240 SECTION 3. Section 16G of chapter 6A of the General Laws, as appearing in the 2012
241 Official Edition, is hereby amended by adding the following subsection:-

242 (m) During the first year of each new gubernatorial administration, the governor shall
243 convene an infrastructure cost council consisting of at least the following 11 members: the
244 secretary of administration and finance who shall serve as chair; the secretary of energy and
245 environmental affairs; the secretary of transportation; the house chair of the joint committee on
246 state administration and regulatory oversight; the senate chair of the joint committee on state
247 administration and regulatory oversight; 1 person to be appointed by the attorney general; and 5
248 people to be appointed by the governor, 1 of whom shall be selected from a list of 3 people
249 provided by the Massachusetts Association of Regional Planning Agencies, 1 of whom shall be a
250 representative from the Associated Industries of Massachusetts, 1 of whom shall be a
251 representative of a telecommunications company doing business in the commonwealth, 1 of

whom shall be a representative from the Massachusetts Municipal Association and 1 of whom shall be a representative of a regulated utility operating in a service area within the commonwealth. The governor may also appoint additional members of regional and local economic development groups and members of the business community to serve on the council. Members of the council shall serve for a term of 1 year or until a set of infrastructure cost projections has been approved by the governor under this section.

The secretary of administration and finance, with the assistance of the infrastructure cost council appointed under this section, shall develop consensus demographic projections for the commonwealth, including distinct projections for the various regions of the commonwealth. These projections shall be used as the basis for developing infrastructure cost projections for the commonwealth, for both publicly-owned and privately-owned infrastructure, for a period identified by the council of not less than 10 years. As used in this section, the term “infrastructure” shall mean surface transportation infrastructure and the infrastructure necessary to deliver water and wastewater services, telecommunications services, gas, oil and electricity.

The office of performance, accountability and transparency established in section 4A of chapter 7 shall provide staff support for the study required by this section. Every regional planning agency formed under chapter 40B shall provide its current set of demographic projections used for regional planning. Any metropolitan planning organization that uses a set of demographic projections that is different from those of its regional planning agency shall also provide its current set of demographic projections. All regulated utilities shall provide necessary information required by the council. The council may take precautions to ensure the confidentiality of any competitively-sensitive information submitted.

In developing its consensus demographic projections, the council shall compare, contrast and reconcile all of the demographic projections and other information it receives. It shall strive to reconcile differences among those projections so that the consensus demographic projections for the commonwealth are based on a common and consistent set of assumptions.

Each council shall conduct at least 1 public hearing. The secretary shall file a report with the clerks of the senate and house of representatives and with the chairs of the house and senate committees on bonding, capital expenditures and state assets not later than December 31 of the first year of each new gubernatorial administration. The report shall also be published on the website of the commonwealth.

SECTION 3A. Item 7066-8000 of section 2 of chapter 258 of the acts of 2008 is hereby amended by striking out, in line 67, the figure “\$22,100,000” and inserting in place thereof the following figure:- \$36,100,000.

(a) To carry out the purposes of items 1102-2009, 1102-2014 and 4000-2022 of section 2 and item 1100-3003 of section 2A, the commissioner of capital asset management and maintenance may, notwithstanding sections 32 to 37, inclusive, of chapter 7C of the General Laws or any other general or special law to the contrary, but subject to this section, acquire, by purchase, prepayment of lease for a term that exceeds the useful life of the facility, gifts or other transfers, or by eminent domain pursuant to chapter 79 of the General Laws, any interests in land and buildings considered necessary by the commissioner to carry out this act including, but not limited to, easements for drainage, access, utilities and environmental mitigation and may grant and retain such easements and interests as considered necessary by the commissioner to carry out this act.

(b) The commissioner shall solicit proposals for any facility acquisition through requests for proposals. Each request for proposals shall include, at a minimum: (i) a description of the facility for which proposals are sought; (ii) a statement as to whether the commissioner seeks to purchase or lease the facilities; (iii) a statement as to whether the commissioner seeks to acquire improved or unimproved land, buildings and interests therein; (iv) a statement as to whether the selected proposer shall be required to undertake the design, construction, renovation, reconstruction, alteration, improvement, demolition, expansion or management of a new or existing facility; (v) the proposed contractual terms and conditions, some of which may be considered mandatory or nonnegotiable; (vi) the evaluation criteria to be utilized by the commissioner; (vii) the time and date for receipt of proposals; (viii) the address of the office to which proposals shall be delivered; and (ix) such other matters as may be determined by the commissioner. Public notice of each request for proposals shall be published at least 3 weeks before the time specified in the notice for the receipt of proposals in the central register published by the state secretary. At the opening of the proposals, the commissioner shall prepare a register of proposals which shall include the name of each proposer. The register of proposals shall be open for public inspection. Notwithstanding any general or special law to the contrary and until the completion of the selection process, the contents of the proposals and the selection process shall not be disclosed to competing proposers and shall not be public documents.

