1 SECTION 1. The General Laws, as appearing in the 2010 Official Edition, are hereby  
2 amended by inserting after chapter 3 the following chapter:-

3 CHAPTER 3A

4 THE SUNSET ACT

5 Section 1. There is hereby established a procedure for the identification and  
6 elimination of waste, duplication and inefficiency in state government agencies and  
7 authorities established by statute, regulation or executive order to be known as the Sunset Act.

8 Section 2. As used in this chapter, the following words shall, unless the context clearly  
9 requires otherwise, have the following meanings:

10 "Advisory committee", a committee, council, commission or other entity  
11 established under state law whose primary function is to advise a state agency.

12 "Agency", a state agency as defined in section 1 of chapter 29.

13 "Authority", a state authority as defined in section 1 of chapter 29.

14 "Commission", the sunset advisory commission established in section 3.

15 Section 3. (a) There shall be a sunset advisory commission consisting of 3

16 members of the senate, 1 of whom shall be appointed by the minority leader, 3 members  
17 of house of representatives, 1 of whom shall be appointed by the minority leader. The president  
18 of the senate and the speaker of the house of representatives may serve as legislative appointees.

19 (b) Legislative members shall serve 2-year terms, conterminous with their service as  
20 elected members of the legislature. If the president of the senate or the speaker of the house of  
21 representatives serves on the commission, the president or speaker's service shall continue until  
22 resignation from the commission or until the individual ceases to hold the office.

23 (c) Any member, other than the president of the senate and the speaker of the house of  
24 representatives, who serves a full term may not be appointed to an immediately succeeding term.

25 (d) The president of the senate and the speaker of the house of representatives shall make  
26 their appointments before February 1 of each odd-numbered year.

27 (e) If a legislative member ceases to be a member of the house from which the member  
28 was appointed, the seat held by that member shall be considered vacant.

29 (f) If a vacancy occurs, the appropriate appointing authority shall appoint a person to  
30 serve for the remainder of the unexpired term in the same manner as the original appointment.

31 (g) The commission shall have a chair and a vice-chair as presiding officers. The chair  
32 and vice-chair positions shall alternate every 2 years between the 2 membership groups  
33 appointed by the president of the senate and the speaker of the house of representatives. The  
34 chair and vice-chair shall not be from the same membership group. The president of the senate  
35 shall designate a presiding officer from the president's appointed membership group and the  
36 speaker shall designate the other presiding officer

37 from the speaker's appointed membership group.

38 (h) Four members of the commission shall constitute a quorum. A final action or  
39 recommendation shall not be made unless approved by a recorded roll call vote of a majority of  
40 members appointed by the president of the senate and the speaker of the house of representatives.  
41 All other actions by the commission shall be decided by a majority of the members present and  
42 voting, so long as a quorum is present.

43 Section 4. The commission shall adopt rules necessary to carry out this chapter.

44 Section 5. Before July 1 of the odd-numbered year before the year in which an agency,  
45 advisory committee or authority subject to this chapter is abolished, the agency, advisory  
46 committee or authority shall report to the commission:

50 considers appropriate or that the commission requests.

51 Section 6. (a) Within 1 year of the appointment and qualification of the members of the  
52 commission and the organization of the commission staff, the commission shall assign sunset  
53 dates for each agency, authority and advisory committee of the commonwealth and shall notify  
54 the head of such agency, authority and advisory committee of the date selected. The commission  
55 shall then file legislation with the general court to implement the abolition schedule.

67 resulting legislation.

68 (c) The written report prepared by the commission under clause (3) of subsection (b) shall  
69 be a public record.

70 Section 7. (a) Before February 1 of the year in which an agency, advisory  
71 committee or authority subject to this chapter and is to be abolished, the commission  
72 shall conduct public hearings concerning, but not limited to, the application to the agency,

163 (d) After the legislature acts on the report, the commission shall present to the secretary  
164 of administration and finance, the commission's recommendations that do not require a statutory  
165 change to be put into effect.

