SENATE No. 1102

By Mr. Tarr, a petition (accompanied by bill, Senate, No. 1102) of Bruce E. Tarr for legislation to protect essential health services. Public Health.

[SIMILAR MATTER FILED IN PREVIOUS SESSION
SEE SENATE, NO. 1168 OF 2011-2012.]

The Commonwealth of Massachusetts

In the Year Two Thousand Thirteen

An Act to protect essential health services..

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Section 51G of Chapter 111 of the General Laws, as appearing in the 2010
2 Official Edition, is hereby amended in Subsection (4) by inserting, after the first sentence, the
3 following: -

4 Any such notification shall include, but not be limited to, the following:

- 5 1. The reasons for which the closing or discontinuance is being proposed.
- 6 2. An analysis of the economic feasibility of retaining the essential health service or
7 hospital and the economic impacts of the proposed closing or discontinuance
- 8 3. An analysis of the clinical safety of retaining the essential health service or hospital
9 and any threats to public health and safety that would be caused by the proposed closing or
10 discontinuance

11 SECTION 2. Section 51G of Chapter 111 of the General Laws is hereby amended in
12 Subsection (4) by adding, after the word “hospital” in the fourth sentence the following:-

13 The department may, if it determines that an essential health service can be
14 retained in a clinically safe manner without depriving the hospital of a fair net operating income,

15 deny the proposed discontinuance and require the retention of the essential health service either
16 in its original condition or any modification which the department deems to be satisfactory.

17 In the event that a hospital proposed for closure is owned or controlled by an
18 entity which holds a license for facilities other than the hospital proposed for closure, and the
19 department determines that the hospital can be retained in a clinically safe manner and without
20 depriving that entity of a fair net operating income, the department may require the retention of
21 said hospital either in its original configuration or any modification which the department deems
22 to be satisfactory.
