HOUSE No. 85

By Mr. Collins of Boston, a petition (accompanied by bill, House, No. 85) of Nick Collins and others for legislation to enhance opportunities for children in the custody of the Commonwealth. Children, Families and Persons with Disabilities.

The Commonwealth of Massachusetts

In the Year Two Thousand Thirteen

An Act relative to children in the care, protection, and custody of the Commonwealth.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Chapter 6 of the General Laws, as appearing in the 2010 Official Edition, is
2 hereby amended by striking out, in its entirety section 215 and inserting in place thereof the
3 following new section: -

4 "There shall be an interagency child welfare task force, hereinafter called the task force.
5 The secretary of health and human services and the child advocate shall serve as its co-chairs.
6 The task force shall consist of 27 members including: the department of children and families;
7 the department of youth services; the department of transitional assistance; the department of
8 mental health; the department of developmental services; the department of public health; the
9 department of elementary and secondary education; the department of early education and care;
10 the office of medicaid; the department of insurance; the department of public education; the
11 department of economic development; the executive office of labor and workforce development;
12 the department of public safety; the department of housing and community development; the
13 chief justice of the juvenile court; the department of probation; and 6 members appointed by the
14 governor including: 2 parents of youth who were formerly in the care of the commonwealth, 2
15 youth who were formerly in the care of the commonwealth, 2 direct line social workers selected
16 from a list of 12 applicants selected by the Statewide advisory council, 2 provider agencies who
17 offer services to children in the custody of the department of youth services and 2 provider
18 agencies who offer direct services to children in the care of the department of children and
19 families to include one agency that solely provides foster care.

20 The task force shall hold monthly meetings and shall work together to establish annual
21 interagency goals to coordinate and streamline services to children and families and shall

22 examine and develop a comprehensive plan to address the following but not limited to:
23 interagency collaboration to increase medical and mental health consultation; the availability of
24 health and behavioral health services to children and families; examine options to strengthen the
25 independence of the office of the child advocate and recommend any legislative changes at the
26 conclusion of the first year; collaboration with law enforcement as it relates to children and
27 families involved with the criminal justice system; the availability of supportive child care for
28 children in the care of the department of children and families; domestic violence awareness
29 programs; children awaiting discharge from psychiatric inpatient units; interagency training
30 initiatives for staff, communities and providers; analyzing and determining a reasonable
31 timeframe, not to exceed 3 years of implementation of this act, to implement a common
32 identifier for all children and families that enter the child welfare system in order to track the
33 recidivism of child abuse and neglect within a family structure while ensuring that
34 confidentiality is upheld; searching out new funding sources from within the commonwealth, the
35 federal government and grant opportunities to provide the following services to children in the
36 foster care system: at least 2 weeks of summer camp, after-school care, participation in school
37 based sports, at least 1 week of school vacation camp, participation in art or musical school
38 based activities and at least 1 week of paid respite care for foster families; evaluate the
39 transportation issues between the education department and the executive office of health and
40 human services that arise with foster children and create a detailed plan to address and cease
41 these issues within 3 years of implementation of this act; and create and implement a detailed
42 plan to provide workforce opportunities in communities and small businesses for children in the
43 care and custody of the commonwealth who are of age to be employed at least part-time through
44 tax incentives, apprenticeships and mentoring opportunities; evaluate the cost of current
45 programs and services offered through multiple agencies that impact the lives of children that are
46 redundant.

47 The task force shall report quarterly to the governor’s cabinet on its progress of
48 implementing said interagency goals and plans and shall report annually to the governor, the
49 clerk of the senate, the clerk of the house, and the senate and house committees on ways and
50 means on the activities and progress of the task force including detailed plans to implement said
51 goals and objectives of the task force and any recommendations for funding new funding, the
52 amount of funding needed to implement said goals and plans.”.

181 amended, in line 84, by inserting after the word “The” the following words:- “statewide,
182 universal practices,”.