(c) Any design, construction, renovation, reconstruction, alteration, improvement, demolition, expansion or management of a facility undertaken pursuant to this section shall be subject to chapters 7C, 30 and 149 of the General Laws and any other general or special law or

regulation governing the design, construction, renovation, reconstruction, alteration, improvement, demolition, expansion or management of real property by the commonwealth.

(d) The commissioner shall solicit proposals for temporary relocation space as required for completion of a project funded pursuant to items 1102-2009, 1102-2014 and 4000-2022 of section 2 or item 1100-3003 of section 2A in accordance with section 37 of chapter 7C of the General Laws.

SECTION 16. The division of capital asset management and maintenance may transfer care, custody, control and jurisdiction of a parcel of vacant commonwealth land in the town of Middleton from the department of mental health to the department of youth services for use as a location for a new department of youth services facility. The parcel to be transferred contains approximately 9.295 acres and is shown on a plan on file with the division. The exact boundaries of the parcel to be transferred are to be determined by the division of capital asset management and maintenance. Transfer of the parcel shall be without consideration and shall not be subject to chapter 7C of the General Laws. The division of capital asset management and maintenance may, as necessary, clear title to the parcel to be transferred by eminent domain taking.

SECTION 17. (a) As used in this section, the following words shall have the following meanings unless the context clearly requires otherwise:

“Commissioner”, the commissioner of capital asset management and maintenance.

“District”, the Essex North Shore agricultural and technical school district established pursuant to chapter 463 of the acts of 2004.

“Division”, the division of capital asset management and maintenance.

“School”, the Essex North Shore agricultural and technical school established pursuant to chapter 463 of the acts of 2004.

(b) Notwithstanding section 32 to 37, inclusive, of chapter 7C of the General Laws, chapter 463 of the acts of 2004 or any other general or special law to the contrary, the commissioner may, in consultation with the district, lease or enter into other agreements for a term, including any extensions, not to exceed 25 years for certain lands and any buildings and other appurtenances thereon located at the school in the town of Middleton to Essex Sports Center, LLC. The location and boundaries of any of the parcels to be leased shall be determined by the commissioner based upon a survey by a certified engineer.

(c) The lessee shall use the property solely for constructing and operating athletic and recreational facilities for use by the school or any other authorized parties. The lease or other agreement shall include a provision restricting the use of the property to such purposes and providing for termination of the lease if the property ceases to be used for such purposes. Upon the expiration of the lease, or if Essex Sports Center, LLC ceases to be the lessee at any time

435 before the expiration of the lease, the land, facilities, fields and appurtenances shall revert to the
436 commonwealth upon such terms and conditions as the commissioner may determine. The lease
437 may permit leasehold mortgages covering any lease executed as authorized in this section to
438 assist the lessee in financing improvements to the leased property, provided, however, that any
439 such leasehold mortgage shall be subordinate to any such lease, subject to the ability of any such
440 leasehold mortgagee to exercise its rights under any such mortgage.

441 (d) The lease or other agreement authorized by this section shall be on terms and
442 conditions acceptable to the commissioner after consultation with the district, and subject to
443 review by the inspector general prior to the execution of the lease; provided, however, that any
444 such lease or other agreement shall provide, without limitation that: (i) the lessee shall manage,
445 operate, improve, repair and maintain the land, buildings and appurtenances associated therewith
446 during the term of the lease which shall be subject to the approval of the commissioner and the
447 district and the upkeep shall be reviewed on an annual basis by the commissioner, the lessee and
448 the district; provided, however, that the lessee shall be responsible for the repairs and
449 maintenance as recommended by the commissioner or the district; (ii) the lessee shall carry
450 comprehensive general liability and construction insurance in amounts acceptable to the
451 commissioner and the district naming the commonwealth and the district as the co-insured and
452 protecting the commonwealth and the district against all claims for personal injury or property
453 damage arising from the land, buildings and appurtenances associated therewith during the
454 construction and the term of the lease; (iii) the lessee shall pay rent in an amount equal to or
455 greater than the full and fair market value of its leasehold interest under this section as
456 determined by an independent appraisal prepared in accordance with the usual and customary
457 professional appraisal practices by a certified appraiser commissioned by the commissioner, in
458 consultation with the inspector general; (iv) the lessee shall be responsible for the capital
459 improvements to the premises; (v) the lessee shall be responsible for all costs of all utilities
460 during the term of the lease; and (vi) the lessee shall not design or construct any facilities on the
461 parcel without the written approval of the division, in consultation with the district.

