**HOUSE . . . . . No. 3767**

By Mr. Vieira of Falmouth, a petition (subject to Joint Rule 12) of David T. Vieira and Daniel A. Wolf (by vote of the town) relative to amending the charter of the town of Mashpee concerning the Mashpee Water District. Municipalities and Regional Government. [Local Approval Received.]

**The Commonwealth of Massachusetts**

**In the Year Two Thousand Thirteen**

An Act authorizing the establishment of the Mashpee Water and Sewer District.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

SECTION 1.

St. 1987, c. 136, as amended, is hereby amended to read as follows: AN ACT  
AUTHORIZING THE ESTABLISHMENT  
OF THE MASHPEE WATER AND SEWER  
DISTRICT

SECTION 1. The inhabitants of the town of Mashpee, liable to taxation in said town and residing in the territory comprised within the territorial limits of the town of Mashpee, shall constitute a water and sewer district and are hereby made a body corporate by the name of the Mashpee Water and Sewer District, hereinafter called the "District", for the purpose of supplying themselves and others, for fair

consideration, with water for the extinguishing of fires and for domestic and other purposes, and for the purpose of establishing wastewater treatment works with the power to lay water and wastewater mains, groundwater treatment facilities, maintain individual wastewater treatment facilities, establish a water distribution system, establish fountains and hydrants', and to relocate and discontinue the same, within the territorial limits of the Town of Mashpee and within towns adjoining thereto, regulate the use of such water and fix and collect

rates to be paid therefore, construct and finance Such water treatment works and groundwater treatment facilities as may be necessary to deliver pure, healthful drinking water,

19 and may do all things necessary and proper for the establishment of a wastewater treatment  
20 works, and may assess and raise taxes and impose fees as provided hereinafter for the payment  
21 of such services and for defraying the necessary expenses of and to carry on the business of the  
22 District, subject to the General laws relating to such districts, except as otherwise provided  
23 herein. For these purposes, the District may seek, obtain and accept any available capital and  
24 operating funds from the commonwealth or the federal government or any authority or entity  
25 created by either of said governments and accept any donation or gift of capital, operating funds,  
26 land, easements, equipment or easements, equipment or facilities from private sources. The  
27 District shall have the power to prosecute and

28 defend all actions relating to its property and affairs.

29 The District and all its revenues, income and real and personal property shall be exempt  
30 from taxation and from betterments and special assessments and the District shall not be required  
31 to pay any tax, excise or assessment to or for the commonwealth or any of its political  
32 subdivisions; provided, however, that the District is authorized to enter into agreements to make  
33 annual payments in lieu of taxes with respect to property of the District located outside the Town  
34 of

35 Mashpee's territorial limits upon which local real estate taxes are being paid as of the  
36 effective date of acceptance of this chapter. Bonds issued by the District and their transfer and  
37 the income therefrom, including any profit made on the sale thereof, shall at all times be exempt  
38 from taxation within the Commonwealth.

39 SECTION 2. For the aforesaid purposes the District, acting by and through its Board of  
40 Water and -Sewer Commissioners, hereinafter provided for:

41 [a] May contract with any municipality, or with any water company, or with any  
42 water district, or any other entity for the purchase, acquisition by other means or sale of whatever  
43 water and/or waterworks or wastewater facilities which may be required, authority to furnish or  
44 purchase the same being hereby granted, and may enter into such other contracts as may be  
45 necessary to effectuate the purposes of this act, subject to District meeting appropriation of any  
46 necessary funds required to effectuate any purchase of waterworks or wastewater facilities as  
47 aforesaid;

48 [b] May apply for, receive, accept, administer, expend and comply with the  
49 conditions, obligations and requirements respecting any

50 grant, gift, loan, including without limitation any grant, gift or loan from agencies of  
51 local, state and federal governments, donation or appropriation of any property or money in aid  
52 of the purposes of the commission and to accept contributions of money, property, labor or other  
53 things of value ;

54 [c] May assess betterments for the construction of water, sewer, and wastewater  
55 facilities against the owners of land receiving a benefit or advantage thereby in accordance with  
56 the provisions of Chapter eighty and Chapter eighty three sections fifteen through fifteen-B of  
57 the General Laws; provided that any requirement in said sections or chapters for a vote by the  
58 governing body of the municipality or for a ratification of such vote by the voters of the  
59 municipality, shall be satisfied by a vote or resolution duly adopted by the Board of Water  
60 and Sewer Commissioners in accordance herewith;

