SENATE No. 1190

By Mr. Timilty, a petition (accompanied by bill, Senate, No. 1190) of James E. Timilty and Thomas J. Calter for legislation relative to police details. Public Safety and Homeland Security.

The Commonwealth of Massachusetts

In the Year Two Thousand Thirteen

An Act relative to police details.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 Chapter 147 of the General Laws is hereby amended by inserting after section 62 the
2 following section:-

3 Section 63. Whereas it is recognized that police officers, with their superior training,
4 greater enforcement authority, professionalism and experienced access to law enforcement
5 resources, when working on so-called paid detail work increase public safety and are able to
6 handle a variety of situations calling for a law enforcement response both on the site of such
7 details and in the surrounding area when and as needed; now, therefore, notwithstanding any law
8 or regulation to the contrary, private flaggers will only be used on any highway or other
9 construction or repair jobs where the Commonwealth will save at least twenty (20%) percent of
10 the cost of paid details by using flaggers in place of police officers. The head of the state agency
11 funding such work must certify in writing to the police chief of any community in or through
12 which any such flaggers are to be used at least 30 days in advance, except in cases of emergency
13 work, that such savings are assured, and must affording said chief or chiefs and respective police
14 unions or associations the opportunity to review plans, make cost-saving recommendations,
15 submit a proposal to provide police officers for such detail work, and document the estimated
16 costs of using police officers.
