SENATE No. 1008

By Mr. Downing, a petition (accompanied by bill, Senate, No. 1008) of Benjamin B. Downing, Sal N. DiDomenico, John J. Lawn, Jr., William N. Brownsberger and other members of the General Court for legislation relative to screenings for congenital heart defects for newborns. Public Health.

The Commonwealth of Massachusetts

In the Year Two Thousand Thirteen

An Act relative to newborn pulse oximetry screenings for congenital heart defects.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Chapter 111 of the General Laws, as appearing in the 2010 official edition,
2 is hereby amended by inserting, after section 67H the following new section:-

3 Section 67I. For the purposes of this section, the following terms shall have the following
4 meanings:

5 "birthing facility" means an inpatient or ambulatory health care facility licensed by the
6 Department of Public Health that provides birthing and newborn care services.

7 “pulse oximetry screening” means a non-invasive test that estimates the percentage of
8 hemoglobin in blood that is saturated with oxygen

9 Each hospital and birthing center which provides newborn infant care shall submit to the
10 department for its approval a protocol for newborn pulse oximetry screening to be performed on
11 every newborn in its care prior to discharge.

12 The Department of Public Health shall promulgate regulations to implement the newborn
13 pulse oximetry screening program.