183 SECTION 18. Section 23(7) of said Chapter 119, as so appearing, is hereby amended by
184 inserting after subsection (i) the following 4 subsections:-

185

186 “(j) The department, in consultation with the area boards created in section 13 of chapter
187 18B and the statewide advisory council created in section 16 of chapter 18B, shall create an age
188 appropriate, culturally appropriate, life-skills curriculum for children in the foster care system.
189 Said curriculum shall begin for children age 11 and continue through age 18 and shall include,
190 but is not limited to, the following areas: interpersonal skill; completing household duties;
191 running a home; grocery shopping; opening a bank account; interviewing for jobs and or college;
192 filling out job application; and managing bills. Said curriculum shall be approved by the
193 secretary of health and human services and the child advocate and shall include a timeframe for
194 implementation and cost analysis of implementation within 3 years of approval of this act.

195 (k) Each child who is age 7 or older shall be given a meaningful opportunity to
196 participate in the development of the case plan and to state his or her preference(s) for initial and
197 any subsequent placement or custody. The department shall ask any child who is age 7 or older
198 to provide the names of any kin or other adults with whom the child has a relationship. Further,
199 the department shall ask any child who is 7 or older, in private, to state his or her preference(s)
200 for initial and any subsequent placement or custody.

201 Each parent shall also be asked to provide the name of kin or other adult with whom the
202 child or the family has a relationship who could serve as a potential placement for the child. Each
203 parent shall also be given a meaningful opportunity to participate in the development of the case
204 plan and to state his or her preference(s) for initial and any subsequent placement or custody of
205 his or her child.

206 If the department has or is seeking custody of a child, the department shall first
207 investigate the possibility of placing the child in accordance with the placement preferences of
208 the child and/or parent(s). The department shall complete that investigation before placing the
209 child and make placement changes as appropriate based on the outcome of that investigation.
210 Specific reasons for placement decisions must be documented in writing in the case file,
211 including the reasons for rejecting placements identified by the child and/or parent(s).

212 (l) Each child shall have one of their social workers present at any placement planning
213 meeting, interview, attorney meeting or any other meeting pertaining to the future living
214 standards or placement of said child. Each child shall also have the right to be actively involved
215 in the development of their permanency plan and shall be given every opportunity to ask
216 questions and offer input as to the outcome of their permanency plan and shall fully understand
217 the decisions being made and the options offered to them during the permanency planning
218 process.

219 (m) Each child shall have obtained for them by the department, a free credit report,
220 pursuant to the fair credit reporting act, from each of the 3 major credit bureaus at the time of
221 entry or re-entry into care and annually thereafter, for the time that said child remains in custody
222 of the Commonwealth, to determine whether identity theft has occurred and to correct all
223 erroneous entries on said child's credit record. If the credit report displays other negative or
224 erroneous items, the Commonwealth shall provide the necessary services to correct said child's
225 credit record, including, but not limited to, legal and other advocacy fees.

226 The department shall: (i) provide the child's attorney with a copy of each credit report
227 within 30 days of obtaining the credit report results; (ii) work with the child's attorney to notify
228 the district attorney, for the district in which the child resides, no later than 30 days after receipt
229 of the credit report in order to correct any erroneous items; and (iii) make each annual credit
230 report request not later than 60 days after the child's birthday, or 60 days after the child's entry
231 or re-entry into custody.".

232 SECTION 19. Section 24 of said Chapter 119, as so appearing is amended at the end
233 thereof by inserting the following paragraph:-

234 "No child entering the foster care system through a substantiated report of section 51A of
235 this chapter shall receive a probation officer to investigate them, their foster home setting or the
236 claims in the 51A report. The identity and record of any child that enters the foster care system
237 through a substantiated 51A report, shall not be submitted to the criminal history system board,

238 criminal offender record information system, court activity record index or any other criminal
239 record information system and any child whose name has been entered into these court systems
240 shall have their records expunged.”.