166 Section 11. In the 2-year period preceding the date scheduled for the abolition of a state  
167 agency, authority or advisory committee under this chapter, the commission may exempt certain  
168 agencies, authorities or advisory committees from the requirements of this chapter relating to  
169 staff reports, hearings and reviews.

170 (a) The commission may only exempt an agency, authority or advisory committee that  
171 has been (i) inactive for a period of 2 years preceding the date the agency, authority or advisory  
172 committee is scheduled for abolition or (ii) rendered inactive by an action of the legislature.

173 (b) The commission's action in exempting an agency, authority or advisory  
174 committee under this section shall be done by an affirmative record vote and shall be  
175 decided by a majority of all members present and voting.

176 Section 12. During each legislative session, the staff of the commission shall  
177 monitor legislation affecting agencies, authorities and advisory committees that have  
178 undergone sunset review and shall periodically report to the members of the commission on  
179 proposed changes which would modify prior recommendations of the commission.

180 Section 13. An advisory committee, the primary function of which is to advise a  
181 particular agency or authority, shall be abolished on the date set for abolition of the agency or  
182 authority unless the advisory committee shall have been expressly continued by law.

183 Section 14. (a) During the annual session immediately before the abolition of an agency,  
184 authority or an advisory committee that is subject to this chapter, the legislature may continue the  
185 agency, authority or advisory committee for a period not to exceed 12 years.

186 (b) This chapter shall not prohibit the legislature from:

187 (1) terminating a state agency, authority or advisory committee subject to  
188 this chapter at a date earlier than that provided in this chapter; or

189 (2) considering other legislation relative to a state agency, authority or  
190 advisory committee subject to this chapter.

191 Section 15. (a) An agency, authority or advisory committee that is abolished in an odd-  
192 numbered year may continue in existence until June 30 of the following year to conclude its  
193 business. Unless the law provides otherwise, abolition shall not reduce or otherwise limit the  
194 powers and authority of the agency or authority during the concluding year. An agency or  
195 authority shall be terminated and shall cease all activities at the expiration of the 1-year period.  
196 Unless the law provides otherwise, all rules that have been adopted by the agency or authority  
197 shall expire at the expiration of the 1-year  
198 period.

199 (b) An un-obligated or unexpended appropriation of an abolished agency or  
200 advisory committee shall lapse on September 1 of the year after abolition.

201 (c) Except as provided by subsection (f) or as otherwise provided by law, all  
202 money in a dedicated fund of an abolished state agency, authority or advisory committee  
203 on September 1 of the year after abolition shall be transferred to the General Fund. Any law  
204 dedicating money to a specific fund of an abolished agency shall become void on September 1 of  
205 the year after abolition.

206 (d) Unless otherwise provided, an abolished state agency, authority or advisory  
207 committee funded by the legislature may not spend or obligate any of the money appropriated  
208 beyond 1 year from the date of abolition.

209 (e) Unless the governor designates an appropriate agency as prescribed by  
210 subsection (f), property and records in the custody of an abolished state agency, authority  
211 or advisory committee on September 1 of the year after abolition shall be transferred to the state  
212 archives. If the governor designates an appropriate agency, the property and records shall be  
213 transferred to the designated agency.

214 (f) This chapter shall not impair or impede the payment of bonded indebtedness and all  
215 other obligations, including lease, contract and other written obligations, under their terms. If an  
216 abolished agency or authority has outstanding bonded indebtedness or other outstanding  
217 obligations, including lease, contract or other written obligations, the bonds and all other  
218 obligations, including lease, contract and other written obligations shall remain valid and  
219 enforceable under their terms and subject to all applicable terms and conditions of the laws and  
220 proceedings authorizing the bonds and all other obligations, including lease, contract and other  
221 written obligations. The governor shall designate an appropriate agency or authority that shall  
222 continue to carry out all covenants contained in the bonds and in all other obligations, including  
223 lease, contract and other written obligations, to complete the construction of projects or the  
224 performance of other