61 [d] May enter into contracts and agreements with any municipality in all matters  
62 necessary, convenient or desirable for carrying out the purposes of this Act including, without  
63 limiting the generality of the foregoing, collection of revenue, data processing, and other matters  
64 of management, administration and operation;

65 [e] May take by eminent domain under the provisions of chapter seventy-nine or  
66 chapter eighty A of the General Laws, or acquire, by lease, purchase, gift, or otherwise, and hold,  
67 land, the waters, or any portion thereof, or any pond, spring or stream, or of any groundwater  
68 sources of supply by means of driven, artesian or other wells, within

69 the territorial limits of the town of Mashpee , or towns adjoining thereto, not already  
70 specifically appropriated for the purposes of a public water supply by another governmental  
71 body, or for the purposes of wastewater treatment or disposal; and the water and flowage rights  
72 connected with any such land or water sources; may take as aforesaid, or acquire by purchase or  
73 otherwise, and hold , all lands, rights of way and other easements necessary for collecting,  
74 storing, holding, purifying and preserving the purity of the water and for conveying the same to  
75 any part of the district. Any person or political subdivision of the Commonwealth or body  
76 politic sustaining damages by any taking under this Act or any other thing done under

77 the authority hereof may recover such damages from the District under said Chapter  
78 seventy-nine or said Chapter eighty A; but the right to

79  
80 damages for the taking of any water, water right or water source, or for any injury  
81 thereto, shall not vest until water is actually withdrawn or diverted under the authority of this  
82 Act.

83 [f] May construct and maintain on the lands acquired and held under this act, proper  
84 dams, wells, springs, reservoirs, standpipes, tanks, pumping plants, buildings, fixtures and other  
85 structures, including the establishment and maintenance of purification works or systems, and  
86 may make excavations, procure and operate machinery and provide such other means and  
87 appliances, and do such other things as may be necessary for the establishment and maintenance  
88 of complete and effective water or wastewater works; and for that purpose may construct pipe

89 lines, wells and reservoirs, may establish pumping works and may construct, lay, acquire and  
90 maintain aqueducts, conduits, pipes and other works under or over any land, water courses,  
91 railroads, railways, and public or other ways and along such ways, in said town, in such manner  
92 as not unnecessarily to obstruct the same;

93 [g] May, for the purpose of constructing, laying, maintaining, operating and repairing  
94 such aqueducts, conduits, pipes and other works, and for all other purposes of this act, dig up or  
95 raise and embank any such lands, highways or other ways in such manner as to cause the least  
96 hindrance to public travel on such ways; provided, that the manner in which all things are done  
97 upon any such way shall be subject to the direction of the appropriate governmental authority  
98 having jurisdiction over such public ways.

99 [h] May enter upon any lands for the purpose of water supply exploration, making  
100 surveys, test wells or pits and borings , or any of them, and may take or otherwise acquire the  
101 right to occupy temporarily any lands necessary for the construction of any work or for any other  
102 purpose authorized by this Act;

103 [i] May charge a systems development charge to those applicants seeking to connect  
104 to either the water supply system or to the wastewater treatment system, which funds shall be  
105 kept by the District treasurer in a separate account to be appropriated by a District Meeting and  
106 applied, as needed, for the cost of acquisition

107 and /or development of new well fields, storage and distribution systems, and the  
108 purchase of all related materials, equipment, labor, work and all other items associated therewith  
109 which will contribute to the betterment of the waterworks and wastewater system, provided that  
110 applicants seeking to connect to the wastewater treatment system who have paid a systems  
111 development fee previously: for connection to the water distribution system shall be

112 subject only to such systems development fee relating to a connection to the wastewater  
113 treatment system;

114 [j] May from time to time sell such of the property of the District as shall, in the  
115 opinion of the Board of Water and Sewer Commissioners hereinafter provided for, be no longer  
116 useful in the conduct of the affairs of the District;

117 [k] May employ personnel and may engage architectural, engineering, accounting,  
118 management, legal, financial and environmental consulting and other professional services;

