SENATE No. 1146

The Commonwealth of Massachusetts

PRESENTED BY:

Thomas M. McGee

To the Honorable Senate and House of Representatives of the Commonwealth of Massachusetts in General Court assembled:

The undersigned legislators and/or citizens respectfully petition for the adoption of the accompanying bill:

An Act relative to rock wall climbing safeguards.

PETITION OF:

NAME:	DISTRICT/ADDRESS:
Thomas M. McGee	Third Essex
Robert F. Fennell	10th Essex
Steven M. Walsh	11th Essex
Lori A. Ehrlich	8th Essex

SENATE No. 1146

By Mr. McGee, a petition (accompanied by bill, Senate, No. 1146) of Thomas M. McGee, Robert F. Fennell, Steven M. Walsh and Lori A. Ehrlich for legislation relative to rock wall climbing safeguards. Public Safety and Homeland Security.

[SIMILAR MATTER FILED IN PREVIOUS SESSION SEE SENATE, NO. 1217 OF 2011-2012.]

The Commonwealth of Massachusetts

In the Year Two Thousand Thirteen

An Act relative to rock wall climbing safeguards.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Section 205A of chapter 140 of the General Laws, as appearing in the 2006 2 Official Edition, is hereby amended by inserting after the seventh paragraph the following 3 paragraph:-No license to operate a portable fabricated rock climbing wall, including an inflatable 4 wall, with a height in excess of 12 feet shall be granted nor shall such a rock climbing wall be 5 operated unless: all climbers are fitted with a safety harness and a belay safety system is used 6 with each climber and operated by persons trained in the proper use of such system. No license 7 to operate an inflatable rock climbing wall with a height in excess of 12 feet shall be granted nor 8 shall such an inflatable rock climbing wall be operated unless it is equipped with an inflatable 9 protective base and guardrail surrounding the base of the wall. No operator shall permit another 10 person to use any portable fabricated rock climbing wall, inflatable or not, with a height in 11 excess of 12 feet unless such person is wearing protective headgear. The commissioner shall 12 promulgate regulations consistent with this paragraph including, but not limited to: minimum requirements for belay systems and whether such systems shall be automatic or not; minimum 13 14 training required for those operating belay systems; specifications for surface conditions or 15 preparation, including the installation of protective mats around the perimeter of a non-inflatable 16 climbing wall; specifications for the height and width required for an inflatable base and guardrail for inflatable climbing walls; minimum requirements for anchor support systems for 17 18 climbing walls, inflatable and non-inflatable; and the use of protective headgear.

- SECTION 2. The commissioner of public safety shall adopt regulations to carry out thisact not later than January 1, 2014.
- 21 SECTION 3. Section 1 shall take effect on January 1, 2014.
