues to be credited in accordance with the provisions  
22 of the third clause of section 5 of chapter 59; (2) any appropriation or authorization of the  
23 general court; and (3) any other amounts to be explicitly credited to the fund from any source, to  
24 include any public or private, donations, grants, repayments and other receipts.

25 (c) The treasurer of a city or town shall receive and deposit all monies credited to the  
26 fund in financial institutions as to provide the highest interest rate consistent with the safety of  
27 the monies so deposited and to allow the immediate withdrawal of such monies without penalty.  
28 All accrued investment income shall be credited to the fund.

29 (d) Amounts credited to the fund shall be made available annually, without appropriation,  
30 for the following purposes and in the following amounts:

31 (1) 40 per cent of the proceeds of the fund annually to provide for funding of the  
32 community college segment of the system of public institutions of higher education within the  
33 commonwealth; provided, that such funds shall be paid to the board of higher education pursuant  
34 to section 42 of chapter 15A.

38 libraries located within the city or town.

39 (e) No expenditure or obligation for expenditure from the fund shall be made to cause the  
40 fund to become deficient at any time during a fiscal year. All available moneys in the fund that  
41 are unexpended at the end of each fiscal year shall not revert to the city or town general fund and  
42 shall be available for expenditure in the subsequent fiscal year.

43 SECTION 3. Section 5 of chapter 59 of the general laws is hereby amended by striking  
44 out the Third clause and inserting in place thereof the following clause:-

45 Third, Personal property of a charitable organization, which term, as used in this clause,  
46 shall mean (1) a literary, benevolent, charitable or scientific institution or temperance society  
47 incorporated in the commonwealth, and (2) a trust for literary, benevolent, charitable, scientific  
48 or temperance purposes if it is established by a declaration of trust executed in the  
49 commonwealth or all its trustees are appointed by a court or courts in the commonwealth and if  
50 its principal literary, benevolent, charitable, scientific or temperance purposes are solely carried  
51 out within the commonwealth or its literary, benevolent, charitable, scientific or temperance

70 imposed by this chapter on properties so used. In the case of the exemption of property from tax  
71 for a part of the year, the tax imposed shall bear the same proportion to the tax which would be

85 persons adjudged insane by due process of law may be committed shall be exempt from taxation  
86 on personal property and buildings so occupied or used, but shall be subject to taxation on the  
87 fair cash value of the land owned by it and used for the purposes of such asylum, hospital or
