562 or more workers to which an approved worksharing plan applies.

563 "Director", the director of the department or the director's authorized representative.

564 "Health and retirement benefits", health benefits, and retirement benefits provided by an
565 employer under a defined benefit pension plan as defined in section 414(j) of the Internal
566 Revenue Code, or contributions under a defined contribution plan defined in section 414(i) of
567 said Code, which are incidents of employment in addition to the cash remuneration earned.

568 "Worksharing benefits", the unemployment benefits payable to employees in an affected
569 unit under an approved worksharing plan, as distinguished from the unemployment benefits
570 otherwise payable under the unemployment compensation provisions of this chapter.

571 "Worksharing plan", a plan submitted by an employer, for approval by the director,
572 under which the employer requests the payment of worksharing benefits to workers in an
573 affected unit of the employer to avert layoffs.

574 "Usual weekly hours of work", the usual hours of work for full-time or regular part-time
575 employees in the affected unit when that unit is operating on its regular basis, not to exceed 40
576 hours and not including hours of overtime work.

577 "Unemployment compensation", the unemployment benefits payable under this chapter
578 other than worksharing benefits, including any amounts payable pursuant to an agreement under
579 any Federal law providing for compensation, assistance or allowances with respect to
580 unemployment.

581 (b) An employer wishing to participate in a worksharing program shall submit a signed
582 written worksharing plan and application form to the director for approval. The director shall

583 develop an application form to request approval of a worksharing plan and an approval process.
584 Any application, whether for initial approval, approval following one or more disapprovals, for
585 modification, or for participation in another worksharing plan after the expiration or termination
586 of an approved plan, shall include: (1) The affected unit or units covered by the plan, including
587 the number of full-time or part-time workers in such unit, the percentage of workers in the
588 affected unit covered by the plan, identification of each individual employee in the affected unit
589 by name, social security number and the employer's unemployment tax account number, and any
590 other information required by the director to identify plan participants.

591 (2) A description of how workers in the affected unit will be notified of the employer's
592 participation in the worksharing program if such application is approved, including how the
593 employer will notify those workers in a collective bargaining unit, as well as any workers in the
594 affected unit who are not in a collective bargaining unit. If the employer will not provide
595 advance notice to workers in the affected unit, the employer shall explain in a statement in the
596 application why it is not feasible to provide such notice.

597 (3) A requirement that the employer identify the usual weekly hours of work for
598 employees in the affected unit and the specific percentage by which their hours will be reduced
599 during all weeks covered by the plan. An application shall specify the percentage of reduction
600 for which a worksharing application may be approved which shall be not less than 10 percent
601 and not more than 60 percent. If the plan includes any week for which the employer regularly
602 provides no work due to a holiday or other plant closing, then such week shall be identified in
603 the application.

604 (4) Certification by the employer that, if the employer provides health and retirement
605 benefits to any employee whose usual weekly hours of work are reduced under the program,
606 such benefits will continue to be provided to employees participating in the worksharing
607 program under the same terms and conditions as though the usual weekly hours of work of such
608 employee had not been reduced or to the same extent as other employees not participating in the
609 worksharing program.

610 For defined benefit retirement plans, the hours that are reduced under the worksharing
611 plan shall be credited for purposes of participation, vesting and accrual of benefits as though the
612 usual weekly hours of work had not been reduced. The dollar amount of employer contributions
613 to a defined contribution plan that are based on a percentage of compensation may be less due to
614 the reduction in the employee's compensation.

615 Notwithstanding the above, an application may contain the required certification when a
616 reduction in health and retirement benefits scheduled to occur during the duration of the plan will
617 be applicable equally to employees who are not participating in the worksharing program and to
618 those employees who are participating.

619 (5) Certification by the employer that the aggregate reduction in work hours is in lieu of
620 temporary or permanent layoffs, or both. The application shall include an estimate of the number
621 of workers who would have been laid off in the absence of the worksharing plan. The plan shall
622 not serve as a subsidy of seasonal employment during the off season, nor as a subsidy of
623 temporary part-time or intermittent employment.

624 (6) Agreement by the employer to: furnish reports to the director relating to the proper
625 conduct of the plan; allow the director or the director's authorized representatives access to all

671 the expiration date of the original plan, and the director shall promptly notify the employer
672 whether the plan modification has been approved and, if approved, the effective date of the
673 modification.

674 An employer is not required to request approval of a plan modification from the director

714 worksharing employer, the individual shall not be entitled to benefits under these worksharing

717 greater than 10 per cent; or, if higher, the minimum percentage reduction required to be eligible
718 for a worksharing benefit as provided in state law, of the usual weekly hours of work for the
719 worksharing employer, the worksharing benefit amount payable to the individual is reduced for

731 The benefit amount for such week shall be calculated as provided in subsection (i).

732 (6) An individual who is not provided any work during a week by the worksharing

737 week, but who works for another employer and is otherwise eligible may be paid unemployment
738 compensation for that week subject to the disqualifying income and other provisions applicable
739 to claims for regular compensation.
