Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1: The Department of Public Health shall amend the Licensure Procedure and
2 Suitability Requirements for Long-Term Care Facilities in Massachusetts regulations (105 CMR

6 for-profit or non-profit.

7 SECTION 2: The Department of Public Health, the Center for Health Information &

9 General shall work together with all interested stakeholders to review and develop policy
10 recommendations for improvements to the licensing of long term care facilities in the
11 Commonwealth (105 CMR 150; 105 CMR 153), regulations concerning standard payments and
12 cost reporting by nursing facilities (114.2 CMR 600) and the requirements for the provision of
13 nursing-facility services under MassHealth (130 CMR 456). Such recommendations shall
14 include proposed amendments to these regulations to:

15 Provide more transparent, timely and complete public access to information concerning
16 skilled nursing facility licensing, reimbursement and quality care standards; and

17 Improve the regulation and public reporting of information concerning transfers of
