An Act authorizing the commissioner of capital asset management and maintenance to convey a certain parcel of land in the city of Marlborough.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Notwithstanding the provisions of sections 34 to 37 of Chapter 7C of the
2 General Laws, the commissioner of capital asset management and maintenance, in consultation
3 with the commissioner of conservation and recreation, may convey the fee interest in a certain
4 parcel of land, currently under the care and control of the department of conservation and
5 recreation and held for conservation and recreation purposes to Kennedy’s Restaurant and
6 Market, located at 247A Maple Street in Marlborough, to be used for the purposes of
7 beautification and overflow parking, subject to the requirements of sections 2 through 5 and to
8 such additional terms and conditions consistent with this act as the commissioner of capital asset
9 management and maintenance may prescribe in consultation with the commissioner of
10 conservation and recreation. The parcel of land contains 1.2 acres, more or less, and is shown on

12 the Middlesex County Registry of Deeds. Prior to finalizing the transaction or making the
13 conveyance authorized herein, the division of capital asset management and maintenance may
14 make minor modifications to the area and plan in order to carry out the purposes of this act.

15 SECTION 2. An independent appraisal of the fair market value and value in use of the
16 parcel described in section 1 shall be prepared in accordance with the usual and customary
17 professional appraisal practices by a qualified appraiser commissioned by the commissioner of
18 capital asset management and maintenance. Consideration for the grant of the above-described
19 interest shall be the full and fair market value or the value in proposed use, whichever is greater,
20 as determined by the commissioner of capital asset management, and calculated with regard to

21 its full development potential as assembled with other lands owned or otherwise controlled by
22 the grantee. The commissioner of capital asset management and maintenance shall submit the
23 appraisal or appraisals to the inspector general for his or her review and comment. The inspector
24 general shall review and approve the appraisal or appraisals, and the review shall include an
25 examination of the methodology utilized for the appraisal or appraisals. The inspector general
26 shall prepare a report of his or her review and file the report with the commissioner of capital
27 asset management and maintenance for submission by said commissioner to the house and senate
28 committees on ways and means and the the joint committee on state administration and
29 regulatory oversight. Said commissioner shall submit copies of the appraisals, and the inspector

31 ways and means and the joint committee on state administration and regulatory oversight at least

33 SECTION 3. To ensure a no-net-loss of lands protected for natural resource purposes,
34 the grantee shall compensate the commonwealth for the interest in land described in section 1
35 through the transfer to the department of conservation and recreation of land, an interest of land
36 or funding for the acquisition of land or an interest therein equal to or greater than the resource
37 value of the land described in section 1 and the highest appraised value as determined under

41 recreation; and any land or interest in land, whether conveyed by the grantee or acquired by the
42 department, shall be permanently held and managed for conservation and recreation purposes by
43 the department. Should the appraised value of any land or interests in land be determined to be
44 greater than the appraised value of the interests in land described in section 1, the commonwealth
45 shall have no obligation to pay the difference to the grantee. All payments paid to the
46 commonwealth as a result of the conveyances or grants authorized by this act shall be deposited
47 in the Conservation Trust established in section 1 of chapter 132A of the General Laws.

48 SECTION 4. The grantee shall assume all costs associated with engineering, surveys,
49 appraisals, deed preparation and other expenses deemed necessary by the commissioner of
50 capital asset management and maintenance to execute the conveyances authorized by this act.

51 SECTION 5. No instrument executed pursuant to this act shall be valid unless it provides
52 that the area conveyed shall be used solely for the purposes described in section 1. The
53 instrument authorized in section 1 shall include a reversionary clause that stipulates the property
54 shall revert to the commonwealth and be assigned to the care, custody and control of the
55 department of conservation and recreation, upon such terms and conditions as the commissioner
56 of capital asset management and maintenance may determine, if the property ceases to be used
57 for the express purposes authorized in this act. If any interest reverts to the commonwealth, any
58 further disposition shall be subject to sections 34 to 37, inclusive, of chapter 7C of the General
59 Laws and the prior approval of the General Court.
