An Act authorizing the Division of Capital Asset Management and Maintenance to convey certain state owned land to the city of Boston.

*Whereas*, The deferred operation of this act would tend to defeat its purpose, which is to forthwith provide for the conveyance of certain land from the Commonwealth of Massachusetts to the City of Boston, therefore it is hereby declared to be an emergency law, necessary for the immediate preservation of the public convenience.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

7 such additional terms and conditions as the commissioner of capital asset management and