225 obligations, including lease, contract and other written obligations. The designated  
226 agency or authority shall provide payment from the sources of payment of the bond under the  
227 terms of the bonds and shall provide payment from the sources of payment of all other  
228 obligations, including lease, contract and other written obligations, under their terms, whether  
229 from taxes, revenues or otherwise, until the bonds and interest on the

230 bonds are paid in full and all other obligations, including lease, contract and other written  
231 obligations, are performed and paid in full. If the proceedings so provide, all funds established by  
232 laws or proceedings authorizing the bonds or authorizing other obligations, including lease,  
233 contract and other written obligations, shall remain with the comptroller or the previously  
234 designated trustees. If the proceedings do not provide that the funds

235 remain with the comptroller or the previously designated trustees, the funds shall be  
236 transferred to the designated agency or authority.

237 Section 16. (a) The commission may issue a subpoena to compel the attendance of  
238 witnesses and the production of books, records, papers and other objects necessary or proper for  
239 the purposes of the commission proceedings. The subpoena may be served on a witness at any  
240 place in the commonwealth.

241 (b) If a majority of the commission directs the issuance of a subpoena, the  
242 chairman shall issue the subpoena in the name of the commission.

243 (c) If the chairman is absent, the chairman's designee may issue a subpoena or other  
244 process in the same manner as the chairman.

245 (d) If necessary to obtain compliance with a subpoena or other process, the  
246 commission may issue attachments. The attachments may be addressed to and served by  
247 a constable, sheriff or deputy sheriff in the commonwealth.

248 (e) Testimony taken under subpoena shall be reduced to writing and given under oath  
249 subject to the penalties of perjury.

250 (f) A witness who attends a commission proceeding under process shall be paid the same  
251 fees and mileage paid witnesses in courts of the commonwealth.

252 Section 17. (a) The commission may request the assistance of agencies. When assistance  
253 is requested, an agency or an agency officer shall reasonably assist the commission.

254 (b) In carrying out its functions under this chapter, the commission or its  
255 designated staff member may inspect the records, documents and files of any agency or  
256 authority.

257 Section 18. (a) A working paper, including all documentary or other information,  
258 prepared and maintained by the commission staff in performing its duties under this chapter or  
259 other law to conduct an evaluation and prepare a report shall be exempt from the public  
260 disclosure requirements of chapter 66.

261 (b) A record held by another entity that is considered to be confidential by law and that  
262 the commission receives in connection with the performance of the commission's functions  
263 under this chapter or another law remains confidential and shall be exempt from the public  
264 disclosure requirements of chapter 66.

265 Section 19. If an employee is displaced because an agency, authority or advisory  
266 committee is abolished, reorganized or continued, the head of the agency, authority or advisory

267 committee and the personnel administrator of the commonwealth shall make a reasonable effort  
268 to relocate the displaced employee. Except as otherwise expressly provided, abolition of an  
269 agency, authority or advisory committee shall not affect the rights and duties that matured,  
270 penalties that were incurred, civil or criminal liabilities that arose or proceedings that were begun  
271 before the effective date of abolition.

272 Section 20. (a) Each bill filed in the legislature that would create a new agency, authority  
273 or advisory committee to an agency shall be reviewed by the commission.

274 (b) The commission shall review the bill to determine whether:

275 (1) the proposed functions of the agency, authority or committee could be  
276 administered by 1 or more existing agencies, authorities or advisory committees;

277 (2) the form of regulation, if any, proposed by the bill is the least  
278 restrictive form of regulation that will adequately protect the public;

279 (3) the bill provides for adequate public input regarding any regulatory  
280 function proposed by the bill; and

281 (4) the bill provides for adequate protection against conflicts of interest  
282 within the agency, authority or advisory committee.

283 (c) On request, the commission shall forward a written comment on the legislation to the  
284 legislator who filed the bill and to the presiding officer of the legislative committee to which the  
285 bill has been referred.

286 Section 21. (a) The commission may accept from any source any grant, donation, gift or  
287 other form of conveyance of land, money, other real or personal property or other item of value  
288 made to the commonwealth or the commission for carrying out the purpose of this chapter.