119 [l] May adopt rules, regulations, and policies governing the  
120

121 management of the waterworks and wastewater systems and the use and consumption of  
122 water, and the output into the system of wastewater, the Rower to deny any connection to the

123 District being expressly granted to the Board of Water and Sewer Commissioners for any  
124 proposed connection that would be inconsistent with its rules, regulations, and policies, or which  
125 would place an undue burden on the resources of the District or unduly tax its capacity to supply  
126 water, or to treat wastewater;

127 [m] May establish specific construction standards and specifications for the water  
128 supply system and wastewater treatment works;

129 [n] May purchase insurance on behalf of itself and any of its members, officers,  
130 employees or agents against any liability arising out of his status as such, whether or not the  
131 District would have the power to indemnify him or her against such liability.

132 [o] May do all things necessary, convenient, or desirable for carrying out the  
133 purposes of this Act or the Powers expressly granted or necessarily implied by this Act including  
134 entering into agreements with other cities, towns or commissions or, with prior District Meeting  
135 approval, with any private person or entity, to provide for the joint operation of public activities  
136 in accordance with section four A of chapter forty. For the purposes of said Section four A of  
137 Chapter forty the Board of Water and Sewer Commissioners shall have the

138 powers of a prudential committee under said section. In carrying out the powers  
139 conferred by this subsection, and in recognition of the shared water bodies, estuaries, surface and  
140 groundwater resources, and wastewater treatment needs of the surrounding Towns of Barnstable,  
141 Falmouth, Sandwich, and of Barnstable County generally, the District shall not be constrained or  
142 limited to ownership\_ of real or personal property solely within the territorial limits of the Town  
143 of Mashpee, nor be constrained to service customers only within said territorial limits of the  
144 Town of Mashpee, but rather, may engage in such joint operation of public activities, or  
145 participate in such

146 regional provision of water and wastewater treatment works as the Board of Water and  
147 Sewer Commissioners shall deem appropriate; and

148 [p] Consistent with the constitution and laws of the Commonwealth, the District shall  
149 have such other powers, including all powers pertaining to the water works system and the sewer  
150 works system held by a municipality not inconsistent herewith, as may be necessary for or  
151 incident to carrying out the foregoing powers and the accomplishment of the purposes of this  
152 Act;

153 provided, however, that nothing in this chapter shall impose any duty on the District to  
154 maintain groundwater levels within or without the boundaries of the District.

155 [q] Notwithstanding any special or general law to the contrary, the Mashpee Water  
156 and Sewer District shall not be authorized to engage in the treatment or disposal of stormwater or  
157 engage in stormwater discharge remediation, but shall exercise its powers hereunder only with

158 respect to the treatment and disposal of wastewater or groundwater and the provision of  
159 waterworks for the extinguishment of fires and for domestic and other purposes as set forth  
160 herein.

161

162 SECTION 3. The District shall elect by ballot, in an election

163 held contemporaneously with the Town of Mashpee's annual election, three persons,  
164 inhabitants of and voters in the District, to hold office for three years each, to constitute a Board  
165 of Water and Sewer Commissioners. The terms of such Water and Sewer Commissioners shall  
166 be staggered as provided for in St. 1987 c. 136 sec. 9, and the duly elected Board of Water  
167 Commissioners holding office at the effective date of this Act shall continue as Water and Sewer  
168 Commissioners until their respective term shall be complete. All authority granted to the District  
169 by this Act and by the General Laws of the Commonwealth, except as provided in Sections 4  
170 and 6 and not otherwise specifically provided for, shall be vested in said Board of Water  
171 Commissioners, who shall be subject, however, to such instructions and by-laws as the District  
172 may by vote impose. The District, acting through its Board of Water and Sewer Commissioners,  
173 shall appoint, each for such term as it may determine, a clerk and a treasurer of the District, and  
174 such other officers and employees not specifically provided for in this Act as it may deem  
175 necessary and proper, and shall fix their compensation. The treasurer shall not be a member of  
176 the Board of Water and Sewer Commissioners and shall give bond to the District in such  
177 amounts as may be approved by said Board with a surety company authorized to transact  
178 business in the Commonwealth of Massachusetts as a surety. A majority of said

