An Act relative to the State House art commission and State House architect.

*Whereas*, The deferred operation of this act would tend to defeat its purpose, which is to allow the State House Art Commission to operate more effectively and create the honorary position of State House Architect, therefore it is hereby declared to be an emergency law, necessary for the immediate preservation of the public convenience.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           SECTION 1. Section 19 of chapter 6 of the General Laws, as appearing in the 2010  
2 Official Edition, is hereby repealed.

3           SECTION 2. Said chapter 6 is hereby further amended by striking out section 20, as so  
4 appearing, and inserting in place thereof the following section:-

5           Section 20. (a) There shall be an art commission for the state house consisting of 7  
6 members, all of whom shall be qualified by training or experience in public art, museum  
7 collections or historic preservation. Four of the commission members shall be appointed by the  
8 governor, 1 shall be appointed by the senate president, 1 shall be appointed by the speaker of the  
9 house and 1 shall be appointed by the secretary of the commonwealth. Each member shall serve  
10 a term of 5 years or until a successor is appointed and may be reappointed. Each member shall be  
11 a resident of the commonwealth. The members shall not be compensated for their services but  
12 shall be reimbursed for travel and other expenses necessary for the performance of their duties.

13 The commission shall have the power to adopt its own rules and elect such officers as may be  
14 deemed proper.

15 (b) The superintendent of the state house shall appoint a state house curator from among  
16 candidates recommended by the commission. The curator shall be qualified by training and  
17 experience in historic preservation and art collections management, care and conservation. The  
18 curator shall report to the commission and be responsible for the administrative and professional  
19 duties associated with both the day to day oversight of the state house art and artifact collection  
20 and all aspects of the historic preservation of the state house and its grounds. The curator shall be  
21 classified in accordance with section 45 of chapter 30 and the salary shall be determined in  
22 accordance with section 46C of chapter 30. The curator may be employed on a full-time or part-  
23 time basis.

24 (c) The commission shall maintain care and custody of all works of art and historical  
25 artifacts in the state house art collection, including those inside the state house, on its grounds, on  
26 display and in storage. The commission shall oversee their care according to the codes of ethics  
27 and standards for practice established by the American Alliance of Museums and the American  
28 Institute for Conservation of Historic and Artistic Works, as the codes and standards may be  
29 amended from time to time.

30 The commission shall oversee the handling and display of works of art and historical  
31 artifacts in public areas and private offices, provided, however, that said commission shall not  
32 place in or remove from any space in the state house assigned to the general court any such  
33 works of art or historical artifact without the approval of the committees on rules of the 2  
34 branches, acting concurrently.

35 (d) The commission shall serve as an advisor to the governor and legislature on all artistic  
36 matters at the state house, including the historic preservation of the building.

37 (e) The commission shall direct the process of acquisitions to the state house art  
38 collection, from review of all plans to final approval of completed art works. The art commission  
39 shall be advised of any proposal relative to the permanent addition of works of art or historical  
40 artifacts to the state house art collection and shall submit its opinion regarding the  
41 appropriateness of proposed art work prior to the approval required by section 21 of chapter 8.

42 (f) The commission shall review and approve any plan or design relative to the creation,  
43 acquisition, construction, erection or remodeling of any work of art at the state house. The  
44 commission shall consult with sponsors or donors to revise and refine such plans and designs as  
45 may be necessary. The commission shall give its final approval only upon the arrival of the work  
46 of art at the state house. If the commission gives such final approval, it shall file its  
47 recommendation of acceptance with the governor within 30 days, along with such suggestions  
48 and recommendations as it may deem proper.

49 (g) The commission may receive grants, gifts, bequests and other contributions for the  
50 maintenance, restoration and acquisition of works of art and historical artifacts.

51 (h) As used in this section, “work of art” shall include (1) portraits or other memorials  
52 procured under the provisions of section 19 or 19A of chapter 8 and (2) any painting, portrait,  
53 mural decoration, stained glass, statue, bas-relief, decorative art, fountain or any other article or  
54 structure of a permanent character intended for decoration or commemoration. As used in this  
55 section, “historical artifact” shall mean an object commemorating, representing or with specific  
56 ties to a significant historical event or era in the history of the commonwealth; provided,  
57 however, that it shall not include flags under the care of the state superintendent of state office  
58 buildings pursuant to section 17A of said chapter 8.

59 SECTION 3. Said chapter 6 is hereby further amended by inserting after section 20 the  
60 following section:-

61 Section 21. (a) The governor shall select an architect of the state house from a list of 3  
62 nominees submitted by the nominating committee pursuant to this paragraph. The governor shall  
63 appoint the architect within 30 days after receiving the list of nominees. The architect shall be  
64 appointed to serve for a term of 5 years or until a successor is appointed.

65 The nominating committee shall consist of 7 members, 2 of whom shall be members of  
66 the senate appointed by the senate president, 1 of whom shall be a member of the senate  
67 appointed by the senate minority leader, 2 of whom shall be members of the house of  
68 representatives appointed by the speaker of the house, 1 of whom shall be a member of the house  
69 of representatives appointed by the minority leader of the house of representatives, and 1 of  
70 whom shall be appointed by the governor. The members of the nominating committee shall serve  
71 without compensation.

72 Before the expiration of the term of the architect or upon a vacancy in the position, the  
73 nominating committee shall request and receive 5 nominations for the selection of the architect  
74 from the Massachusetts chapter of the American Institute of Architects. The nominating  
75 committee shall review all nominations and select 3 nominees who are residents of the  
76 commonwealth and have achieved fellow status within the American Institute of Architects.  
77 With the names of the 3 nominees, the nominating committee shall submit to the governor  
78 biographical and professional information about each nominee along with supporting  
79 representative material that shows why the nominee is deserving of appointment as the architect  
80 of the state house.

81 (b) The architect of the state house shall be an honorary position and the person  
82 appointed shall receive no remuneration and shall not be considered a state official or employee  
83 for such person’s service. The architect of the state house shall be an advocate for the physical,  
84 historic and aesthetic nature of the state house and seek to raise the consciousness of all people to

a greater appreciation of the architecture and architectural history of the state house and other architecturally significant public buildings in the commonwealth.

SECTION 4. Chapter 10 of the General Laws is hereby amended by inserting after section 35X the following section:-

Section 35Y. (a) There shall be established and set upon the books of the commonwealth a separate fund to be administered by the state house curator, which shall be known as the State House Art Commission Fund. The fund shall assist in the custody, care and creation of all works of art and historical artifacts in the state house under section 20 of chapter 6. The fund shall be an expendable trust fund and shall not be subject to appropriation.

(b) There shall be credited to the fund, revenue from appropriations or other monies, gifts, grants, private contributions, repayment of loans, investment income earned on the fund's assets and all other sources. Money remaining in the fund at the end of a fiscal year shall not revert to the general fund.

(c) The state house curator shall maintain the fund as a separate fund and it shall be subject to annual audit by the state auditor.

SECTION 5. SECTION 6. Notwithstanding any general or special law to the contrary, the term of the sitting members of the arts commission as established in section 19 of chapter 6 of the General Laws shall expire 90 days after the effective date of this act.