462 (e) The lessee shall be responsible for and shall maintain an escrow fund for all costs and
463 expenses including, but not limited to, costs associated with any engineering, surveys, appraisals,
464 and lease preparation as such costs may be determined by the commissioner.

465 (f) The district may establish a receipts reserved for appropriation account for any
466 revenue generated from the lease of property to the lessee. The account shall be used for the
467 general appropriations of the district.

468 (g) No general or special law or rule or regulation relating to the advertising, bidding or
469 awarding of contracts, to the procurement of services including, but not limited to, chapter 30B
470 of the General Laws or to the construction and design improvements shall apply to the district or
471 the lessee under this section.

(h) The 25-year lease and other agreements executed pursuant to this section shall be on terms, conditions and consideration acceptable to the commissioner and the district; provided, however, that the lessee shall permit the following reserved ice rink needs free of charge and on a priority basis to the district: (i) daytime physical education classes which are scheduled as part of the regular school curriculum; (ii) practice and games for the following hockey teams if such teams are established: male varsity, male junior varsity, female varsity and female junior varsity; provided further, that the lessee shall permit the following reserved turf field needs free of charge and on a priority basis to the district: (1) daytime physical education classes which are scheduled as part of the regular school curriculum; (2) practice and games for the following soccer, football, field hockey, winter track and field, spring track and field, lacrosse, baseball and softball teams if such teams are established: male varsity, male junior varsity, female varsity and female junior varsity; provided further, that schedules for the ice rink and turf field use shall be presented by the district to the lessee by July 1 preceding each academic year and only for those classes and teams which are in existence for that academic year; provided, further, that the lessee shall permit reserved ice for school-sponsored or Massachusetts Interscholastic Athletic Association tournaments, if available; and provided further, that the lessee shall ensure fair and reasonable use of the ice rink, fields, facilities, land and appurtenances for communities within the district.

(i) All records of the lessee relating to the operation of the facility including, but not limited to, finances and scheduling shall be made available for inspection by the offices of the state auditor, the attorney general, the inspector general and the division upon request

SECTION 17A. The special commission established in chapter 2 of the resolves of 2008 and revived and continued by chapter 3 of the resolves of 2010 is hereby revived and continued to December 31, 2015.

SECTION 17B. The secretary of transportation and the secretary of energy and environmental affairs shall jointly submit a report regarding the capital and operating needs of the New Bedford state pier to the senate and house chairs of the committees on bonding, capital expenditures and state assets and the clerks of the senate and the house of representatives not later than December 31, 2014. The report shall include, but not be limited to:

(i) an analysis of the current state of repair of the pier, including a description of all projects and expenditures needed to bring the pier into a state of good repair and low-end and high-end estimates of the useful life of all physical components of the pier and the estimated cost, as of the effective date of this section, to replace the physical components of the pier;

(ii) all operating expenses associated with the pier for the prior and current fiscal years including, without limitation, payments to all vendors performing any work with respect to the pier and the salaries of all state employees who have performed any work with respect to the pier;

(iii) all persons and entities currently making use of the pier under any written or
unwritten lease, license, permit, invitation or other agreement;

(iv) recommendations as to the most efficient structure for ownership, management,
operation and oversight of the pier including, without limitation, a recommendation as to which
state agencies should own or operate the pier and what actions, if any, should be undertaken with
regard to whether future operation of the pier should include input or participation by
municipalities or other governmental instrumentalities abutting the port of New Bedford; and

(v) recommendations for improvements and repairs to infrastructure and enhancements to
increase public access, facilitation of activities surrounding the offloading and transport of
commercial fishing landings, expanding the use of the facility for water dependent cargo, short
sea shipping, marine transportation, cruise facilities and non-water dependent uses related to
tourism and economic development, potential redevelopment and creation of mixed use facilities
to include commercial uses, retail, restaurants, research and development and public event space.
The amount authorized in item 1100-1420 of section 2A of chapter 312 acts of 2008 with regard
to the pier shall be used to fund implementation of all recommendations of the study.

SECTION 18. Notwithstanding any general or special law to the contrary, the
unexpended and unencumbered balances of the bond-funded authorizations in the following
accounts shall cease to be available for expenditure 90 days after the effective date of this act:
9300-3905, 1102-8880, 0330-8891, 1102-7893, 1102-7894, 1102-9897, 5500-8300, 5500-8400,