179 Board of Water and Sewer Commissioners shall constitute a quorum for the transaction  
180 of business. Any vacancy occurring in said Board from any cause may be filled for the remainder  
181 of its unexpired term by the District at any legal meeting called for the purpose, or by vote of the  
182 remaining members of the Board of Water and Sewer Commissioners. No money shall be drawn  
183 from the District on account of its waterworks or wastewater works except upon a written order  
184 of said Water and Sewer Commissioners or a majority of them. Any personal property or real  
185 estate taken, purchased, or acquired under this Act or under St. 1987 c. 136 as amended prior to  
186 the effective date hereof shall be managed, improved, and controlled by the Board of Water and  
187 Sewer Commissioners, in such manner as they shall deem for the best interest of the District.

188 SECTION 4. The District, for the purpose of paying other necessary expenses and  
189 liabilities incurred under this act, other than expenses of maintenance and operation, may from  
190 time to time borrow such additional sums as may be necessary, not exceeding, in the aggregate,  
191 Five Hundred Million Dollars and may issue bonds or notes thereof which shall bear on their  
192 face the words Mashpee Water and Sewer District Loan Act of 2013 and such other  
193 distinguishing designation as may be determined by said Board of

194 Water and Sewer Commissioners, and each authorized issue shall constitute a separate  
195 loan and such loans shall be payable in not more than forty years from their dates,  
196 notwithstanding any other provision of law.

197 The District may borrow from time to time such sums as may be necessary for the  
198 purposes of this act in anticipation of revenue. Indebtedness incurred under this act shall, except  
199 as otherwise provided herein be subject to the provisions of said chapter forty-four pertaining to  
200 such districts. Each such borrowing and each such issue of bonds or notes shall constitute a  
201 separate loan, shall be authorized by the affirmative vote of not less than two-thirds of those  
202 present at an Annual or Special meeting of the District, and shall be upon the full faith and credit  
203 of the District. All bonds or notes issued under the provisions of this act shall be obligatory upon  
204 the District and its inhabitants and the property within the limits of the District according to the  
205 tenor and purport thereof. The District shall, at the time of authorizing said loan or loans, provide  
206 for the payment thereof as authorized hereunder, and, when vote to that effect has been passed, a  
207 sum which, with available income derived from water rates, shall be sufficient to pay the annual  
208 expense of operating its waterworks and wastewater works, the interest as it accrues on the bonds  
209 or notes issued as aforesaid by the District, and to make such payments on the principal as may  
210 be required under this act, shall without further vote

211 be assessed upon the District by the District Assessors annually thereafter until the debt  
212 incurred by said loan or loans is extinguished.

213 SECTION 5. The District, acting by and through said Board of Water and Sewer  
214 Commissioners, shall, subject to the applicable provisions of law, fix just and equitable prices,  
215 charges, fees and rates for the use of water determined by: the cost of producing the same and  
216 shall prescribe the time and manner of payment. The income of the waterworks shall be available  
217 for appropriation to defray all operating expenses, interest charges and payments on principal of  
218 any loan, as accruing upon any bonus or notes issued under authority of this act.

219 The District, acting by and through its Board of Water and Sewer Commissioners, shall,  
220 subject to applicable provisions of law, fix just and equitable prices, charges, rates, and fees for  
221 the use of the District's Wastewater Treatment works. The income of the wastewater treatment  
222 works shall be available for appropriation to defray all operating expenses, interest charges and  
223 payments on principal of any loan, as accruing upon any bonds or notes issued under authority of  
224 this act.

225 If there should be a net surplus remaining at the end of any fiscal year after the payment  
226 of all costs of operation, such net surplus may be appropriated by a District Meeting for systems  
227 development costs as recommended by the Board of Water and Sewer Commissioners and in the  
228 absence of any such recommendation, shall be applied to pay costs of operation for the District  
229 for the succeeding fiscal year. Any systems development charge funds held in a separate account  
230 are to be excluded in the determination of net surplus.

231 The fiscal year of the District shall commence July first and end June thirtieth, or as  
232 otherwise provided in the bylaws of the District.

