An Act to promote water conservation.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           SECTION 1. Notwithstanding any general or special law, rule or regulation to the  
2 contrary, the Department of Revenue shall, in consultation with the Department of Agricultural  
3 Resources, create a fifty percent personal income tax credit on the purchase and installation of up  
4 to five-hundred dollars worth of WaterWise plants and landscaping items.

5           The Commissioner of Agriculture, in consultation with the Department of Environmental  
6 Protection, shall develop a list of WaterWise plants and landscaping items intended to reduce  
7 water usage, including, but not limited to: drought resistant plants that last for more than one  
8 year; kits or devices specifically designed for generating compost; grey-water recovery systems  
9 where the effluent is used for watering plants; rainwater recovery and storage devices where they  
10 are used for watering plants; rain sensors for irrigation systems; and, underground drip irrigation  
11 systems.
