11 chapter 33 for not less than 90 days active service, at least 1 day of which was for wartime
12 service; provided, however, than any person who so served in wartime and was awarded a
13 service-connected disability or a Purple Heart, or who died in such service under conditions
14 other than dishonorable, shall be deemed to be a veteran notwithstanding his failure to complete
15 90 days of active service; (2) a member of the American Merchant Marine who served in armed
16 conflict between December 7, 1941 and December 31, 1946, and who has received honorable

20 service; provided, however, that any person who so served and was awarded a service-connected

21 disability or who died in such service under conditions other than dishonorable, shall be deemed
22 to be a veteran notwithstanding his failure to complete 180 days of active service.