233 Notwithstanding the provision of this act or any general or special act to the contrary, the  
234 District is hereby authorized to establish a revolving fund which shall be kept separate and apart  
235 from all other monies by the treasurer of the district and in which shall be deposited only the fees  
236 received from the installation of water service and water meters. Such money may be expended  
237 without appropriation, for the payment of contractors performing such water service and meter  
238 installation, provided that no expenditures from this fund shall be made in any one fiscal year  
239 that would result in district expenditures greater than the total amount appropriated by the district  
240 meeting for the respective fiscal year

241 SECTION 6

242 If for any reason the revenues and available funds of the District, including revenues  
243 from prices, fees, charges, and rates for the use of water and the District's wastewater treatment  
244 works as provided in Section Five hereof, shall not be sufficient to pay the full cost of  
245 development and Operation of the District, said District shall have the power, by vote at a  
246 District Meeting duly called by the Board of Water and Sewer Commissioners, to raise and  
247 appropriate a District tax sufficient funds to pay the full cost of development or operation of the

248

249 District and promptly thereafter the Clerk of the district shall send a certified copy of the  
250 vote to the District Assessors who shall assess the same on 1:2\_roperty within the District in the  
251 same manner in all respects in which Town taxes are required by law to be assessed.

252 For such periods as the Board of Water and Sewer Commissioners may request, the  
253 Assessors of the Town of Mashpee shall be the District assessors. During such periods, the Town  
254 Assessors shall receive such salary: for their services as District Assessors as shall be agreed  
255 upon by the Board of Water and Sewer Commissioners. All District assessments shall be  
256 committed to the District Tax Collector, who shall collect said tax in the manner provided by law  
257 for the collection of Town taxes and who shall deposit the proceeds thereof with the District  
258 treasurer for the use and benefit of said District.

259 For such periods as the Board of Water and Sewer Commissioners may request, the  
260 Town of Mashpee Tax Collector shall be the District Tax Collector. During such periods, the  
261 Town of

262 Mashpee Tax Collector shall receive such salary for services as the

263 District Tax Collector as shall be agreed upon by the Board of Water

264 and Sewer Commissioners. Nothing herein shall be construed to limit the authority of  
265 the District to hire its own Assessors or Tax Collector and to pay for the same from the District's  
266 revenues. Any costs incurred by either the Assessors or the Tax Collector of the Town of  
267 Mashpee in performing services hereunder shall be paid for by the District unless otherwise  
268 provided under any intermunicipal agreement between the Town and the District.

269 SECTION 7. Notwithstanding the provisions of section fifty-three of chapter forty-four  
270 of the General laws or any other general or special law to the contrary, the Mashpee Water and  
271 Sewer District is hereby authorized to establish a separate fund to be known as the Betterment  
272 Reserve Fund, which shall be kept separate and apart from all other monies of said District by  
273 the Treasurer of the Water and Sewer District. All betterment payments, apportioned and  
274 unapportioned and received by said district shall be deposited into said fund.

275 The Treasurer may invest such funds in the manner authorized by sections fifty-four and  
276 fifty-five of said chapter forty-four.

277 The principal and interest thereon shall be reserved for appropriation for the payment of  
278 said district's betterment debt. Any excess in said fund may be transferred to the general fund of  
279 said water and sewer district

280 SECTION 8. The District may, for the purpose of creating a stabilization fund,  
281 appropriate in any fiscal year an amount not exceeding ten percent (10%) of the amount raised in  
282 the preceding fiscal year by taxation of real estate. Any interest accruing shall be added to and  
283 become a part of the fund. The stabilization fund may be appropriated at an annual meeting by a  
284 two-thirds vote for any purpose for which the District would be authorized to borrow money.

285 SECTION 9. The District Assessors may create an overlay fund by adding to the  
286 amount to be assessed in accordance with Massachusetts General Laws Chapter 59 section 25.

287 SECTION 10. The District may, by vote at a District Meeting, provide for the levy of  
288 special assessments to meet the whole or part of the cost

289

290 thereafter incurred of laying pipes in public and private ways for the conveyance or  
291 distribution of water to its inhabitants, in accordance with the provisions Massachusetts General  
292 Laws, Chapter 40, Sections 42G, 42H, and 2121.

