

SENATE No. 1610

The Commonwealth of Massachusetts

PRESENTED BY:

Anthony W. Petruccelli

To the Honorable Senate and House of Representatives of the Commonwealth of Massachusetts in General Court assembled:

The undersigned legislators and/or citizens respectfully petition for the adoption of the accompanying bill:

An Act relative to establish steam utility energy efficiency standards.

PETITION OF:

NAME:	DISTRICT/ADDRESS:
<i>Anthony W. Petruccelli</i>	<i>First Suffolk and Middlesex</i>
<i>Thomas M. Menino</i>	<i>1 City Hall Square Boston, MA 02201</i>
<i>Carlo Basile</i>	<i>1st Suffolk</i>
<i>William N. Brownsberger</i>	<i>Second Suffolk and Middlesex</i>

SENATE No. 1610

By Mr. Petruccelli, a petition (accompanied by bill, Senate, No. 1610) of Anthony W. Petruccelli, Thomas M. Menino, Carlo Basile and William N. Brownsberger for legislation to establish steam utility energy efficiency standards. Telecommunications, Utilities and Energy.

The Commonwealth of Massachusetts

In the Year Two Thousand Thirteen

An Act relative to establish steam utility energy efficiency standards.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Chapter 25 of the General Laws is hereby amended by inserting after
2 section 22 the following section:

3 Section 23. The energy efficiency advisory council established under Section 22 of this
4 chapter shall develop recommendations for steam energy efficiency programs, including, but not
5 limited to, demand side management programs funded by a mandatory charge for all consumers.
6 The council shall examine and recommend other funding sources, including, but not limited to,

7 (1) any amounts generated by steam distribution companies under the Forward Capacity
8 Market program administered by ISO-NE, as defined in section 1 of chapter 164; and (2) cap and
9 trade pollution control programs, including, but not limited to, and subject to section 22 of
10 chapter 21A, not less than 80 per cent of amounts generated by the carbon dioxide allowance
11 trading mechanism established under the Regional Greenhouse Gas Initiative Memorandum of
12 Understanding, as defined in subsection (a) of section 22 of chapter 21A, and the NOx
13 Allowance Trading Program; and (3) other funding as approved by the department after
14 consideration of: (i) the effect of any rate increases on residential and commercial consumers;
15 and (ii) the availability of other private or public funds, utility administered or otherwise, that
16 may be available for energy efficiency or demand resources. The council shall ensure that
17 programs regulated by the department are delivered in a cost-effective manner capturing all
18 available efficiency opportunities, minimizing administrative costs to the fullest extent
19 practicable and utilizing competitive procurement processes to the fullest extent practicable.
20 Energy efficiency activities eligible for
