By Mr. Kulik of Worthington, a petition (accompanied by bill, House, No. 754) of Stephen Kulik and others for legislation to prohibit certain restrictions on the use of land for agricultural purposes. Environment, Natural Resources and Agriculture.

**The Commonwealth of Massachusetts**

**In the Year Two Thousand Thirteen**

An Act to protect farm viability.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1 SECTION 1:

2 Chapter xxxxx of the General Laws is hereby amended by inserting after xxxxx the  
3 following section:---

4 Section xxxxx. No general by-law or ordinance shall prohibit, unreasonably regulate, or  
5 require a permit for commercial agriculture on land or in structures qualified under G.L. c. 40A,  
6 Sec. 3, or agricultural activities, operations, and practices associated therewith. Land divided by  
7 a public or private way or a waterway shall be considered one parcel. For the purposes of this  
8 section, the term "agriculture" shall be as defined in section 1A of chapter 128, and the term  
9 horticulture shall include the growing and keeping of nursery stock and the sale thereof. Said  
10 nursery stock shall be considered to be produced by the owner or lessee of the land if it is  
11 nourished, maintained, and managed while on the premises.

12 Section 2

13 Chapter 111 is hereby amended in section 1 by inserting the following definitions:

14 Agricultural Commission - a standing committee of town government, created through a  
15 vote of Town Meeting and or appointed by the Board of Selectmen, chief elected official or  
16 governing body of the town, intended to protect and promote agriculture within a community.

17 Agricultural Advisory Committee – a committee established and managed by the  
18 Department of Agricultural Resources comprised of a representative of the Department of  
19 Agricultural Resources, Department of Public Health, Massachusetts Association of Health

20 Boards and Massachusetts Farm Bureau. The purpose of the Agricultural Review Board shall be  
21 to facilitate and harmonize the goals of protecting public health and encouraging agriculture and  
22 agricultural development. Activities of the Agricultural Review Board shall include but not be  
23 limited to review municipal board of health regulations as outlined in Section 31 F(b), the  
24 development educational materials and guidance, and the development/endorsement of model  
25 regulations. The Board shall at a minimum of four times annually, at the request of any two  
26 members, and at the call of the Commissioner of Agricultural Resources

27 SECTION 3:

28 Chapter 111 of the General Laws is hereby amended by inserting after section 31E the  
29 following section:

30 Section 31F (a) No local board of health (board) regulation (regulation) shall prohibit or  
31 unreasonably regulate commercial agriculture on land or in structures qualified under G.L. c.  
32 40A, Sec. 3, or agricultural activities, operations, and practices associated therewith. For the  
33 purposes of this section, the term "agriculture" shall be as defined in section 1A of chapter 128.

34 (b) The applicability of any board regulation shall be deferred in effect as applied to  
35 agriculture until and unless the regulation is found to be consistent with Section 31F(a) as  
36 provided in this subsection.

37 (1) Within 21 days of the adoption of a regulation, the board of health shall:

38 a) submit a copy of the regulation which impacts agriculture to the agricultural  
39 commission within their community as defined in Chapter 111 section 1. Within 45 days of  
40 receipt, the agricultural commission shall hold an open public meeting to review the regulation  
41 and its potential impact on agriculture and subsequently submit written recommendations to the  
42 board of health. The regulations may go into immediate effect if the board of health adopts the  
43 recommendations of the agricultural commission or the two bodies agree upon a compromise set  
44 of regulation through a mutually agreed upon process and timeframe. In the absence of  
45 agreement, the two bodies shall submit to mediation under the auspices of the Massachusetts  
46 Office of Public Collaboration or other entity as identified by the Department of Agricultural  
47 Resources.

48 b. in the event that an agricultural commission does not exist within the municipality, the  
49 board of health shall within 10 business days of approval, submit a copy of the proposed  
50 regulations electronically to the commissioner of the department of agricultural resources, ...

51 The Department of Agricultural Resources shall have 45 business days days in which to  
52 present recommendations to the board of health. The Department shall rely on guidance and  
53 input provided by the Agricultural Advisory Committee in making such recommendations. The  
54 regulations may go into immediate effect if the board of health adopts the recommendations of

55 the department If the board disagrees with the department's recommendations, they both shall  
56 submit to mediation under the auspices of the Massachusetts Office of Public Collaboration.

57 c. The Department shall, on a quarterly basis, provide the Agricultural Advisory  
58 Committee with a brief synopsis of the bylaws submitted for approval and a description of any  
59 submittals which resulted in mediation.