293

294 SECTION 11. The District, at any Annual or Special Meeting, may adopt by-  
295 laws regulating the call of District Meetings and the necessary quorum at any meeting and may  
296 adopt such other by-laws as are appropriate for the operation of the District. All District  
297 Meetings shall be called pursuant to a warrant issued by the Board of Water and Sewer

298 Commissioners. The procedure for the call of a meeting, publication of the warrant, and conduct  
299 of the meeting shall be as set forth in chapter thirty-nine of the General Laws, unless the 5y-laws  
300 of the District otherwise provide. The by-laws of the District may allow for such other officers  
301 not provided for in this Act as deemed necessary or proper.

302 Section 12. Whoever willfully or wantonly corrupts, pollutes or diverts any water  
303 obtained or supplied under this Act, or willfully or wantonly injures any reservoir, well,  
304 standpipe, aqueduct, pipe, treatment works, transmission line for water or wastewater, or any  
305 other property of the District, whether real or personal, shall forfeit to the District three times the  
306 amount of damages assessed therefore, plus reasonable attorneys fees and costs of suit including  
307 expert consultant and expert witness fees, to be recovered in an action of tort. Whoever  
308 engages in any of the foregoing willful or wanton acts shall be punished by a fine of not more  
309 than \$5,000.00 or imprisonment in a House of Correction for not more than 2 ½ years, or both.

310 Whoever negligently corrupts, pollutes or diverts any water obtained or supplied under  
311 this Act, or negligently injures any reservoir, well, standpipe, aqueduct, pipe, treatment works,  
312 transmission line for water or wastewater, or any other property of the District, whether real or  
313 personal, shall forfeit to the District the amount of damages assessed therefore, plus reasonable  
314 attorneys fees and costs of suit including expert consultant and expert witness fees, to be  
315 recovered in an action of tort.

316 SECTION 13. The District shall have the power, by vote of the Board of Water and  
317 Sewer Commissioners, to join or participate in any regional Water and / or Sewer Commission,  
318 either by Intermunicipal Agreement as authorized by Section 2 [o] hereof, pursuant to the  
319 authority granted herein under this Section 11, or in any other manner provided by law.

320 SECTION 14. At the next annual election following the effective date of this Act, the  
321 Board of Water and Sewer Commissioners shall cause to appear on the ballot the following  
322 Special Question:

323 "SHALL THE VOTERS APPROVE AN AME NDMENT TO CHAPTER 136 OF THE  
324 ACTS OF 1987 (THE LAW THAT CREATED THE MASHPEE WATER DISTRICT) WHICH  
325 WILL PERMIT THE MASHPEE WATER DISTRICT TO ENGAGE IN WASTEWATER  
326 OPERATIO NS AS WELL AS WATERWORKS O PERATIONSI AND WHICH WILL  
327 PERMIT THE MASHPEE WATER DISTRICT TO TAKE OVER AND OPERATE H  
328 EREAFTER THE TOWN OF MASHPEE'S WASTEWATER AND SEWER FU NCTIONS"

329 If a majority of the voters of the District vote •yes" on the foregoing question,  
330 Section 1of this Act shall take effect but if otherwise said Section 1have no legal effect, and St.  
331 1987 c. 136 as previously amended shall remain in effect. If the vote by Ballot

332

333 required by. this Section shall be approved by a majority of the voters of the District, all  
334 prior actions taken by the Board of Water Commissioners, District Meeting, Treasurer, and all  
335 other officers of the District pursuant to St. 198T c. 136 as amended shall remain in effect as  
336 lawful actions of the District and binding upon the District without the necessity of confirmation,  
337 ratification, or further action under this Act.

338 Until Section 1 of this Act takes effect and until the execution of an Intermunicipal  
339 Agreement as authorized by Section 3 of this Act, the responsibilities, duties, and powers of the-  
340 Town of Mashpee relative to public sewer and wastewater treatment and disposal functions  
341 within the geographical boundaries of the Town of Mashpee shall remain in full force and  
342 effect.

343 Notwithstanding any\_ provision of law or any General or Special Law, no act of the  
344 Town of Mashpee prior to the effective date of Section 1 1of this Act or until the effective date  
345 of any Intermunicipal Agreement authorized by Section 3 hereof, shall legally bind the Board of  
346 Water and Sewer Commissioners of the Mashpee Water and Sewer District hereunder. Said  
347 Board of Water and Sewer Commissioners may, in their discretion, agree by vote of a majority  
348 of said Board to assume or undertake any act, contract, or liability incurred by the Town of
