1 SECTION 1. Section 1 of Chapter 176O of the General Laws is hereby amended by
2 inserting after the definition of “Covered benefits” the following new definition:—

3 “Credentialing” means the process of assessing and validating the
4 qualifications of health care providers applying to be approved or reapproved by a health
5 insurance carrier to provide health care services to the health insurance carrier’s insured. The
6 process shall not allow any economic criteria to be used in determining an individual’s
7 qualifications.

8 SECTION 2. Said section 1 of Chapter 176O is hereby further amended by inserting after
9 the definition of "health care services" the following new definition:—

10 "Hospital-based physician", a pathologist, anesthesiologist, radiologist or emergency
11 room physician who practices exclusively within the inpatient or outpatient hospital setting and
12 who provides health care services to a carrier's insured only as a result of insured being directed
13 to the hospital inpatient or outpatient setting. This definition may be expanded, by the division of
14 insurance upon consultation with the Massachusetts Hospital Association, Massachusetts
15 Medical Society, Massachusetts Association of Health Plans and Blue Cross and Blue Shield of
16 Massachusetts, by regulation to include additional categories of physicians who practice

17 exclusively within the inpatient or outpatient hospital setting and who provide health care
18 services to a carrier's insured only as a result of insured being directed to the hospital inpatient or

26 Association, the Massachusetts Association of Health Plans and Blue Cross Blue Shield of
27 Massachusetts as the statewide uniform physician credentialing application forms. Such forms

73 insured effective as of the carrier's credentialing committee's decision date. A primary care
74 physician compensated on a capitated basis who has been credentialed pursuant to the terms
75 established in this section shall be allowed to treat a carrier's insured and shall be reimbursed by
76 the carrier for covered services provided to the carrier's insured effective no later than the first
