An Act relative to certain parcels of land in the city of Northampton and the town of Williamsburg.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. (a) Notwithstanding any general or special law to the contrary, the town of
2 Williamsburg, through its board of selectmen, may acquire by gift, purchase or eminent domain,
3 a perpetual easement to be held jointly with the city of Northampton for the purposes of an active
4 and passive recreation multi-use trail. The easement may include, but not be limited to, the right
5 to construct, reconstruct, install, repair, maintain, operate, use, inspect, patrol and allow the
6 public to use such easement for multi-use, non-motorized trail purposes, upon property now or
7 formerly of Karen J. McElroy, on the easterly side of South Main street of Williamsburg and
8 further described in a deed recorded with the Hampshire registry of deeds in Book 7994, Page
9 185. The design of the active and passive recreation multi-use trail shall be at the discretion of
10 the Williamsburg board of selectman and the city of Northampton.

11 (b) Notwithstanding any general or special law to the contrary, the Williamsburg board of
12 selectmen and the city of Northampton may enter into all agreements and take all actions
13 necessary or appropriate to: (1) carry out the acquisition in subsection (a); (2) convey a parcel of
14 land shown on a plan entitled “Plan of Land in Williamsburg (Haydenville), MA,” dated
15 December 11, 2012, prepared by Northeast Survey Consultants, said plan on file with the clerk
16 of the town of Williamsburg, and a portion of property of the town acquired by a deed from
17 Northampton, recorded with the Hampshire registry of deeds in Book 10329, Page 57, upon
18 which property Northampton has an easement for multi-use trail purposes, as reserved in the

19 deed recorded with the Hampshire registry of deeds in Book 10329, page 57, which property
20 includes a portion of garage now or formerly of Karen J. McElroy, and such other property so
21 that said garage complies with the setback provisions of a Williamsburg zoning by-law and such
22 conveyance shall be contingent upon the conveyance to Williamsburg of the active and passive
23 recreation multi-use trail easement described in subsection (a); (3) authorize the town of
24 Williamsburg to convey said parcel on such terms and conditions, and for such consideration,
25 including no consideration, as the board deems appropriate; and (4) for the town of Williamsburg
26 to convey a fee interest, and for a release by the city of Northampton of an easement interest in
27 the parcel described in clause (2) if such approval is required by the Williamsburg board of
28 selectmen.

29 SECTION 2. (a) Notwithstanding any general or special law to the contrary and for the
30 purposes of this act, the city of Northampton may convey to Karen J. McElroy of 45 South Main
31 street, Williamsburg a portion of its interest in and to a certain easement held by the city over,
32 across, upon and under a parcel of land acquired for the purpose of laying out and maintaining an
33 active and passive recreation multi-use trail. The parcel authorized to be conveyed contains an
34 area of 0.03 acres or 1,245.1 square feet, more or less, and is shown as Parcel A on a plan
35 entitled "Plan of Land in Williamsburg (Haydenville), MA, Hampshire Registry Prepared for
36 Karen McElroy," dated December 11, 2012, by Northeast Survey Consultants. This plan is on
37 file with the city of Northampton office of planning and sustainability and shall be recorded in
38 the Hampshire registry of deeds together with the deed conveying the interests authorized in this
39 act.

40 (b) The purpose of the conveyance is to convey sufficient property for Karen J. McElroy
41 to maintain a pre-existing garage that encroaches on a portion of the easement land held by the
42 city that is not necessary for the layout of the multi-use trail referred to in this act.

43 SECTION 3. This act shall take effect upon its passage.
