4 collection of the taxes and penalties imposed under chapters 64H and 64I, including the  
5 collection and administration of all taxes imposed on remote sellers.

6           The commissioner shall take such administrative actions as are necessary to comply with  
7 any law enacted by the Congress of the United States that requires states to simplify the  
8 collection of sales and use taxes for remote sellers, including but not limited to applicable  
9 requirements relating to: (i) providing adequate software and services to remote sellers and

11 sales that the commonwealth taxes under chapter 64H or 64I; (ii) providing certification  
12 procedures for both single providers and consolidated providers to make software and services  
13 available to remote sellers; (iii) ensuring that no more than one audit be performed or required  
14 for all state and local taxing jurisdictions within the commonwealth; and (iv) requiring that no  
15 more than one sales and use tax return per month be filed with the department of revenue by any  
16 remote seller or any single or consolidated provider on behalf of such remote seller.

17           The procurement rules in Chapter 30B shall not apply to the certification process for  
18 software providers.

19           SECTION 2. Notwithstanding any general or special law, if a federal law is enacted that  
20 authorizes states to require remote sellers to collect sales and use taxes, then the commonwealth  
21 shall, as permitted by such federal legislation, require collection of sales and use tax by any  
22 remote seller, or a single or consolidated provider acting on behalf of a remote seller. The
