An Act relative to the public reporting of hospital margins.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

SECTION 1. Chapter 12C of the General Laws is hereby amended by inserting after section 8 the following new section:

## 8A. Reporting of Hospital Margins

If in any fiscal year, an Acute Hospital, as defined in this chapter, reports to the center an operating margin that exceeds 5 percent, the division shall hold a public hearing within 60 days. The Acute Hospital shall submit testimony on its overall financial condition and the continued need to sustain an operating margin that exceeds 5 percent. The Acute Hospital shall also submit testimony on efforts the Acute Hospital is making to advance health care cost containment and health care quality improvement; and whether, and in what proportion to the total operating margin, the Acute Hospital will dedicate any funds to reducing health care costs. The center shall review such testimony and issue a final report on the results of the hearing. In implementing the requirements of this Section, the center shall utilize data collected by hospitals pursuant to the requirements of Section 2 of this act.

SECTION 2. Notwithstanding any special or general law to the contrary, center for health and information and analysis, in consultation with the division of insurance, shall promulgate regulations on or before July 1, 2013 to establish uniform methodology for calculating and reporting inpatient and outpatient costs, including direct and indirect costs, for all hospitals under section 8 of chapter 12C of the General Laws. The center shall, as necessary and appropriate, promulgate regulations or amendments to its existing regulations to require hospitals to report cost and cost trend information in a uniform manner including, but not limited to, uniform methodologies for reporting the cost and cost trend for categories of direct labor, debt service,
depreciation, advertising and marketing, bad debt, stop-loss insurance, malpractice insurance, health information technology, medical management, development, fundraising, research, academic costs, charitable contributions, and operating margins for all commercial business and for all state and federal government business, including but not limited to Medicaid, Medicare, insurance through the group insurance commission and federal Civilian Health and Medical Program of the Uniformed Services. The center shall, before adopting regulations under this section, consult with the group insurance commission, the Centers for Medicare and Medicaid Services, the attorney general and representatives from the Massachusetts Hospital Association, the Massachusetts Medical Society, the Massachusetts Association of Health Plans, the Blue Cross and Blue Shield of Massachusetts, the Massachusetts Health Information Management Association the Massachusetts Health Data Consortium.
