SENATE No. 394

By Mr. Petruccelli, a petition (accompanied by bill, Senate, No. 394) of Anthony W. Petruccelli for legislation to revitalize the Commonwealth's waterfronts. Environment, Natural Resources and Agriculture.

[SIMILAR MATTER FILED IN PREVIOUS SESSION
SEE SENATE, NO. 371 OF 2011-2012.]

The Commonwealth of Massachusetts

In the Year Two Thousand Thirteen

An Act to revitalize the Commonwealth's waterfronts.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Chapter 91, Section 1 of the General Laws, as appearing in the 2008
2 Official Edition, is hereby amended by striking the existing definition of “Commonwealth
3 tidelands,” and inserting in place thereof the following definition:

4 “Commonwealth tidelands,” tidelands below the historic low water mark either held by
5 the commonwealth in trust for the benefit of the public, or held by another party by license or
6 grant of the commonwealth subject to an express or implied condition subsequent that it be used
7 for a public purpose.

8 SECTION 2. Chapter 91, Section 14 of the General Laws, as appearing in the most recent
9 edition, is hereby amended by inserting the following at the end of the third paragraph:

10 For the purposes of this section and section eighteen, proper public purpose shall include,
11 but not be limited to, provision of public access to the water; provision of facilities supporting
12 and/or compatible with maritime commerce and activities; revitalization of underutilized
13 waterfront properties; promotion of regional and local commerce, employment, economic
14 development, and community renewal; and promotion of other community or maritime uses in
15 the area.

16 SECTION 3. Chapter 91, Section 18 of the General Laws, as appearing in the most recent
17 edition, is hereby amended by inserting the following after the first sentence of the third
18 paragraph:

19 Notwithstanding the foregoing, in granting licenses on private tidelands the department
20 shall specify that the interior use of buildings shall be for any and all uses consistent with local
21 zoning codes or bylaws. In granting licenses on Commonwealth tidelands, the department shall
22 require that the ground floor of any new structure be designed and constructed to accommodate
23 uses accessible to the public (provided that this requirement shall be deemed to be satisfied by
24 provision of a floor to ceiling height of at least ten feet), and the department shall require that the
25 ground floor of any existing or new structure of greater than 50,000 square feet be occupied by
26 water dependent uses or uses accessible to the public in an amount not to exceed in the aggregate
27 five percent of the portion of the gross floor area of said structure situated on Commonwealth
28 tidelands.

29 SECTION 4. Said Section 18 of said Chapter 91 is hereby further amended by replacing
30 the final sentence of the third paragraph with the following:

31 The department shall promulgate regulations for implementation of its authority under
32 this chapter which shall authorize, without limitation, alternative measures funded or otherwise
33 taken by a licensee to provide water dependent uses and/or uses accessible to the public
34 elsewhere in the harbor or otherwise in the vicinity of the licensed premises to satisfy the
35 requirements of this chapter.

36 SECTION 5. The provisions of this Act, and any regulations adopted subsequently
37 hereto, shall apply to any new licenses issued by the department, and shall apply to any existing
38 license without the need for a license amendment or new license notwithstanding the provisions
39 of the fourth and fifth sentences of paragraph three of section 18 of chapter 91. Without
40 limitation, this Act, and any regulations adopted subsequently hereto, supersede any specific use
41 requirement of any existing license to the contrary.