241 SECTION 20. Said Chapter 119 is hereby further amended by striking out Section
242 51A(k), as so appearing, and inserting in place thereof the following section:-

243 “(k) A mandated reporter shall successfully complete by July 1, 2015, and every three
244 years thereafter, the training referenced in section 2(e) of chapter 18C, to recognize and report
245 suspected child abuse and neglect. Beginning on July 1, 2015, any mandated reporter who
246 applies for or renews a professional license shall provide evidence of successful completion of
247 said training.”.

248 SECTION 21. Section 51B(c) of said Chapter 119, as so appearing, is hereby further
249 amended, at the end of line 32, by inserting the following words:-

250 “No child placed in immediate temporary custody shall receive a probation officer to
251 investigate the child, their foster home setting or the claims of a 51A report. The identity and
252 record of any child shall not be submitted to the criminal history system board, criminal offender
253 record information system, court activity record index or any other criminal record information
254 system and any child whose name has been entered into these court systems shall have their
255 records expunged.”.

256 SECTION 22. Said Chapter 119 is hereby further amended by striking out Section
257 51B(g), as so appearing, and inserting in place thereof the following subsection:-

258 “(g) The department shall offer appropriate services to the family of any child which it
259 has reasonable cause to believe is suffering from any of the conditions described in the report to
260 prevent further injury to the child, to safeguard his welfare, and to preserve and stabilize family
261 life whenever possible. If the family declines or is unable to accept or to participate in the offered
262 services, the department or any person may file a care and protection petition under section 24.

263 Each family assessment and service plan must document the involvement of the parents
264 or guardians and children age 7 or older, including children in the custody of the department and
265 their siblings or half-siblings and children placed by a court in the custody or under the
266 guardianship of a relative or other suitable person, in the development of the plan. Such efforts
267 must include, but are not limited to: (a) Encouraging the parents or guardian and the children to
268 participate in the development and review of the plan and attempting to obtain the parents’ or
269 guardian’s signatures documenting their review of the plan (b) obtaining information through
270 separate and private conversations from the child and the parents about potential kin or other
271 adults with whom the child or the family has a relationship who could serve as a placement for
272 the child and (c) If either the parents or child is not involved in the development of the plan, the
273 reasons must be documented.”.

274 SECTION 23. Section 3 of Chapter 210, as so appearing is hereby amended by inserting
275 the following subsection after the last paragraph:-

276 “(e) A child who has not been adopted within two years after an order is entered
277 terminating parental rights under this chapter or chapter 119, for whom the court has determined
278 after a hearing under section 29B of chapter 119 that adoption is no longer the permanency plan,
279 and who is at least 12 years of age may petition the court to reinstate in full the parental rights of
280 one or both of the child’s former parents. The child shall sign the petition in the absence of a
281 showing of good cause as to why the child could not do so. The court shall order that an
282 evidentiary hearing be held and give notice of the hearing to the child’s former parent or parents
283 as prescribed in section 24 of chapter 119. The court shall grant the petition if it determines by a
284 preponderance of evidence that reinstatement of parental rights is in the child’s best interests.
285 The court shall specify in writing the factual basis for its determination. If the court grants the
286 petition, any prior order dispensing with the need for the parent to receive notice of or to consent
287 to the adoption, guardianship, or custody of, or other disposition regarding, that child shall be
288 deemed vacated.”.

289 SECTION 24. The department of children and families shall create and pilot a
290 mentoring/life-coach program for children in the custody of the department to encourage and
291 create life-long connections for every child aging out of the department’s care. The department
292 shall work with private and non-profit organizations that have shown a proven track record of
293 creating such a bond for children.

294 SECTION 25. The secretary of health and human services shall work with the secretary
295 of labor and workforce development to create individual savings accounts for each youth, age 15
296 and above, who are in the custody of the commonwealth and develop a percentage scale of
297 annual deposit requirements based the child’s supplemental security income and age of the child
298 with a larger percentage being deposited as the child ages. Said plan shall include a provision to
299 allow each child to retain the balance of their personal account upon release or aging out of the
300 care and custody of the commonwealth.

301 SECTION 26. Section 23 of this act applies regardless of the whether the two year
302 requirement is met before, on, or after the effective date of this act.
