(n) The exact question as it would appear on the ballot in the next general election of the city of Lowell is:

Do you approve of a law summarized below, on which a vote was taken by the Senate and the House of Representatives on _____?

Summary:

This proposed law would lower the voting age for all local municipal elections in the city of Lowell to citizens 17 years of age who register as “Special Registered Minors”. Potential “Special Registered Minors” must still comply with all other state and city electoral requirements before having their names entered on a separate designated election roll list compiled and maintained by the city of Lowell.

“Special Registered Minors” may only vote in any local municipal election and only for positions pertaining to the governance of the city of Lowell. Nothing in this law would grant “Special Registered Minors” any rights to vote in any other regional, state or federal election.

When a “Special Registered Minor” becomes 18 years of age, his or her name will be stricken from the city of Lowell’s designated elector roll list for “Special Registered Minors.” He or she will be unable to vote in any election unless he or she registers to vote as required by section 1 of chapter 1 of the General Laws.

A YES VOTE would lower the voting age in all local municipal elections in the city of Lowell to all qualified citizens 17 years of age or older.

A NO VOTE would make no change in the voting age for local municipal elections in the city of Lowell.
